MELBOURNE 1987

There's more to Drake than you realise.

Technology changes.
Economic climates change.
People's expectations of their
place in the workplace change.
But one thing remains constant.
For a business to grow profitably
and successfully, it must employ
the optimum number
of people who
perform their
given role
effectively.

A TRIBUTE

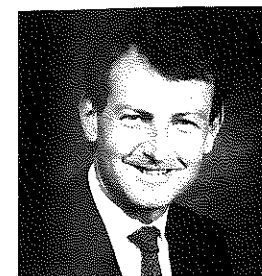

It is fitting that the father of Australian Veteran Athletics, Wal Sheppard died doing the thing he loved best — running.

As one of the founders of WAVA and in his capacity as Executive Vice President, Wal was an integral part of the Veteran movement throughout the world.

The success of these Games is a culmination of dedicated persistence on his part and the realisation of a personal dream.

At these Games to commemorate his achievements, a special trophy will be awarded to World Champion for the M50 — 800m.

LETTERS

PRESIDENT OF DRAKE INTERNATIONAL SEVENTH WORLD VETERANS' GAMES — GRAEME L. SALTHOUSE

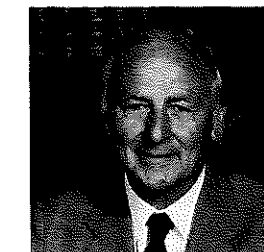

On behalf of the Organising Body it is my privilege to welcome you to the Drake International Seventh World Veterans' Games.

For us to be able to greet some 4,800 participating athletes from 50 countries is of itself a major reward. However, to join with you and participate with you in the Games, for which we have received entries for nearly 13,000 events, will be the real reward for the organisation and planning required over the past two years.

We hope you perform well and achieve your own targets and goals and when the Games are over you will take away with you the treasured memories of friendships made, friendships renewed and an enduring memory of "The Friendly Games" and our beautiful city of Melbourne.

We look forward to being with you in two years from now. Thanks for coming.

* * * * *

MR. DAVIS McCAUGHEY — GOVERNOR OF VICTORIA

I am glad to hear that the VII World Veterans Games are to be held in Melbourne, and I have much pleasure in welcoming all concerned to Victoria. A great fraternity exists between athletes the world over. Many old friendships will be renewed in these days, old rivalries and competitions entered into afresh to the enjoyment of all. May your keenness and sporting principles continue to be an example to those who come after you, and an inspiration to the public who will follow your Games with interest.

* * * * *

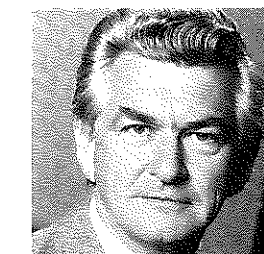

MR. JOHN CAIN — PREMIER

Victoria is very proud to host these Games in which the world's greatest athletes are competing.

These are unique Games in that mature aged sports people, often late comers to sport, match their skills with past and present Olympians in the 35 to 95 age groups.

I am proud to be Patron of these Games and I am sure that the athletes and spectators are going to have a most exciting time over the next few weeks.

* * * * *

PRIME MINISTER — MR. BOB HAWKE

Australia is honoured to be host for the VII World Veterans Games being staged in Melbourne from 26 November to 6 December 1987.

Personally, and on behalf of a nation renowned for its love of sport, I am delighted to extend a warm welcome to all who will be converging on Melbourne for this very special sporting occasion.

* * * * *

LORD MAYOR OF MELBOURNE — LECKI ORD

As Lord Mayor of the City of Melbourne and on behalf of the Citizens of this City, I have much pleasure in welcoming all the Athletes to the VII World Veterans Games.

The spirit of human competition is something which inspires people of all languages, creeds and nationalities. It is a powerful force that can unite peoples from many countries so that bonds of friendship can be established for years to come.

* * * * *

MR. NEIL TREZISE — MINISTER FOR SPORT & RECREATION

On behalf of the Government of Victoria, I would like to welcome participants of the VII World Veterans' Games to Melbourne.

In recognising the significance of this event, my Government is delighted to provide the essential support needed to the Games Organisers. This support highlights the Victorian Government's commitment to not only elite athletes but also to mass participation for all age groups.

I wish the organisers and participants well for this major international sporting event.

WAVA PRESIDENT — DON FARQUHARSON

It is with the greatest of pleasure that I welcome you to the Seventh World Veterans Games.

Whether this is your first visit, you are a seasoned visitor or an Australian you must feel proud you are part of this great Championship event.

We also pay tribute to a Melbournian who did so much to foster this movement of ours within Australia and world wide. It would have been a proud moment for Wal Sheppard (r.i.p.) to have welcomed you to his native city in 1987.

You may be an elite performer or, like me, middle of the pack enthusiast, but either way, in coming to Melbourne you are a winner. Congratulations!

AAVAC PRESIDENT — HEATHER DOHERTY

It is with great pleasure that I welcome Veteran Athletes from throughout the World to Australia for the VII World Veterans Games.

In the spirit of veteran athletics, we wish all our visitors to engage in stirring yet peaceful competition; not just for the glory of winning, but for the joy of active participation with old and new friends.

SPONSORS

The VII World Veterans Games Organising Body wish to record their gratitude and appreciation to these organisations and all individuals for their valuable assistance and support throughout the preparations and conduct of the Games.

WELCOME TO MELBOURNE

In 1835, near the mouth of the Yarra River in Port Phillip Bay, the township of Melbourne was established. It was named after the contemporary Prime Minister of Great Britain, just as our State was named after the reigning monarch, Queen Victoria.

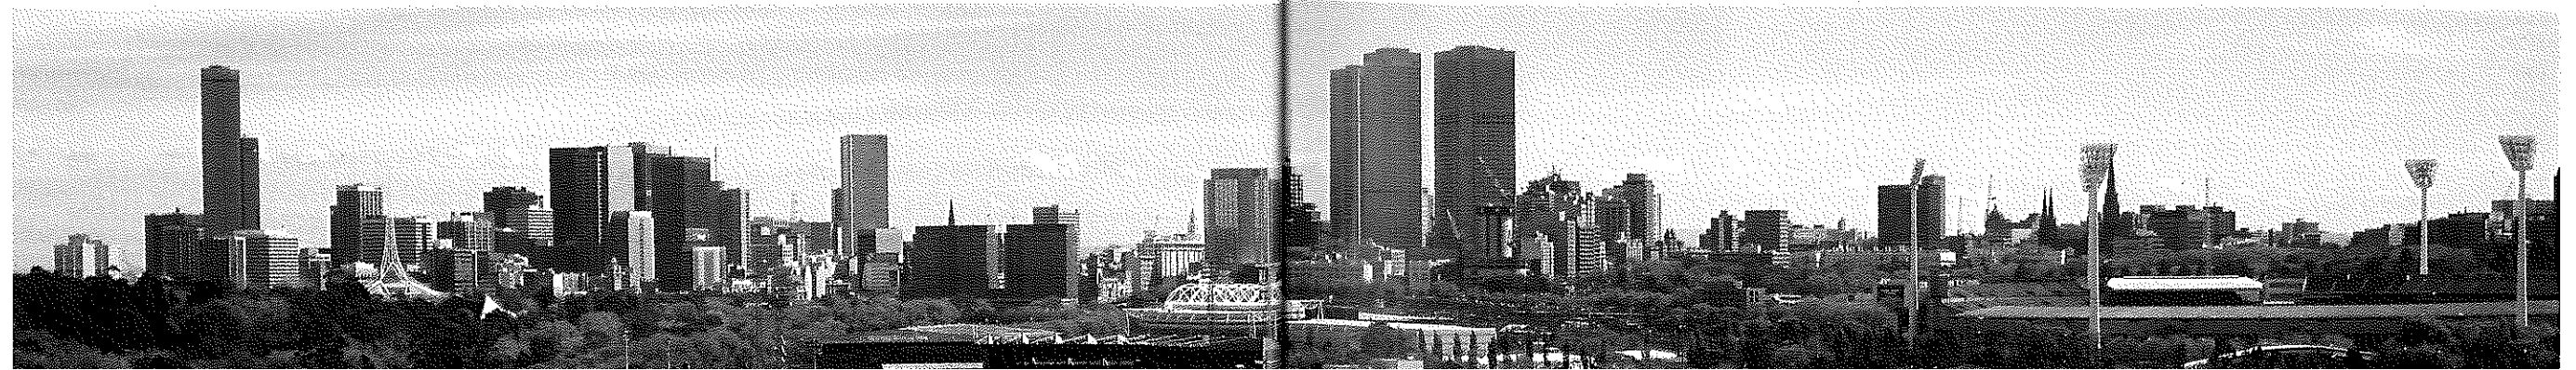

Stimulated by the gold rushes of the 1850s, and the farming prosperity of its hinterland, Melbourne has grown into an attractive, well-planned city of over two million people. Tradition and progress are reflected in the architecture and hospitality of a multicultural people.

Our warm summers and mild winters have encouraged the development of many attractive private and public gardens, such as surround all the Drake Games venues.

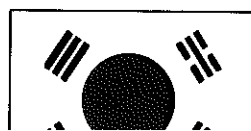

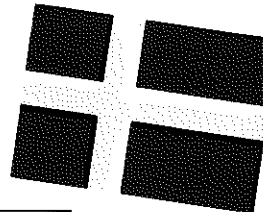

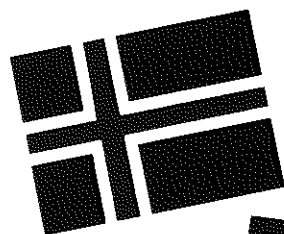

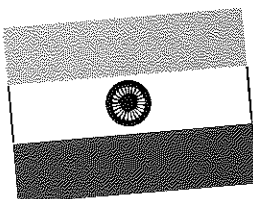

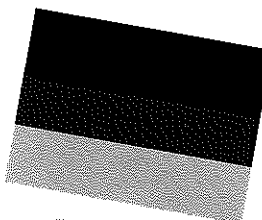

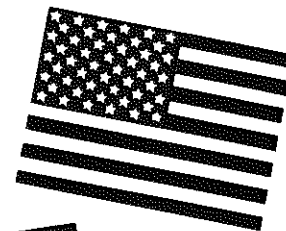

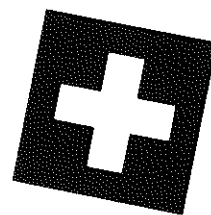

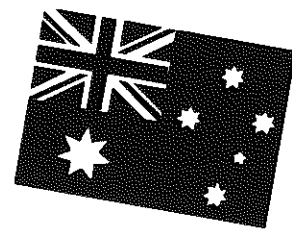

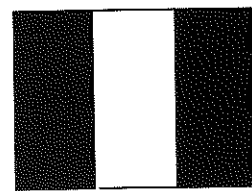

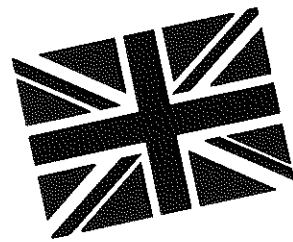

The climate has also helped develop Melbourne's reputation as an outstanding sporting centre — our "Olympic Park" venues for the Drake International VII World Veterans' Games remind us that Melbourne hosted the 1956 Olympic Games. Just across the road is the exciting new Tennis centre, and across the railway line is the world famous Melbourne Cricket Ground, holder of crowd records for Cricket (Test and one day matches) and Baseball (90,000 during Olympic Games 1956). It is also the setting for the Annual Grand Final of Australian Rules Football, attracting 100,000 ardent fans.

Add golf, cycling, bowls, yachting, squash, swimming and Australia's most famous horse race (The Melbourne Cup) and the range and depth of Australian Sport is obvious.

Melbourne, Australia, a fitting backdrop for the 4820 competitors from 52 nations competing in the worlds biggest international athletic carnival — The Drake International VII World Veterans' Games.

WELCOMING CEREMONY

SUNDAY NOVEMBER 29 — ASSEMBLE 11.05 AM

Advance Australia Fair

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil,
Our home is girt by sea,
Our land abounds in nature's gifts
Of beauty rich and rare,
In history's page, let every stage
Advance Australia fair,
In joyful strains then let us sing
Advance Australia fair.

WORLD
VETERANS'
GAMES

O World Veterans' Games

By Sri Chinmoy

O World Veterans' Games, oneness-ecstasy flames.
No more my body pains, no more my life in chains.
Silence peace, freedom height dance with Aussies' delight.

Leonardi & Curtis IOF 109A

The latest ten year insurance bond bonus rates are just out. (Which dotted line will you be signing on?)

dramatic fluctuations in the marketplace. It's those fluctuations that we'd like you to think about. But first, what exactly is a ten year insurance bond? It's a substantial commitment. A lot of people invest a lot of money in ten year insurance bonds. They have good reason to. The prospect of multiplying one's investment, tax-free over 10 years is very attractive. But 10 years is a long time to commit your money. Especially if it means keeping your fingers crossed for the duration. Is that what you really want from a ten year bond? At IOOF, we don't think so. We believe that a ten year bond should be secure, reliable and consistent. And Supersaver's performance proves it. Of course, no-one can promise completely predictable performance. But the fluctuations shown in our graph are quite instructive. Over the last 3 years, IOOF has shown a consistent return. There are good reasons for this stability. IOOF is a

including details of our attractive, once-only 3.6% management fee and access to your capital. Plus if your policy is surrendered within ten years a 29% tax benefit on any bonus included in assessable income applies. Why not call into one of our Security Permanent Building Society branches listed below. Or White Horse Savings and Loans Co-operative, 910 Whitehorse Rd, Box Hill. They can supply you with all the information you'll need to make an informed decision, at your leisure. City branches: 382 Little Collins St., 369 Lonsdale St., & 218 Swanston St. Suburban branches: 397 Nepean Hwy, Chelsea. 130 Burgundy St., Heidelberg. Shop 256 (Level two) Southland Shopping Centre. 36 Station St., Werribee. Regional branches: 144 Barkly St., Ararat. 11 Grenville St., North Ballarat. 174 Hare Street, Echuca. 191 Allan St., Kyabram. 76 Langtree Avenue, Mildura. 341 Wyndham St., Shepparton. Kiosk 5, Gilles St., Wendouree. 156 High St., Wodonga.

There's quite a difference between 10 year insurance bonds. Think about what's just happened. The 1986/87 Bonus rate for IOOF's Supersaver has just been approved by the Registrar of Friendly Societies. As the graph above shows, it's 12.58%, tax paid. As the graph also shows, Supersaver has performed very well compared to similar products. The grey line on the graph shows the average return of all other Capital Guaranteed Single Premium life insurance bonds that have been in the market for at least 3 years* (apart from one or two that weren't available at the time of publication). They are all supposedly long-term performers, yet there have been some

very large financial organisations. Over \$1.3 billion strong. Our managers invest exclusively in Government approved areas such as Government and bank backed securities. Other funds do not always show the same stability. It's not quite true to say that smaller funds have all of their eggs in one basket. But it certainly is true to say that they have smaller baskets. You'll often see a variation in many of their returns. Up and down. You're probably already aware of these fluctuations. If you're thinking of investing thousands of dollars for ten years - up to \$120,000 if you wish - you certainly should be. And there's more you should know,

Alternatively, clip the coupon below and send it into us, "Freepost". We'll put a fully detailed explanation of our Super saver product, straight into the mail or telephone us, without obligation, on (03) 662 2877 or toll free on (008) 331 211. Knowing all the facts will put your mind to rest. And isn't that what a 10 year insurance bond is supposed to be about? IOOF. We don't take risks with your money.

AWARDS — INDIVIDUAL EVENTS

a) Medals will be awarded for the first three places for all age groups in all events.
 b) Certificate of participation for all entrants.
 c) Commemorative medals for all Marathon finishers.

AWARDS & CONDITIONS — TEAM EVENTS

1st, 2nd, or 3rd in its team-group. (See below). Teams will be formed by country.
 e) Relays 4x100m and 4x400ms in groups:—
 M40, M45, M50, M55, M60-69, M70+, W35, W40-49, W50+.
 f) MARATHON, ROAD WALKS AND CROSS COUNTRY will be scored on aggregate times by teams of the first five of each country to finish in the following groups:—
 M40, M45, M50, M55, M60-69, M70+, W35-49, W50+.
AMENDMENT
 When less than three teams of five are entered, the scoring will be based on the first three to finish.
 Medals will be awarded to all scoring members.
 g) Providing the Organisers are properly advised in advance, an athlete may move down an age group for team scoring, but can still participate as an individual in their own age-group.

EVENT CONFIRMATION

This is required ONLY for the first round of track events 1500m and shorter.
 Confirmation of Entry lists will be displayed in the INFORMATION CENTRE. Competitors must sign this list which will be REMOVED 1 HOUR before the start of their event. FAILURE TO SIGN COULD RESULT IN EXCLUSION FROM THE EVENT.
 Competitors MUST report to the designated station area of their event at least 20 minutes before the start of that event.

REPORTING TO YOUR EVENTS

All track competitors must report to the designated station (marshalling) area of their event at least 20 minutes before the start of that event.
 All field competitors should report 30 minutes prior to the start of their event. Warm-up throws will be completed before the due starting time of the event.

QUALIFYING REQUIREMENTS — TRACK

In all lane track events requiring heats and/or semi finals, the following qualifying conditions will apply:

8 Lane Track — winners and at least next 4 fastest will advance.
 6 Lane Track — winners and at least next 2 fastest will advance.

AMENDMENTS

W40/45 400m Spring, M40 and M60 400/300m Hurdles will be winners and fastest times for eight finalists. (A 'time only' qualifying heat may be formed at the Competition directors discretion.)

Probable Limits:
 800 metres, 12 per heat, 8 to final.
 1500 metres 16 per heat, 12 to final.

If there are insufficient starters to warrant a scheduled heat, then the semi final will be conducted at the scheduled starting time of that heat. The final will always be held at its scheduled starting time. Exception — If mens 800m do not require the listed semi finals then the finals will be held at the scheduled semi final time.

QUALIFYING REQUIREMENTS — FIELD

Long Jump, Triple Jump and Throwing Events:
 The best 8 performers (including those sharing 8th position) in the 3 preliminary trials, will qualify for the final 3 trials.

High Jump and Pole Vault:
 Competitors may nominate one height below standard set by organisers.
 Progression — High Jump — 3cm
 — Pole Vault — 5cm

DIVISIONS (SECTIONS)

a) In all track events over 1500m, and all field events (except High Jump and Pole Vault), age groups with very large entries will be formed into divisions, on ability basis, with the best performers competing last.
 b) In Track events, age group winners will be decided on the overall best times from all divisions.
 c) In field events except the High Jump and Pole Vault, divisions will operate only for the three preliminary trials. The best 8 performers (including those sharing 8th position) from all divisions in each age group will advance to the 3 final trials after all divisions in that age group have completed the 3

REGULATIONS

RESTRICTIONS

a) TIMETABLE — In the Track Events, slower competitors will be required to move to the Outer Lanes to complete the event if this becomes necessary to allow the next event to start on time.
 b) SPONSORS & PHOTOGRAPHY — Written permission must be obtained from the Organisers for the following purposes.

1. Sponsor Display
2. Sale of goods
3. Photography on the Field

HANDICAPPED PARTICIPANTS

Handicapped Competitors who need to be assisted by a guide may compete, provided that the guide does not impede any other competitor. Such competitors must advise the Organisers of their handicap when they report for their event. An international panel of judges will be appointed to decide if any such competitor gets the benefit of a tow. In the case of such a decision being made, the competitor will be subject to disqualification.

ASSISTANCE TO ATHLETES

Because of the possibility of hot weather, 5000m and 1000m track events will have a sponge station on the inside of the back straight. A drinks station will be set up near the finish area for the benefit of the competitors.

IMPLEMENTS

With the exception of vaulting poles all implements for field events will be provided by the Organisers. Those competitors wishing to use their own equipment may do so, but it must be certified by the Equipment Officer at least 90 minutes before the event.

SPIKES

Only spikes of 6mm length are permitted on stadium tracks.
