

October 2001

Dear friends

The 14th WAVA World Veterans' Athletics Championships have come and gone however the memories of our time in Brisbane will not fade for a very long time.

Over 7,500 athletes, friends and family, officials and volunteers from 80 countries descended on Brisbane in July for 10 days of friendly competition and social activities. The city of Brisbane was honoured to host this event and warmly welcomed our international and interstate visitors to our great city.

During the course of the Championships, over 1300 events were conducted at six venues throughout the city. 20 new World Records were set and nearly 7,000 medals were presented. Brisbane turned on its best winter weather with warm sunny days enabling athletes to enjoy continuous competition and also to get out and explore this diverse region of Australia.

On behalf of the Board and the staff of the 14th WAVA World Veterans' Athletics Championships, I would like to thank each and every athlete, accompanying person, official and volunteer who participated in the Brisbane World Championships and wish Puerto Rico 2003 every success in conducting this event which we were extremely proud to host.

Yours faithfully

KERRY WATSON
Chairman

14th WAVA World Veterans' Athletics Championships
