

OFFICIAL RESULTS

CITY OF SAN JUAN

HERNAN PADILLA, M. D.
MAYOR

November 1, 1983

Dear Friends:

The statistics presented in the following pages, comprise the Official Results of the V World Veterans Games, held in our City last September.

They represent, in essence, the athletic attributes, perseverance, hard work and ability to perform under unfamiliar weather and environmental conditions, virtues which are apparently common to all Masters Athletes. In addition, last minute problems beyond the control of the Organizing Committee, placed an additional burden on some of the events, and yet most of those participating were able to surpass these circumstances and still perform with excellence, as evidenced by the number of new world records established.

Most important, we know of the wonderful spirit of comradeship and friendship that prevailed during the Games. Of the renewal of all friendships, and the beginning of new ones. These should be the real reasons for any International Sports Event, and I really believe that the V World Games fulfilled its purpose.

To all who participated, our most sincere appreciation, and our hope that your stay in our City was a memorable and enjoyable one.

Best of luck to all of you in your future performances.

HERNAN PADILLA, M. D.
ALCALDE

Estimados Amigos:

Las estadísticas presentadas en las siguientes páginas compilan los Resultados Oficiales de los V Juegos Mundiales de Atletismo Masters.

Estas evidencian, en esencia, los atributos atléticos, y el deseo de superación de los atletas veteranos que compitieron en dichos Juegos.

El número de nuevas marcas establecidas, evidencia la capacidad de los Atletas Veteranos en general, de superar condiciones climáticas extrañas y situaciones adversas causadas por problemas de última hora ajenos al control del Comité Organizador.

Más importante aún, sabemos personalmente del espíritu de camaradería y amistad que prevaleció durante los Juegos. Después de todo, deben ser estos los propósitos principales de cualquier competencia internacional.

Extendemos nuestro sincero agradecimiento a todos los atletas participantes, y esperamos que su estadía en nuestra querida Ciudad haya sido grata y memorable.

Le deseamos a todos el mayor de los éxitos y suerte en competencias futuras.

Dr. Hernán Padilla

Patrono de los Juegos
