

Masters Invitational Program Review 2000 to 2017 (as of Jan. 20, 2017)

The **Masters Invitational Program** is an opportunity for Masters Athletes to compete at Major Open Track & Field competitions, and an opportunity to share with open athletes and fans the excitement of Masters Track & Field. Years 2000 through 2017 have already included many great competitions, and the future will include many more. The program has grown to include competitions at the Outdoor & Indoor Open USA Track & Field Championships, US Olympic Trials, and other meets.

Outside of the Masters Invitational Meets: Masters Athletes have competed at the Drake Relays, the Millrose Games, the Mt SAC Relays, and other large meets.

We are proud to continue the Masters Invitational program into the year 2017 and into the future. Enjoy the games, the competition. Have a great 2017!
