# Borowski Sweeps World Vets Championships

by BARRY SHAW

The tall and powerful French veteran champion, Antoine Borowski, withstood all that Britain and every other nation could throw at him for three consecutive days during the 20th World Veterans Championships held. in Netanya, Israel from March 15-17.

In the 8K cross country race, run

through the fields and orchards of a local kibbutz, Borowski beat off the challenge of Welshman Alun Roper to take his first World title in a time of 24:53, with Dave Clark finishing third.

Borowski was challenged in the 10K road race the following day by the British pair of Malcolm Martin and Continued on page 21

# Masters 10K Records

Smith, Andersen Set

by TOM STURAK

Only a week earlier at TAC's Masters Indoor Championships (March 27), Tracy Smith had narrowly missed regaining his world mile record while decisively defeating its newest claimant. Turning to the roads at New Orleans, April 4, he came away with a narrow win in the Crescent City Classic 10K, claiming a new American Masters record of 29:50 at this most frequently raced distance. In second place, Mexico's resurgent Antonio Villanueva, three-months shy of 47, clocked what must be an M45 world-best of 29:52.

Joining in on the record-bashing, Gabriele Andersen, 42, reclaimed her recently negated (short-course 34:01) American Masters best with a runaway 33:55, nearly a full minute up on W40 Canadian Erna Kozak. Barbara Filutze, 40, tuned up for the World Cup Marathon (see p. 25) with a 35:43 third-place effort.

Though properly respectful of the competition at Crescent City, Smith was confident that he could break 30 minutes and Barry Brown's 1984 record of 29:57. On February 28 (two weeks prior to his 42nd birthday), he had cruised an unpressed 30:14 at the American Homes 10K in Phoenix. "In New Orleans, the night before," he relates, "I looked at a pace chart so-Continued on page 25

# Vasquez, Dodge Win National 20K Titles

By LOLITIA BACHE

Sal Vasquez of Alameda, California, set a new age-47 record of 66:38 in the National TAC Masters 20K Championships held in El Cajon, California, on March 28. He reversed the order of the finish of the National Masters 15K Championship held 3 weeks earlier by beating Bill Sevald, 40, San Francisco, second in 68:10.

The race was hosted by the San Diego Track Club and held in conjuction with the 22nd annual El Cajon 20K on a course that featured scenic Southern California hills and sunny, dry weather (55° at start, 65° at finish).

The women's title was won by SDTC member Judy Dodge, 41, in 86:02.

Single-age records were set by Mary Storey, 62, of Riverside and SDTC, in 1:48:26, and Gerry Davidson, 66, of Fallbrook and SDTC, in 1:48:39. The Continued on page 15

### REPLY TO FOSTER

In the April issue of NMN, Jack Foster writes, "It appears that Mr. Tymn's column... has a somewhat anti-Jack Foster tinge." I've always admired Foster as an incredible runner, but after reading the tenor and tone of his letter, not to mention a couple of cheap shots in it, I'd downgrade him on gentlemanly qualities. Since you printed Foster's letter, it's only fair to print some reactions to it.

What qualifies Foster to criticize Tymn's writing? If Foster can't accept Tymn's humorous piece on urination, he certainly would be at odds with Shakespeare.

It is evident from his letter that he resents criticism, even if constructive or by implication. Which leads me to wonder if he has ever been in a disciplined environment, outside of running.

Foster suggests pitting his running against Tymn's. Why not pit Tymn's writing ability and writing accomplishments against Foster's? On that count, Jack, you better (pardon the British phrase) "pack it in."

> Jim Jackson San Francisco

## ALL-AMERICAN STANDARDS

The wonderful little satire by Brian Pritchard you published in your March issue hits where it should hurt - at the incredible vanity of many masters athletes for whom cheap awards too often take priority over excellence of performance, resulting in a surplus of empty achievements. The current hoopla over issuing "All-American" certificates furnishes a good case in point. In some categories the criteria for receiving the award would be more accurately labelled "Guidelines for Acceptable Performance" than any "Standards of Excellence."

Just look at the 400m category for my age division, M55-59: 59.0. Now this is a decent performance, but, in my estimation, it certainly wouldn't qualify as an All-American rating. And how about the men's 12# hammer for the M55-59 age group - 106-8. Any well-conditioned athlete should just about be able to throw that distance standing in place!

Let me add, I can appreciate the casual philosophy of masters athletes who say they are more interested in having a good time and enjoying the Continued on page 12

THE FORECAST:

# HEAVY RAINS AND STRONG WINS.

rom Boulder to Falmouth, Arturo Barrios took the running world by storm—winning 13 major road races and destroying two world records in 1986 alone. His training shoe, the GL 6000. Its lightweight, durable cushioning system is perfect for everyday training. And thats where races are really won.

Recube life is not a spectator sport.

# Payton Jordan Sets M70 100 Meter Mark

by WILLIAM ALSTON

STANFORD, Calif., March 29. Payton Jordan of Los Altos Hills, Calif., completed his first race in the M70 division today with an electronic 100m time of 13.53 into a 2.9 m/sec. headwind. The race was a Special Invitational 70+ contest offered as part of the Stanford Relays. The time, when officially approved, represents a new American approved, eclipsing the 13.6 previous record of Harry Koppel.

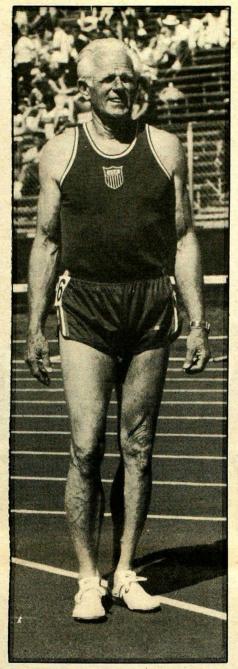

The race was a favorite with the crowd of about 2000, which cheered as the full field of top masters sprinters roared off. "I didn't realize Payton looked that great," said one open shotputter with true admiration. "Amazing deltoids."

This was Jordan's first race in over a year, his 1986 season being lost to family administrative duties. "I'm pleased to get a good start on the season, especially after such a long layoff," he says. "But I've still got an awful lot of work to do."

That extra work is targeted towards more speed endurance - perhaps for the 200m and 400m. Don't be surprised to see some records in these races from Jordan, as well.

## LATE FLASH

On April 4th at the Fresno Relays in California, Payton Jordan lowered the World Masters M70 100m mark to an electronic 13.33 sec, replacing the old record of Yvnge Brange of Sweden, 13.4, set in 1983.

Payton Jordan, pictured here at Stanford Stadium, March 29, broke the world M70 100m record in Fresno, Calif. with a 13.33, on April 4 Photo by William Alston Jr.

# Sapienza Dies of **Heart Attack**

Tony Sapienza, 57, one of the top masters runners in New England, suffered a heart attack shortly after winning the 55-59 division of the 3000-meter run in Providence, R.I. on March 15.

Despite efforts to revive him, he died later in the hospital.

According to Neil Steinberg, meet director of the annual TAC Eastern Regional Indoor Masters Track and Field Championships, Sapienza had no warning of the attack.

"After he won his race, he came over to me and asked what his time was (10:30.2)," Steinberg said. "He went up into the stands, started talking to his wife and friends, and, about 10 minutes later, he keeled over.'

Ivan Black, a physician and masters competitor, immediately gave Sapienza pulmonary resuscitation. With the help of Red Cross personnel - who were on the scene in 30 seconds, Black "got him back a couple of times."

An autopsy confirmed the cause of death as a heart attack. "The problem had probably been there all his life," said Jock Semple, a Boston Marathon organizer and long-time friend of Sapienza. "Tony never smoked, never dissipated. There's no reason for it. It could happen to any of us, anytime."

Mrs. Sapienza told Steinberg: "I guess if he had to go, that's a good way to go."

Sapienza lived in Bradford, Mass. He was head of the mathematics department and cross-country coach at Haverhill High School. A captain of the Boston College cross-country team in 1953, he was a member of the Boston Central Catholic High School Hall of Fame. He was featured in a 1952 article in Life magazine.

He finished fourth in the 1958 Boston Marathon and, in 1963, placed sixth in the U.S. Olympic team trials.

He competed in the World Veterans Games in Sweden (1977), West Germany (1979) and Italy (1985), where he finished 8th in the M55 10,000-meter run in 35:55.

In August, 1985, he won two M55 national track championships in the 5000 (17:12) and 10,000 (35:20), winning each race by more than 30 seconds. In 1985 he was named TAC's age 55-59 track athlete-of-the-year, and was ranked #1 in the M55 8K by the National Running Data Center.

Relatively heavy and big-boned for a distance runner, Sapienza ran with a bent-forward style that always made competitors feel he was going to get tired and slow down. But he rarely did.

Contributions can be made to the Anthony B. Sapienza Memorial Scholarship, Haverhill High School, 137 Monument St., Haverhill MA 01830.

Tony Sapienza, pictured here in Sept. 1985 at age 56, accepting award as 1st Senior in 16:59.4 in TAC's New England 5K Champion-

# Remembering Tony

By HAL HIGDON

Tony Sapienza came from that unique old breed of road runner that thrived in New England in the 50s and 60s before jogging became a fad and running became a boom.

We came into each other's lives during that era when I would travel to Boston for the marathon, and with only 150-200 entrants, you got to know practically everyone in the field.

In 1965, I spent part of a summer traveling in New England with my family, running two or three road races a week. At each one, Tony was there, not only running, but also passing out entry blanks for a 10-miler sponsored by the Sons of Italy in Haverhill, Mass. Afterwards, I visited Tony's house, which I later described in my book: "On the Run from Dogs and People":

"In the basement were hundreds, thousands, yea, billions of trophies - gold, silver, marble, wood and tarnished brass. I had seen other displays before, but this was the athletic mothball fleet of all time."

Tony was a road runner first, a masters runner second, and a good friend always. He has gone now to that world of old trophies, and we all will miss him.

# Nicholson, Kahn Win National 5K in Atlanta

by JERRY WOJCIK

Carl Nicholson, 40, led a small-butselect field of 65 masters runners from nine states to win the U.S. TAC National Masters 5K Championships held in Piedmont Park, Atlanta, Ga., on March 14.

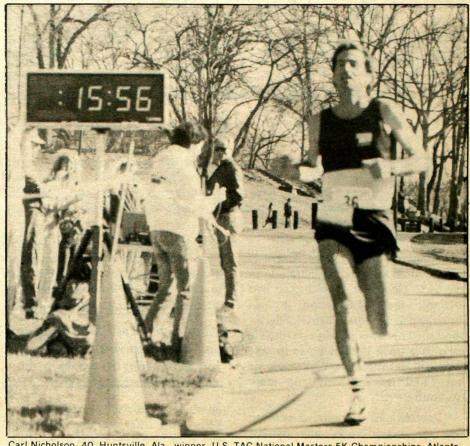

Nicholson of Huntsville, Ala., finished in 15:55, ten seconds ahead of Mike Holbrook, 44, of Carmichael, Calif. Bobby Dannelley, 45, of Biloxi, Miss., was third in 16:47.

Rusty Lamade, 50, of Holland, Pa., was the only master from north of the Mason-Dixon to win a division race (17:08). The aptly named Casey Jones, 56, of Atlanta, steamed to the M55 victory in 18:38. Charles Scott, 61, of Atlanta won the M60 race.

Race Director Bill Eppright, 66, of Norcross, Ga., had enough energy left to win the M65 race (22:22), and Rick Sasser, 70, of Pensacola, Fla., took the M70 contest (25:21).

Missy Kahn, 41, of Atlanta ran 19:58 to capture the W40-and-over race, with W50 winner, Nancy Parker, 50, of Atlanta taking second in 20:43. The remaining masters women's winners were Julia Emmons, 45, of Atlanta (24:58) and Rita Tomassini, 65, from Lilburn, GA., (26:43).

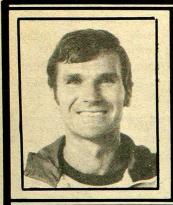

The Atlanta TC club won all of the team titles, M40-49, M50-59, M60-69, and W40-49.

Carl Nicholson, 40, Huntsville, Ala., winner, U.S. TAC National Masters 5K Championships, Atlanta, Ga., March 14.

# GUN LAP

# Frank Shorter is Looking Ahead

The greater the achievements during one's peak years, it often appears, the more difficult it is to make the adjustment to masters status. Many world-class athletes prefer to "hang it up" rather than make the transition. Yet, no less than former Olympic gold-medalist Frank Shorter is actually looking forward to performing in the masters arena.

Shorter, of course, emerged as something of a hero to the American people after winning the marathon in the 1972 Games at Munich, the first Olympic marathon victory by an American in 64 years. Then 24, Shorter continued his winning ways on into his early 30's when injuries began to take their toll on him. In recent years, he has raced less intensely and more cautiously.

"I'm well past the point where I can win the major races any more," Shorter, now 39, admitted to me in a recent interview.

101 Glover St. Barton, VT 05822 1-802-525-3535 As he nears his 40th birthday on Oct. 31, Shorter is making both mental and physical adjustments. "I'm really anxious to turn 40, because you need the

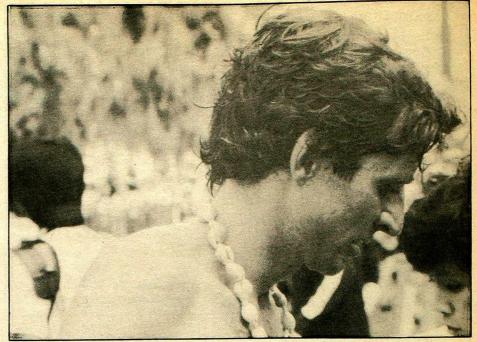

"You can't train the same way you did when you were 23. It just isn't going to work."

incentive to go really hard," he says. "You have to create your own goals and your own motivation in whatever way you can. I guess the psychologists call it 'reframe.' You have to reframe your attitude toward what you're doing. That's basically what I'm doing."

Shorter was just getting over a back problem when I talked with him. More longstanding was a recurring foot injury. After finishing the 1984 Honolulu Marathon in 30th place in just 2:36:57, Shorter, then 37, commented that his problem wasn't so much aging as it was "holding together." I recalled that comment and suggested to him that "holding together" is perhaps the very crux of aging.

"I think you have to be more careful when you get hurt, allowing more time for recovery," was his reply. "That's what I've been trying to do, allow enough time for the aches and pains to go away. I guess that's the challenge. You can't train the same way you did when you were 23. It just isn't going to work. All you do when you're 23 is go out the door, turn left, turn right and go as hard as you can till you start to break down. Then you take a day or two of easy running till you heal up. But that's not what happens when you get to be a master."

Shorter's winning time at Munich was 2:12:19.8. His best marathon time, however, was a 2:10:30 in winning Fukuoka three months later. He can't remember when the last time he broke 2:20 was, although he adds that he hasn't seriously raced a marathon in some time. But he feels he's still

Frank Shorter is looking down here, but he's now looking ahead to joining the Masters ranks.

capable of running well under 2:20. In fact, he believes that if he can "hold together" for a full year he might get down to as low as 2:13 or 2:14.

"I really do," he stresses that belief. "In the marathon, so much of your willingness to hurt and really go hard is based upon the effort at hand. It's much easier to make yourself go all out to the end if you've gone through a 1:03 (first-half) than if you've gone through a 1:09. Having the masters perspective then, perhaps going through in 1:06 or 1:05, I can have the incentive to go hard. Whereas now, going through in 1:06, I'm not particularly interested in ripping myself up. You need a return for your effort.

Shorter feels he's capable of running 2:13 or 2:14 if he can "hold together."

"For me, maybe that's more because of the success I've had. It's hard to push yourself if the chance of success is not going to be there. Pride only carries you so far."

Looking for ways to overcome his injuries while also avoiding excessive wear and tear on his legs, thereby hopefully extending his competitive career for years to come, Shorter has been doing a lot of experimenting in recent years with alternate training methods. "I think there's a certain amount of alternate training you can do, but you have to get off the alternate training and go back to basically running in order to build yourself up and perform well," he offers.

This theory of Shorter's is based to some extent upon his experience in the most recent Honolulu Marathon, which he finished in 2:46 and change. "What I found that hurt me (in Honolulu) was that I really hadn't done any long runs in several months. I'd done a lot of aerobic training and a

lot of anerobic training on the bike, but I hadn't done any long aerobic running to get my body used to the pounding. My quads gave out at about 23 miles. That was just a function of training, not having done enough miles, not having done enough pounding to be used to it. So I'm just learning what the balance is."

Shorter doesn't know how much he's lost in the way of raw speed as he hasn't attempted anything short and fast in a number of years. After a long layoff from any real systematic interval training, he began again in January. But he had not yet progressed far enough to be able to tell how much of the old speed is still with him.

His plan is to continue a slow and gradual buildup and hopefully be 100 percent again after celebrating his 40th birthday. But he doesn't expect to have it all that easy in the masters arena. After all, Carlos Lopes, the 1984 Olympic Marathon gold medalist, turned 40 in February and old rival Bill Rodgers, four-time New York and Boston Marathon winner, turns the corner on Dec. 23.

They say that the Professional Golf Association's Senior Tour wasn't really accepted among golfers and didn't

become popular among followers of the sport until big names like Art Wall, Tommy Bolt, and Julius Boros joined it. The final stamp of approval came when Arnold Palmer qualified as a senior golfer. I think we can look for much the same thing to happen soon in running.  $\square$

# Glover, Lievers Lead Chopperthon Half-Marathon

by PAUL MURRAY

Charlie Parmalee of Morris, N.Y., won the masters title at the 1984 Price

Pat Glover, 40, first master and sixth overall (1:12:03), Price Chopperthon Half-Marathon, Albany, N.Y., April 5.

Chopperthon and placed second in 1986 when the distance was 30K. He began the 1987 Chopperthon Half-Marathon, Schenectady-to-Albany, N.Y., on April 5 at a pace that would guarantee another victory, but the passing years have brought some tough new competition to the 40-and-over age group, as Parmalee soon found out. After leading through the eight mile mark, he was passed by Pat Glover, a 40-year-old school teacher from Clifton Park, N.Y. A few moments later another swift 40-yearold, Bill Robinson of Cohoes, N.Y., also accelerated past the tiring Par-

Glover and Robinson have been chasing each other since both entered the masters ranks last summer. In September, Robinson outdistanced his rival to win the masters title at the Corning Cup 10K. In October, Glover won the M40 title at the TAC Masters 5K Cross Country Championships. Robinson took 3rd behind Lawrence Olson and Atlaw Belilgne at the TAC Masters 15K Cross-Country Championships in November. Robinson next beat Glover by two seconds at the 15K Schenectady Stockade-athon.

This time it was Glover's turn in the winner's circle. "I was twenty or thirty yards behind him, but I just couldn't close the gap," Robinson lamented. "I knew he was behind me," Glover said.

"When I got to the 20K mark I asked 'how far?" and they said, 'half a mile,' but I wanted to know where Bill was, not the distance to the finish," Glover explained. "When they said he was 20 yards behind, I said to myself, 'Oh no, not another sprint to the finish." But Robinson couldn't find his kick as Glover finished sixth overall in 1:12:03 and Robinson took seventh place with a 1:12:21. Parmalee was not far off the pace, finishing eleventh in 1:12:51.

The masters women's title was not as closely contested as Mary Lievers from Syracuse rolled to an impressive 1:23:32 time, claiming third place overall, nearly 10 minutes ahead of her nearest rival and only three minutes behind the women's winner, Buffalo's 38-year-old Nancy Mieszczak. Anny Stockman from East Greenbush, N.Y., continued her domination of the W50 age group. The 54-year-old Stockman was the second master and tenth woman overall with a 1:33:17.

The revised Price Chopperthon, which drew nearly 1,000 entries, was moved two weeks later in hopes of finding more favorable weather, but the day was cool and rainy nevertheless. The participants were unanimous in their praise of the Hudson Mohawk Road Runners Club and race director Ray Newkirk, who have organized this event for the past six years.

Anny Stockman, 54, second master and tenth woman overall (1:33:17), Price Chopperthon Half-Marathon, Albany, N.Y., April 5.

# CONNECT THE DOTS AND WIN A PRIZE.

This year, everyone wins. In the tradition of America's great citizen races, Twin Cities '87 promises blaring bands, 200,000 screaming fans, and a huge finish line party capping a weekend of celebration. You'll have the time of your life. And on one of the country's fastest courses, you'll probably run the time of your life, too. For more information on what's being called "one of America's 13 great races," write TCM, Box 24193, Minneapolis, MN 55424.

TWIN CITIES MARATHON OCT.11,1987

# **Swenson Betters Smith's Mile Time**

by JERRY WOJCIK

Albin Swenson, 40, of Wolcott, Conn., can expect some invitations to "Masters Mile" events this season. In the TAC Masters Eastern Regional Indoor Championships at Brown University in Providence, R.I., on March 15, Swenson won the M40 mile with a 4:18.5, 1½ seconds below Tracy Smith's much-publicized 4:20.0, a world-best for a masters-only race, set in the Masters Mile in the Wanamaker Millrose Games at Madison Square Garden in January.

Swenson backed up his mile time with a world-record performance in the 800, running 2:01.4 to erase the old

M40 indoor mark of 2:02.3.

In the M70 3000 race, Scotty Carter ran 11:27.2, well below the listed world record of 12:20.6, held by Italy's C. Cappoleri.

Triple jumper Edwin Lukens, M65, of Skaneateles, N.Y., added another world record with a leap of 35-7. The old mark of 32-3 belonged to Canada's Ian Hume.

The official world indoor masters mile record still belongs to Bill Stewart, of Michigan, who clocked a 4:11.0 in 1983. The official world outdoor 40 + mark is 4:18.5, set by New Zealand's Jim McDonald in 1977.

# Greenwood Has Heart Attack; Double Bypass

Jack Greenwood, 61, TAC's masters 1986 track athlete-of-the-year, underwent double bypass surgery April 15 after suffering a heart attack on April 10. At press time, he was recovering at Porter Hospital in Denver.

He first noticed chest pains at work and drove himself to the hospital. He walked in, and was diagnosed as having a "mild heart attack with minimal damage and minor narrowing of the arteries."

An angioplasty, where a balloon is inflated in an artery to pack down plaque, was set for the 15th. It was successful, but, an hour later, an artery collapsed and doctors decided an emergency double bypass was required. A vein from above and below the left knee was transposed to the damaged area.

"Jack spent a couple of rough days after that," said Jack's wife, Nancy, "but he's feeling better today (April 22). Doctors said there was 20 percent damage and if Jack hadn't been in top condition, he might not have made it."

She said Jack would come home in a few days and doctors anticipate a full recovery.

"I'm still amazed" she said, "because Jack didn't smoke, and ate all the right things. Yet his interior left artery had cholesterol buildup. The doctors say it's caused by genetics."

Greenwood's younger brother died

of a heart attack five years ago.

Twelve days before the attack, Greenwood had won three events (60yH, 300y and 600y) in the 60-64 age division at the U.S. National Masters Championships in Madison, Wisconsin. He currently holds six world and 10 U.S. age-group records. He has won more than 12 gold medals in World Veterans Championships, and more than 50 gold medals in National Masters meets, stretching back to 1968. Two of his world marks have stood for 15 years.

# Race Walking Report

by BEV LAVECK, TAC Masters **RW** Coordinator

Several issues pertaining to masters race-walking (RW) were discussed during TAC's Convention in Tampa, December 2-7, 1986.

A proposed rule change that would have placed TAC's Masters Race-Walking Championship programs entirely within the open RW Committee, instead of within the Masters T&F Committee, was opposed by Masters T&F at the recommendation of the Masters RW representative.

Although having all of RW under one roof has a certain conceptual attractiveness, the majority of RWers present preferred to keep Masters RW organizationally within Masters T&F, because of the support and encouragement given by the masters T&F community.

The Masters T&F Committee conducts the Masters 5K and 20K RW Championships as part of the National Masters Outdoor T&F Championships, and the 2-mile RW Championship as part of the Masters Indoor meet. Masters T&F also awards the "Masters-Walkers-of-the-Year" awards.

At distances other than 1-mile, 5K and 20K, Masters RW Championships are held in connection with Open (Senior) TAC Championships. RW doesn't have the resources to develop an independent RW program for master RWers.

It was decided to permit (but not require) masters women's RW championships to be held at all distances with men's RW championships. A rule change to permit mixed teams to compete with men's teams in masters RWing was supported by many RWers.

The 5000m walk was made mandatory in TAC Masters National and Regional T&F Championships. However, at local discretion, a distance between 1500m and 5000m is permitted in regional meets to encourage larger fields in areas where RW-ing is less popular.

Volunteers interested in serving on a RW Awards Committee or on a Masters RW Advisory Committee should contact Bev LaVeck, 6633 NE Windermere Rd., Seattle WA 98115.

# **Rankings Correction**

In last month's listing of the 1986 triple jump rankings, Pamela Calvert of St. Louis was ranked second in the W35-39 division with a 10.13 mark. Calvert, who was born February 18, 1946, should have been ranked first in the W40-44 group.

Jock Jocoy, who says "I wish I could jump that high," was ranked first in the M55-59 1985 high jump standings with a 1.72. His actual best was 1.27 (4-2).

# Hearn-Grenning, Haiman Sparkle in Perrier 10K

by JERRY WOJCIK

Ted Haiman, 44, of Witold's Runners, and Christine Hearn-Grenning, 41, of the Atalanta Track Club, uncorked masters wins in the Perrier 10K, held in Central Park, NYC, on March

Haiman, 37th of 2213 men finishers,

won in 33:06, three seconds ahead of Art Hall, 40, and six seconds in front of Antonio Roque, 42. Hearn-Grenning, tenth woman of 1001 finishers, had an easier time, winning with a 39:08, with Lina Connors, 41, finishing behind her in 39:44.

Division winners included James

Stoltzfus, 60, with an easy 40:58 win in the M60 race, and Nancy Tighe, 56, who won the W55 contest by eight minutes with a 49:06.

Masters racewalk firsts were Gary Null, 42, in 53:05, and Joan Rowland, 60, with a 1:12:37. □

# Over The Hill TC Outpoints West Penn —

by JERRY WOJCIK

The Ohio-based Over The Hill Track Club beat Western Pennsylvania Track Club on its home ground by taking three of the five masters division team match-ups in the West Penn TC Indoor

University on February 1.

The OTH club won the M30-39 championship, 34 to 24; the M40-49, 29 to 16; and the M60+, 52 to 29. West Penn athletes won the M50-59 division, 46 to 24, and the masters class of the sprinters with a 5.9 in the 50y dash and an 8.6 in the 60y hurdles (39")

Ed Hill, 44, of the Birmingham TC, was the king of the weightman's mountain, including open throwers, in the shot-put (53-91/2) and the 35#-weight

# For Older Masters - Less is Better

By DICK LACEY

A fter spending the better part of the last five decades as a runner, coach and official — the last 15 years in masters competition — I have now come full cycle. I've returned to the days of my youth!

As I look back to my years as a college runner in the 1930s, the training we did then seems outmoded, if not downright laughable, by modern standards. As a long sprinter, I had a weekly routine consisting of one 500 on Monday, one 300 on Tuesday, two 200s (big deal!) on Wednesday, one 400 on Thursday, rest on Friday and race on Saturday.

During the same era, my friend and fellow master, Bill, was running 4:12 miles (even in the 1940s still an outstanding time) on no more than 20 miles per week!

I marvel that we did as well as we did.

Then, in the early 1950s, along came Emil Zatopek and high mileage, intervals and repetitions. As a coach at that time, like everyone else, I got caught up in the "more-is-better" syndrome. When I returned to serious training at the start of masters competition circa 1970, I began practicing as a runner what I preached as a coach. At age 60, I would do more in one day's workout than I used to do in a week in my twenties.

For a while, this worked well. Then, as I hit 65, it began gradually to sink in that masters, though they do remarkable things, are not ageless. Our bodies simply cannot take the stress they used to 20 or 30 or even five years ago. Our spirits are willing but, though we often won't admit it, our flesh is weak.

In 1983, my friend Bill had a remarkable year in his age group. He won almost every road and track race in sight. He was training 40 miles a week. Then he began increasing to 60 to 65. As a result, 1984 was a disaster. He was injured constantly and was hardly able to compete at all.

My own "more-is-better" system continued to prosper for a while. Then I too began to hurt and slow down.

Bill and I are but two of countless older masters who fall into a irresistible trap. When we are running well, we think, "If I can do this on my present workouts, imagine how fantastic I can be if I work even harder." If we are slowing down and competing poorly, our reasoning is "I'm evidently not doing enough; I must increase the mileage and intensity of my training."

In both instances, the opposite is almost always true. What we really ought to do is back off, not just temporarily but permanently.

Moderation and adaption should be the watch words for masters runners. As we advance from one age group to the next (and how eagerly we all look forward to this), we must face cold reality: almost without exception, 50s do not run as fast as 40s or 70s as fast as 60s. The corollary is that we cannot handle the quantity of work we used to

when we were younger. All of this seems almost too obvious to state; yet few masters, especially in the older groups, seem willing to acknowledge that "less" training - not "more" - may be better.

Bill has reverted to 40 miles a week, and he is now back to his form of 1983. Two years ago, as I was approaching 75, I consciously started substituting quality for quantity. Whereas I used typically to take a day off after every six days of training, I now rest after four days, and I'm thinking of reducing it to three.

Furthermore, I'm back to a system modeled on my workouts of the 30s. For instance, I will do one 300 at full speed instead of four or five hard interval 300s.

The results have been surprising. During the last year and a half, I have actually been running faster than I was two years ago. Now, of course, the temptation is almost irresistible to work harder.

I'm determined, however, to restrain myself and not to fall into that old trap again. While I may be thinking ahead to the rest of the 1980s, in training I will continue to revert to the days of my youth - to my workouts of the 1930s. I know now that for us masters, the older we get, less - not more - is definitely better.

Dick Lacey, 75, is a retired educator. He won world veteran gold medals in the 110-and 400- hurdles in 1975 and 1977, and in the high jump in 1985. He has won many national titles, indoors and out, at distances from 60 yards to 600 to the high jump. In the early 1930s, he ranked in the top ten in the world at 200 meters. After 35 years of high school coaching (boys and girls) in New York State, and five years in Florida, with many state and national champions, Lacey currently coaches runners in Clearwater, Florida. He's the author of numerous articles in national periodicals on track & field, travel and education.

# **New Jersey Indoor TAC Meet Draws 143**

One-hundred and forty-three athletes from ten states and Washington, D.C., entered the New Jersey TAC Indoor Masters Track & Field Championships, held at the Peddie School in Hightstown, N.J. on March 8. It was the largest turnout for the meet since 1984 and included competitors from as far away as Missouri and Texas.

The Shore Athletic Club won the New Jersey team titles somewhat more narrowly than in recent years. In submasters competition, the final standings were Shore A.C. (68), Merrill Lynch A.C. (54) and the New Jersey Striders (13). In masters competition, the leading teams were Shore A.C. (91), Merrill Lynch A.C. (60), and the

North Jersey Masters (36).

The Shore submasters were led by two triple gold medal winners. Dawud Saleem, 38, won his age division in the hurdles, 50 yard dash and 300 yard run. John Fredericks, 39, took the M35 walk, mile run and two mile run. New submaster Tony Ciccone of the host New Jersey Striders had the top high jump (6-2) and fastest 50 yard hurdle time (6.4) of the day.

In the non-New Jersey Division, Alan Cohen won five gold medals and a silver in the M55 division of the six individual running events. Triple gold medal winners included Desmond Margetson, Jan Pierce, Jai Singh, and Dennis Tancredi.

# Slaven Shades Chimel in Pageant of Light 5K

by JERRY WOJCIK

Jarrett Slaven, 42, of Brandon, Fla., a former University of South Florida track coach in Tampa, edged Pat Chimel, 41, of the Miami Masters for the masters title (ages 40-59) by one second with a 15:57 in the Edison Pageant of Light 5K Classic in Fort Myers, Fla., on February 21. Rich Long, 40, of Fort Myers, who has been running for only two years, finished third in 16:22.

Duke Stewart, 61, of Port Charlotte, Fla., won the men's grand masters race (ages 60-and-up) with a 20:28.

Carol-Jean Moorehead, 41, of Seminole, Fla., ran off with the women's masters victory with a 19:34, leaving Jogging Center Running Club teammate Maria Carmen Wade, 45, of Tampa, thirty seconds behind. Fifty-year-old Janet Van Kleeck, of Boca Raton, Fla., was the third masters woman in 21:00.

Nancy Beward, 61, of Sarasota, Fla., was the women's grand master champion with a 25:54.

The race, the 1987 TAC 5K Florida Masters and state RRCA championships, was sponsored by the Wellness Center of Lee Memorial Hospital in Fort Myers and started at 6:00 p.m., one hour before the Edison Pageant of Light Night Parade, which drew 200,000 spectators, who cheered the 1181 finishers on to a televised finish.

Masters top five (from left): Jarrett Slaven, 1st (15:57); Pat Chimel, 2nd (15:58); Joe Burgasser, 5th (16:55); Rich Long, 3rd (16:22); and Rich Arnoldo, 4th (16:24). Edison Pageant of Light 5K, Fort Myers, Fla., February 21.

# Morales Stabs World Javelin Record

by JERRY WOJCIK

While competitors were testing legs and muscles in what has become the outdoor season opener for Southern California masters athletes, the Orange Spring Games, held in the city of Orange, southeast of Los Angeles, on February 21, Bill Morales was setting a world record for the M70-74 javelin with a throw of 141-10. The former record of 140-0 was held by West Germany's Gerhard Schepe.

In other events, Nick Newton won the M50-59 100m (12.3), the 200 (25.6), and the high jump (5-6). Newton, as a volunteer coach, has been sharing his expertise with the sprinters of a Los Angeles city high school which won the boy's state track and field championship last year, and is working with what many track watchers think may be the best prep sprinter in the country.

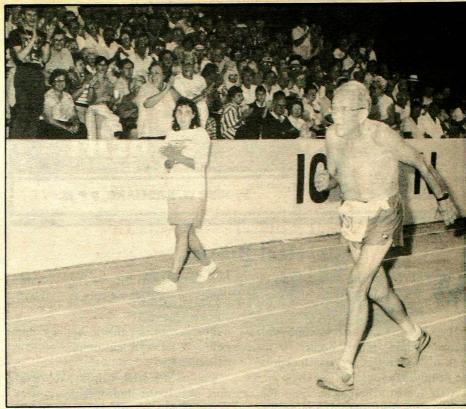

In the women's races, submaster Tina Stough showed her versatility with a 64.8 400 and a 5:15 1500.

The schedule included two rare outdoor events, the 60m hurdles and the 200 hurdles. In the M40-49 60m hurdle race, John Dobroth edged Al Henry, 8.9 to 9.0, with Bill Knocke taking third in 9.6. Knocke, however, captured the 200 hurdle race from hurdle record-holder Walt Butler, 27.3 to 27.5. Shirley Kinsey won the W50-59 60m hurdles in 13.8.

Weightman and junior college track coach Lloyd Higgins, M40-49, edged All-American TC president, Frank Reilly, M30-39, for the day's best discus mark, 157-3 to 156-8. Oregon's Ross Carter, M70-79, had the farthest shot-put (44-7).

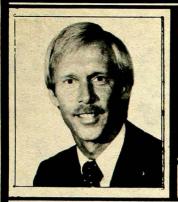

Mike Castaneda, Southern California Striders maestro, won the M60-69 shot-put (44-0) and discus (122-6).

Del Pickarts, who was third (164-8) in the VI World Veterans Games in Rome in 1985 and is about ready to turn 60, won the M50-59 javelin (155-10).

Warren Daniel, 86, Sanibel, Fla., oldest runner (45:03), Edison Pageant of Light 5K, Ft. Myers, Fla., February 21, receives standing ovation from 8000 spectators at finish. Photo by Derek Dunn

# THE FOOT BEAT

by JOHN W. PAGLIANO, D.P.M.

# **Heel Bursitis**

ith increasing mileage and effort, heel bursitis has become more prominent in the masters athlete. If left untreated, it can cause pain and athletic limitation.

Heel bursitis, or as it is commonly known, pump bump, occurs in the back of the heel at the attachment of the achilles tendon.

After years of running and jumping, tension and brittleness of the achilles tendon can cause small boney spur formation at its insertion. This exhibits itself as a red, swollen protrusion at the back of the heel. It usually becomes

quite sore after athletic activity and limits usual and customary athletic participation.

One of the main culprits, if we ignore age, is the improper pressure of the heel counter of the shoe on the achilles tendon insertion. If the heel counter is excessively low or narrow, it can cut into the heel area and irritate the soft tissue structures and cause bur-

sal inflammation. High heels (pumps) are prime offenders of this condition.

Mild irritation can be reduced by a doughnut type of pad applied to the back of the heel. Heel savers, MF heel protectors and Tuulis heel cups have all proved beneficial in mild to moderate cases

The athlete should ice the inflammed area for 5-8 minutes after exercise and apply moist heat in the evenings. This helps stimulate the blood supply and increases the healing process.

Obviously a proper fitting shoe is a necessity. Sometimes a small heel lift may reduce stress to the area.

If all else fails, a proper foot or-

thoses can be devised to reduce stress to the rearfoot area. We have used these with great success in our track and field athletes.

When the condition precludes activity due to pain, an injection of short acting steroid may be used. Surgical intervention is the last step. But, in this case, prevention is the best cure. Avoid getting old, don't wear high heel pumps and wear a proper fitting shoe.

(Dr. Pagliano is a runner and a podiatrist in Long Beach, California. He is a member of the American College of Sports Medicine. If you have a foot, ankle or achilles question, write to Dr. John Pagliano, The Foot Beat, NMN, Box 2372, Van Nuys, CA 91404.)

# Ryun Makes Masters Track Debut in Kansas

In his first track competition since 1973, Olympian Jim Ryun finished second to Herald Hadley, 43, in the masters 800-meter run in the Kansas Relays on April 18.

Ryun's time was 2:01.7 to Hadley's 1:58.7. Ryun was 11 days shy of age 40 and was a "guest" entrant.

Write On Continued from page 2

camaraderie of their peers at meets than they are with competing for high standards. But even so — or perhaps particularly in view of such — why then should it be necessary for them to go on deceiving themselves, as they do now, with a lot of false goals and hollow awards? Why, if participation is their essential aim, can't they derive their satisfaction from just that?

I would like to issue a call for some real standards in masters competition and an end to "media mania." Let's have some class, please.

Frank Miller Portland, Oregon

I am pleased to support the All-American program. It will spread the recognition around to a lot of hardworking masters athletes.

Barbara Pike Concord, Mass.

# EASTERN REGIONALS

The TAC Eastern Masters Indoor Meet at Brown University was excellent. To Neil Steinberg, the fine officials, and all others involved in the smooth flow of events, my companions in the Syracuse Chargers and I wish to extend our heartfelt thanks.

Ed Lukens Skaneateles, New York

# CHEATERS

I am amazed at all the recent fuss over cheating. The NMN has carried several pieces about the "exploits" of one Mr. Bell, and the current issue of The Runner worries about how far a certain Mr. Whelan has really run in several Boston Marathons. Several Staten Island runners actually took the trouble to go to Boston "expressly to watch for him on the course" according to The Runner article.

Why does it matter? For my own part, I see nothing particularly wrong

with cheating. Why should anyone get angry over whether Mr. Whelan was 33rd at Boston, as he claims, or jumped into the race at 15 or 17 or 20 miles? If Mr. Whelan did join the race at, say, 20 miles and is happy to believe that he finished in 33rd place, that is his business. It may be foolish to deceive yourself that way or it may not be — I don't pretend to know the answer to that — but I can't see why it is immoral. Why all the self-righteous, priggish indignation? Who, exactly, is hurt?

Now, of course, I do understand that there may be limits to how much cheating may be tolerated. For example, if Mr. X had jumped into the race at some point and had boldly come across the line first, then he would be attempting to deprive someone of his "rightful" prize; moreover, he would affect all the prize winners, moving the last prize winner off the rolls entirely. But no such thing presumably happens when someone claims to finish 33rd, 99th, or what-have-you. In cases like that, I don't think we ought to interfere with private conceptions of the good life.

There is no reason to take any action against cheaters unless they actually cause harm. The fact that you or I may find cheating offensive is not a good reason for restricting people's freedom to behave according to their own best lights.

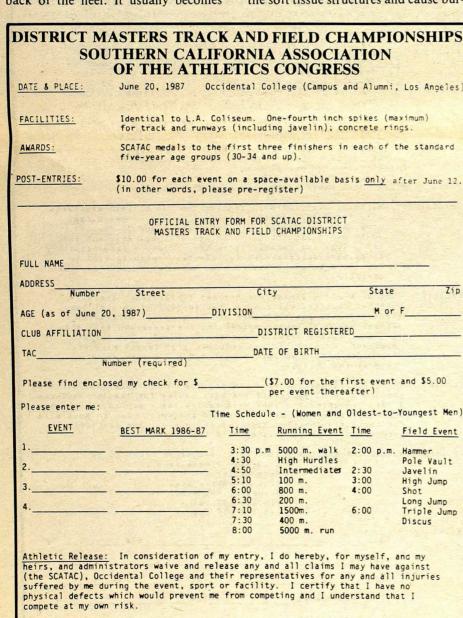

Boastfulness may not be a pretty trait, even when one has earned it, and it is a bit repulsive when it is unearned, but so is telling nasty stories about one's own mother.

Sidney Gendin Ypsilanti, Michigan fo

# Keim, Loper are Fastest Masters

From DALE LARABEE

SAN DIEGO, March 11. An overcast, cold and breezy morning perfect for running — greeted 156 masters runners for the start of the fourth annual Fastest Masters 10K on Fiesta Island.

Pennsylvanian-turned-Californian George Keim. 44, breezed to a 5:17-per-mile, 17-second victory in 32:45, outdistancing Peter Stern (33:05) and Steve Dornish (33:17), as all three broke Joe Anaya's four-year-old course record of 33:18.

Kathy Loper, 44, won the women's division in 39:06. □

# SportArcade Meet Held in Los Angeles

By TERI INGRAM

Thirty-two meet records were broken at the Sport Arcade II Masters track & field meet, held March 14 on the Mt. SAC track in Walnut, Calif.

Among them, in the 100, were Marion McCoy, M35 (10.9), Bruce Springbett, M50, (11.8), and Bob Watanabe, M60, (12.5). In the

women's 100, Jeanne Carter, 46, (14.5) defeated newcomers Carol Forster, 49, (17.0) and Mary Ames, 83, (31.4).

Bill Sumner, M35, outkicked Ron Rook, 4:24.5 to 4:24.7 in an exciting 1500. Christel Miller, 52, 1986 U.S. female masters athlete-of-the-year, took the 80m hurdles in 15.0. In the M60 100 hurdles, George Simon nip-

ped Chuck McFate, 20.8 to 20.9.

Mike Deller, M35, out-threw all competitors with a 156-2 hammer. Charles Rader, M35, at 6-6, and Carol Johnston, M75, at 4-0, highlighted high jump action.

The annual event was directed by Marvin Thompson and the L.A. Patriots Club.

# MASTERS TRACK & FIELD REPORT

by JERRY ALAN DONLEY

Chairman, TAC Masters Track & Field Committee

# **Indoor Championships**

The very nice people of Madison, Wisconsin, a very nice place to visit, provided the competitors at the 1987 National Indoor Championships (March 28-29) an excellent facility and well-directed schedule of events. All participants I talked to had a great time and were quite complimentary of our hosts.

Two matters were presented to me in Madison that I reviewed with our Indoor and Outdoor Coordinators: First, the problem of late entries, for which the Masters T&F Committee has not yet formulated a particular policy or guidelines for meet directors. At Madison, one competitor arrived who had sent in an entry form which had not arrived. Others simply showed up and wished to compete. The meet director was consistent, and told them "no."

The coordinators will formulate policy and guidelines for meet directors on late entries and how to avoid the

problem. Competitors can help by enclosing, with their entry forms, self-addressed, stamped envelopes or cards for confirmation of entries.

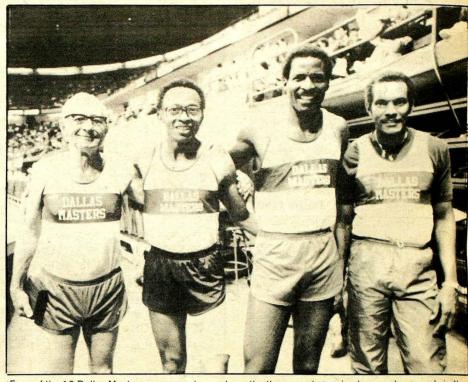

People who send in late entries must know they are taking some risks, and those who show up on meet-day expecting to compete are just plain rude.

The other matter of concern is that we still have no host for the 1988 Indoor Championships. Putting on a national championship for the first time can be very difficult, as several past directors testified, and often a meet director must reinvent the wheel. Ron Salvio, the Indoor Coordinator, pro-

poses contacting a number of prospective host-sites that might be interested in forming a "round robin" circuit of championships. We don't want to cut off open bidding, but we haven't had many bids for the honor of hosting these meets. I don't know if Ron will meet with success, but such a plan might give us the continuity and security we need for our championships. If

any of you have concerns or suggestions about his process, contact me soon.

Hosting a meet means thousands of dollars to a local economy. Madison hosted over 500 competitors. Double that, with families and friends, and you have a good-sized convention that may add a quarter-to half-a-million dollars into the economy.

Four of the 12 Dallas Masters runners who made up the three masters mixed-age, relay squads in the Dallas Morning News Indoor Games, Reunion Arena, February 7: (from left) Dr. Fred White, 74, Roy Turner, 47, Willard Thompson, 34, and James Vicks, 41. Photo courtesy of Dallas Morning News

# Goldsmith Does Handicap Magic in Dallas

By TIM MURPHY

Once again the Dallas Morning News and SMU coach Ted McLaughlin invited masters runners to compete in the Indoor Games at Reunion Arena, February 7.

Two events were set for the masters: a one-lap (176y) x 4 handicap relay and a mile run. The three relay teams were made up from the Dallas Masters T&F Club, with 11 runners who had qualified for Masters All-American honors in 1986.

When the dust settled, the quartet of Doc White, 34, Sara Allerkamp, 33, Willard Thompson, 34, and Roy turner, 47, had prevailed with a time of

1:25.4 over Max Goldsmith, 63, Joe Murphy, 57, Charlie Miller, 46, and Dave Denison, 43, who totalled 1:25.6 to take second from Jeff Bloomfield, 71, Tim Murphy, 65, Thane Baker, 55, and James Vicks, 41, who finished in 1:25.9. So twelve runners, ages 33 to 74, finished with a 0.5 difference between the first and third teams.

Goldsmith had done a great job of handicapping the relay — the crowd of 19,000 were on their feet cheering.

In the masters mile run, which was the result of a run-off three weeks before the meet, B. Abbott won in 4:34.62 with S. Shopoff second in 4:40:33.

# Vasquez, Dodge Win National 20K Titles

Continued from page 1

West Valley Joggers and Striders team of Vasquez, Frank Ruona, Daivd Rivera, Don Dugdale, and Tom Rostege carried off the M40 team honors, while the host SDTC took the remaining team prices.

Vasquez and Sevald ran together for only 2 miles before Vasquez broke away to run the remainder of the hilly course alone. A quality field had assembled for the race, including Bill Clark and Gary Goettleman of the West Valley Track Club, Walt Peet of the Idaho Mountain Masters, and local standouts Peter Stern and Graeme Shirley.

In addition to Vasquez, Sevald, and Dodge, age division titles were won by Joe Wilson, 52, San Diego (79:17); John Hepner, 55, Springfield, MA (79:17); Luis Ojeda, 63, San Diego (91:15); Jim McCown, 65, San Diego (88:43); Wayne Zook, 70, San Diego (90:44); Suzanne Synal, 46, Escondido, CA (91:11); and Caroline Murray, 52, Cardiff, CA (88:33).

Sal Vasquez, 47, Alameda, Calif., winner of the U.S. TAC National Masters 20K Championships, El Cajon, Calif., March 28, with a U.S. age-47 record 66:38.

# Write-On Continued from page 12

excellent service given to veterans athletics by Jacques Serruys, who has been nominated by the WAVA Executive for the Presidency of WAVA.

The advertisement stated, quite properly, that it had been paid for by the "Committee to Elect Jacques Serruys." However, the fact that Jacques has been nominated by the WAVA Executive, whose photograph appeared in the advertisement, may have led some readers to believe that the WAVA Executive and the "Committee to Elect Jacques Serruys President of WAVA" were one and the same. That is not the case.

In particular, I think it should be made clear that the advertisement was not placed or paid for by the WAVA Executive.

> Owen Flaherty Secretary, WAVA Javea, Spain

# NATIONAL TEAM UNIFORMS

Jerry Donley recently wrote about "official" U.S.A. team uniforms. One of the greatest points about the masters program is that it is the individual who is involved. It is the political and social world that has fostered the attitude of "us against them" "East vs. West," "U.S.A. against Russia", etc.

Let us present a new image to the world. The masters program has the opportunity to show the world a new way to look at sports, a way that expresses the noble idealism of the Olympic sports movement — peaceful cooperation amongst all peoples, the individual's pursuit of excellence.

Let us move beyond the boundaries of a national team and have one world team of individual people - one international team uniform for every individual, from every country, from any race. This will surely begin to create a new camaraderie and excitement as peoples from all around the globe share a common uniform.

From an economic viewpoint it could be something to help support the masters world championship movement. The uniforms could be used to raise monies and enhance the image and organized presentation of this world event. We ask that you consider this different view and the unity and peaceful intention it would reveal to the world. Preliminary designs and arrangements have already been made and established to pursue these ideas.

> Dr. Louis Leonardi Dr. Sandra Boon Smyrna, Georgia

# WOMEN'S WEIGHT EVENTS

- 1) I am compiling hammer-throw statistics for National Masters Championship meets, and need the agegroup winners for 1968 through 1971, including club and weight thrown.
- 2) It appears women's hammer throwing began in masters competition. Now Eastern universities have

6 Months To Go

# Countdown to Melbourne

# Many Top European Athletes Going to Australia

he official entry form for the VII World Veterans Games was published in last month's issue. If you missed it, contact one of the tour organizers for a copy.

The Australians request that you send your entry form to your tour operator, unless you are traveling alone, in which case it's okay to send your entry directly to Melbourne.

Peg Smith, Executive Director of the Games, recently made a whirlwind trip to England and Israel.

"I was able to confirm there are many top athletes from Europe intending to make the trip to Australia," she said, "so we can be assured of top quality competition."

The Games will be held in Melbourne from November 28 to Decem-

# Yugolavia Expected to Drop Bid for 1989 World Games

The city of Split, Yugoslavia, which had been expected to present a formal bid this year to host the 1989 World Veterans Games, will apparently postpone its offer to the 1991 Games.

Cesare Beccalli, President of the European Veterans Athletic Association, said "because Yugoslavia does not yet have a national veterans program in place, it may be inappropriate for WAVA to hold its Games there in 1989."

Split has encountered difficulties in securing government funding for the Games and private funding would be "impossible". Beccalli said Marco Protega is still trying to arrange for funding, but said Protega feels that 1991 might be a more propitious time than 1989 for the Yugoslavia bid.

This apparently leaves the way clear for the bid of Eugene, Oregon, which is already geared up and ready to submit a formal bid for the '89 Games to the delegates at the WAVA General Assembly in Melbourne on December 2, 1987. Already the U.S. Masters Sports Association has over \$70,000 in the bank for the support of the Games. The funds were donated by more than 200 masters athletes throughout the United States.

ber 6, 1987. Competition will be held in five-year age-groups. There are no qualifications needed to enter, except to be at least 40 years of age (men) or 35 years of age (women).

# Seven Marks Broken in Midwest Regional

CHAMPAIGN, Illinois. Two world and five American indoor age-group records were set in TAC's Midwest Regional Indoor Masters Track & Field Championships at the University of Illinois on March 15.

Phil Brusca set an M55 world shot record with a 53-3 heave, while Dick

Richardson tied the M50 high jump mark with a 5-10 effort.

U.S. records were set by Ruth Leff (W55 2-mile walk in 20:20.4), Luchs (M65 2-mile walk in 16:42), Ware (M50 300y in 34.18), and Pope-Green (W30 60y in 7.3 and LJ in 18-5).

# Vanderkrieft, Balfour First in National 50K

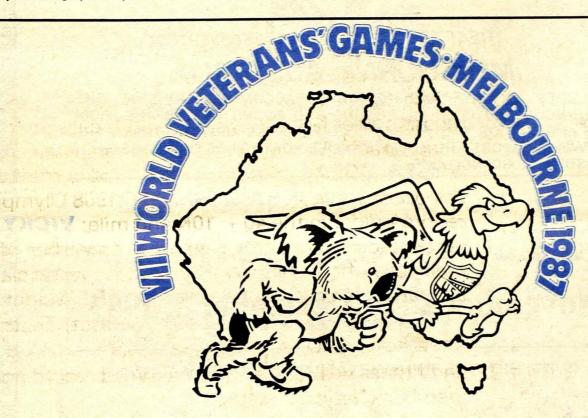

by JERRY WOJCIK

Bob Vanderkieft, 47, took the lead after 21 miles and maintained a steady pace to win the U.S. TAC National Masters 50K Championships in East Meadow, N.Y., on February 22, by ten minutes with a 3:38:56. James Frein, 48, was second in 3:49:20.

Samara Balfour, 51, the only W40-and over finisher, ran 4:57:19.

The other finishers of the 17 starters were Richard Murphy, 52, (3:53:48.01) who beat Don Jewel, 48, (3:53:48.05) by a half step; Joe Whitney, 32, (4:26:17); John Kenul, 43, (4:34:55); and David Balfore, 48, (4:37:20).

Meet Director Jack Dowling, president of the sponsoring Long Island Road Runners Club, was at a loss to explain the heavy drop-out rate despite good weather (45° and clear skies).

- Host-a-vet (hospitality in private homes).
- Free entertainment in the parks.
- All venues within 4km of accommodation and city centre.
- Exciting tours arranged.
- Flat, fast marathon course.
- Special travelcard for local transport.
- Mild late Spring weather.
- · Superbly organized competition.

# Hawaii-Japan Goodwill Games Held

Six world, two U.S., and 58 Hawaii single-age records were swept away in the Hawaii-Japan Goodwill Games held at Kaiser High School in Honolulu on March 28.

World age-record setters were Nick Newton, 53, of Los Angeles, 100m (11.4); Mazumi Morita, 73, of Japan, long jump (15-41/2) and triple jump (31-61/2); Japan's Yuichi Tateishi, 74, long jump (13-11/2) and triple jump (28-11/2); and Japan's Isuzu Tsujii, 63, shot put (29-0).

Marilla Salisbury, 79, of San Diego

accounted for the U.S. records, in the shot put (11-61/2) and discus (22-0).

Hawaiians Gerard Wilson, 34, and Bob Larson, 41, each captured five firsts in their divisions.

A familiar runner to distance buffs on the Mainland and the Islands, Duncan MacDonald, 38, of Hawaii ran 4:06.9 in the 1500.

Meet Director Stan Thompson, 76, took firsts in the 100H (26.2) and high jump (3-91/4). □

# Austin, Critchley Set Marks In Sydney

Forty-six state records were broken in the New South Wales Veterans Track & Field Championships in Sydney on March 21-22, as athletes honed their skills for this fall's World Veterans Games in Melbourne.

New South Wales is one of six Australian states.

Reg Austin led the record-breaking assault with M50 wins in the 100 (12.27), 200 (24.16) and 400 (54.52). Three 800 marks toppled: Paul Critchley, M45, ran an outstanding 2:01.1; Brian Dean, M55, logged 2:14.67; and Ron Gribble, M50, posted a 2:14.69.

Bill Empey, M90, won the 100 (25.06), 200 (54.60) and 400 (2:11.74), the latter an M90+ world record.

Beverlee Adams set six records, including an 18.52 hammer throw for a new W55 Australian mark.

The meet was a prelude to the 1987 Australian National Vets Championships in Sydney on April 16-20.

# 7th WORLD VETERAN GAMES MELBOURNE, AUSTRALIA

November 28 to December 8, 1987

(WITH OPTIONS TO NEW ZEALAND & TAHITI/MOOREA)

# THE WORLD IS RUNNING TO MELBOURNE!

NOVEMBER 28—DECEMBER 6, 1987

Catch all the thrills and excitement of one of the world's greatest international sports festivals: the VII World Veterans' Games, coming to Melbourne November 28 through December 6, 1987!

# One of the world's prestige track and field events

And it promises to be a record-breaker! At the biannual event's 1985 meeting in Rome, 4,330 athletes from 47 nations took part—and more than 38 age-group world records were established!

The Games are a sports spectacular, the equivalent of a track and field Olympiad for older athletes. Even now, the world's finest age-group athletes, men 40 years and older and women 35 years and up, are honing their skills, prepare ing to put themselves to the test against competitors in their own age divisions.

# A friendly competition in one of the world's friendliest cities

Melbourne knows a thing or two about hosting an international athletic festival. In fact, the Veterans' Games' track and field events will be held in Olympic Park, the world-class facility used when Melbourne greeted the world for the 1956 Olympic Games!

Melbourne again welcomes the world and offers:

· An exciting array of quality hotels, restaurants, shops and night spots.

· An on-going calendar of cultural events that has earned Melbourne an unparalleled reputation in the visual and performing arts in Australia.

· One-of-a-kind ambiance that combines the charm of turn-of-the-century Victorian architecture with 20th-century sophistication. · The inviting, warm weather of the late Australian spring.

On your mark ... set ... go! Getting there is easy. All airlines serving Australia fly to Melbourne. You might even want to come early or stay late and enjoy a pre- or post-games tour! Plan today to make tracks ... to Melbourne! The VII World Veterans' Games, November 28 through December 6, 1987: a firstclass event in a first-

class city.

THE VII WORLD VETERANS' GAMES

# 20th World IGAL General Assembly Meeting — Netanya, Israel — March 17, 1987

By BARRY SHAW, Secretary, IGAL

The 20th World IGAL General Assembly convened at the Mediterranean resort town of Netanya, Israel, 17 March 1987, an occasion of the annual World IGAL 10K and 25K road-race championships. The first veterans championships to be officially recognized by the IAAF, this year's event, which also included 8K cross-country competition, was generally deemed most successful and enjoyable. The races were staged against a carnival background of parades and parties; and this festive atmosphere was reflected in the harmonious proceedings of the Assembly.

The mandatory IGAL membership fee was reduced to US \$4.00 per participant in future championships, beginning with the 21st annual event next year in South Korea.

The IGAL Constitution was amended to allow official representatives of national veterans organizations to be voting delegates at future IGAL General Assemblies.

Having agreed last year to the proposed merger with WAVA, Assembly delegates discussed ways in which IGAL could continue to play a central role in veterans distance

events. To this point, Barry Shaw explained that he had deliberately added a cross-country event to this year's program, as he envisions the proposed IGAL-WAVA Distance Committee as serving that discipline as well as road-racing and, eventually, race walking.

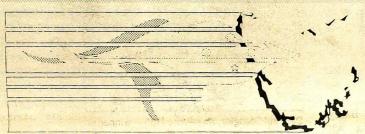

It was suggested that the new Distance Committee be responsible for all non-stadia events for veterans, which could include biathlon and triathlon competitions and championships. In accepting an application for the 1992 IGAL championships from the Japanese city of Ise, the Assembly informed the Japanese delegate that the bid would be brought before the Distance Committee after its official formation.

To this end, the General Assembly feels it essential that a joint IGAL-WAVA meeting take place in the near future to formulate the aims and composition of the new Distance Committee — which must be approved in Melbourne at the time of the WAVA Championships — before IGAL merges into the new format. The Distance Committee should then convene at the 21st IGAL in South Korea and, thereafter, supervise all veterans distance championships.

The important technical matter of athlete eligibility was addressed by the Assembly: the need for a uniform ruling on when an athlete becomes eligible to enter a new agegroup. Some countries allow an individual to compete in a higher age-group even before reaching his/her birth date. The IGAL rule clearly states that an athlete belongs in an age-group only if the date of birth falls before the date of competition (e.g., a male runner age 54-and six-months clearly must compete in the M50 class and not M55). This rule must receive the attention of the IAAF Veterans Committee. The World IGAL has added an M85 category to its official list of age groups. Three participants in this agegroup competed at Netanya.

The World IGAL General Assembly elected a new Executive: President, Jacques Serruys (Belgium); Secretary-General, Barry Shaw (Israel); Treasure, Hannelore Guschmann (West Germany); Vice-Presidents — Norman Green (USA), Gus Schlabitz (West Germany), Clem Green (New Zealand), Professor Kotoh (Japan). At a subsequent Executive Meeting, Walter Ross (Scotland) was elected Honorary Vice-President in recognition of his many years of service to IGAL.

# AFTER THE VETERAN'S GAMES

The First Australian Masters Games. 1987.

You're invited to compete in the First Australian Masters Games held in Australia's Island State – TASMANIA.

# More events to enjoy

The Games are a major sports festival for mature aged sports men and women. The age groups commence for women at 35 years of age and men at 40 years of age are in five year intervals.

Thirty five sports including athletics will be staged over the two weeks in various centres throughout Tasmania. Special travel packages will be available from Melbourne.

# **Athletics Programme**

The Athletics competition has been designed to complement the VII World Veteran's Games and provides overseas and interstate competitors with a less demanding programme but still offering first class competition.

Athletic events will be held on 9, 10 and 11th December, 1987 in Hobart, Tasmania's capital city, less than an hour's plane trip from Melbourne. Events over the 2 days will include:

# Track Events

100m, 200m, 400m, 800m, 1500m, 3000m, 3000m Walk, 10K Road Race.

# Field Events

Discus, Long Jump, Javelin, Shot Put, Hammer, Triple Jump and High Jump.

# For more information contact:

General Manager
First Australian Masters Games
P.O. Box 587, Glenorchy, Tasmania 7010.

# Texans Not Chilly in Philadelphia

By PETE TAYLOR

HAVERFORD, Pa, March 7. A trio of strong competitiors from Texas and one from California added to the excellent racing tonight as the Philadelphia Masters Track and Field Association held its annual indoor championships at the Haverford College Alumni Fieldhouse, which features an oversized (225 meters), 4-laned oval.

Willard Thompson, 34, of Dallas, Texas, made his trip worthwhile by edging Tony Jones in the 55m (both 6.6) and winning the 300 in 38.6 Fellow Texan Herston Hall, 35, barely held off Marc Anderson, 38, in the 500 in a scorching 1:09.7. Dallas resident Willie George Smith, 39, ran 1:11.9 for third. California invader Jim Hampton, 40, ran a fine 2:42.7 to win his age group in the 1000.

Kathy Pierce, 39, ran a good 300 (48.1), and won the 55 (8.3), shot (32-5) and triple jump (8.98). Ralph Penn, 35, had the fastest 300 of the night (36.5), while Ed Small, 48, attracted attention by feathering a 38.6.

ceed in

ship had competit the race of battle bet after Duff and dropp

In the first section of the mile, international road-racing competitor Gary Fanelli, 36, set a withering pace but was unable to hold off Walt Hawkins, 37, who rang up an impressive 4:21.3. Fanelli came back nicely in the 3000 with an 8:50.8.

Jeremiah Gaines, 75, came up from Virginia to show off his speed, easily winning the 55 in 8.9. Vivian Nelson, 74, got the same distance done in 11.5.

Bill Schroeder, 50, led all pole vaulters with a leap of 12-0. Strongpersons Tom Lacey (45-51/4 in M30), Jay Edwards (43-113/4 in M50), Ray Feick (41-6 in M55), and Anna Cirulnick (29-33/4 in W50) shone among a group of 26 shotputters.

# **World Champion Jack Stevens Races Against Time**

It is now more than two years since popular Australian athlete Jack Stevens, 70, was the unfortunate victim of the all too familiar 'drunk driver,' when he was hit by a car while on his daily training run around Albert Park late in October 1984.

Jack, who is the current M65 800 world record holder with 2:20.50, sustained a compound fracture of the left leg and what has also proved to be a "major localised joint abnormality" in the left instep.

This latter troublesome condition required further bonegraft surgery on January 12, this year.

Having incurred similar problems twelve years ago with the same instep joint, this recent setback will now seriously impair the movement of the left foot.

Jack's medical advisers now suggest his athletic future may lie in distance events, where he will be able to run more flat footed.

However, even this will not deter the multi-talented Stevens, who just two weeks before the accident completed a marathon in the amazing time of 3 hours 21 minutes, at the age of 68!

Stevens says he is determined to fight his way back to some sort of fitness in time for the VII World Games in Melbourne at the end of the year. - Courtesy of The Australian Veteran

# Spangler Leads U.S. Runners At 20th World Championships in Israel

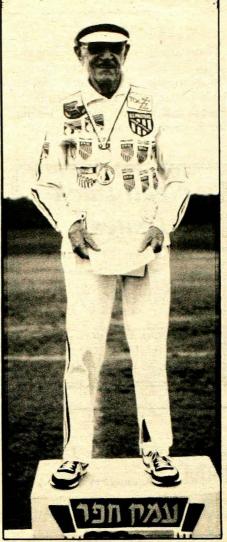

A small but determined U.S. delegation took part in the 20th World (IGAL) Veterans Distance Championships in Netanya, Israel.

Dr. Paul Spangler of California competed in all three races, winning the age 85+ category on three successive days.

Norm Green of Wayne, Penn., competed in the 25K only, and won his 50-54 age-group convincingly, while finishing 8th overall. His 1:27:37 time was five minutes under the age-54 U.S. record set by Norm Eastman in 1985.

In the 8K cross-country race, held March 15 at a kibbutz, Spangler finished in 55:57, ahead of two runners in the age 80-84 category. The other U.S. medalist for the day was Nancy Rawlinson (CA) who took runner-up honors in the W40-44 division in 43:10.

Spangler's 85 + first place in 1:10:59 and Georgette Lacey's (Pittsburgh) third place in 45:45 for women 45-49 led the seven U.S. runners in the 10K on March 16. The race was run in three "flights" and suffered from deteriorating weather as the afternoon passed. No U.S. runners were in the M40-49 race. Three Americans ran the M50-59 race, with James Lacey (PA) finishing 9th 50-54, Robert Coffey (TX) placing 8th 55-59, and Barry Nydick coming in 27th 50-54. All women and men 60+ ran in the

Dr. Paul Spangler, three-time M85 + winner in the 20th World IGAL Championships in Israel, March 15-17. Photo by Norm Green, Jr.

third flight. By this time, high winds hampered the runners on the beautiful course along a high sea coast bluff with return through residential streets to the center of town. Rawlinson was 5th W40 and Lotte Reinhold was 4th W55.

On his final day as an 87-yearold, Spangler completed his hat trick in the 25K, finishing in 3:19:37. Paul was 214th and last, but less than one minute behind the 8th finisher in the M70 category. Besides Green and Spangler, U.S. runners were James Lacey (12th M50), Coffey (11th M55), Georgette Lacey (7th W45), Isabelle Salomon (9th W45), and Rawlinson (4th W40).

It may have been the time of year; it may have been the cost of travel half way around the world; it may have been fear of the world political situation that caused such a small U.S. delegation. But those who did make the effort to participate were treated to warm Israeli hospitality and well-organized races.

The 21st IGAL championships will be held in Kyongju, Korea on October 8-9, 1988. The Korean race sponsors are offering several tour options, all of which feature arrival on October 1, with attendance at the men's Olympic marathon and closing ceremony of the Seoul Olympics.

- From Norman M. Green, Jr.

# Borowski Sweeps World Veterans Championships

Continued from page 1

Martin Duff. However, the Frenchman came home first in a time of 31:01, exactly 15 seconds ahead of Martin and one minute up on Duff.

So to the final day and the 25K road race. Would Antoine Borowski succeed in his bid for a World Championship hat-trick after two hard days of competition? In very windy conditions, the race developed into a head-to-head battle between Borowski and Martin, after Duff and Phil Barker felt the pace and dropped out.

The leaders passed the halfmarathon point in 1:10:45, but an old ankle injury caused Martin to suddenly jump with pain, and he lost 50 meters before rejoining the race.

This left Borowski clear to enjoy his triple victory. He finished in a time of 1:23:34, ahead of Martin and Roper.

Another triple world champion was England's Derek Wood, winning the 10K (35:32), and 25K (1:32:14) and cross-country (28:51) in the M55 class.

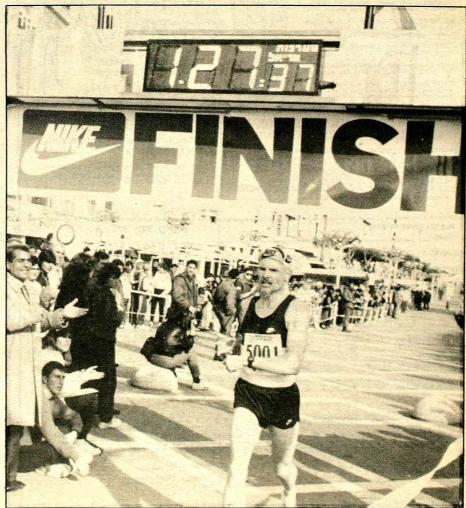

Perhaps the toughest class was the M45 where close finishes were fought

out in every race between Spain's Manguan Santiago and Belgium's Hubert Carnol and Pierre Voets. The Spaniard took the cross-country race, despite veering off the course approaching the finish. However, the Belgians had his measure in the two road races with Voets beating him in the 10K by six seconds with a winning time of 32:15, and Carnol opening 180 meters to win the 25K in 1:24:14.

Cyril Leigh, M50, looked impressive in the cross-country and 10K (33:22). In the 25K, he was no match for Norman Green (U.S.A.) who won in 1:27:37, five minutes below the U.S. age-54 record.

The outstanding female competitor was Belgium's W50 triple champion, Denise Alfvoet. Her times for the 10K and the 25K were 40:12 and 1:45:16.

Despite 180 age-group awards, Israeli runners only managed to win five medals, giving an indication of the international coverage in all the age groups in each race. Over twenty countries participated in these championships. This was the first time that runners from Spain, South Korea, and Japan had ever competed in Israel.

Norm Green Jr., winning the M50 division in the IGAL 25K in Israel, March 17. His time of 1:27:37 is five minutes below the U.S. age-54 record.

# **Report from Britain**

by ALASTAIR AITKEN

Alun Roper, 41, won the M40-49 British Veterans Athletic Federation Cross-Country out of 205 starters at Trent Park, Oakwood, North London, March 8, in cold conditions over a very hilly 6 1/4 course, over Dick Evans and Mike Critchley. All three represented Wales in international cross-country in the early 1970s.

In the over-50s race over the same distance, Gerry North, a world-class cross-country runner in the 1960s and 1962 national cross-country champion, bested a field of 121 starters. Second was Ron Gomez; Alan Griffiths, a 1962 Welsh cross-country international who did not compete from ages 26 to 46, was third. First over-60 was Giles Brindley in a good 45th overall. Brindley took up running seriously at 51 and his favorite events are the 3000m steeplechase and the pole vault! Thirty-five-year-old Amanda

Cooper took the lead after a half-mile, overhauling 41-year-old Pat Gallagher in the Women's Nationals Veterans Championships. Joyce Smith, who has been injured lately but may run in the Brugge 25K, was manager of the winning Shaftesbury team.

# PROFICE

# **Patti Donley**

Born: July 2, 1940, Seattle, Wash.

Schools: Roosevelt High School, Seattle; University of Washington, B.S., Nursing, 1963

Occupation: Registered Nurse

Family: Married to Jim, four children (ages 21, 20, 18, 17)

Ht./Wt.: 5-5, 118 pounds

Current Residence: Anchorage, Alaska

Achievements: Fastest time (38:45) nationally for 45-49 division of the 1985 Diet-Pepsi 10-K series; fastest time (32:10) nationally for 45-49 division of 1986 Stroh's Run for Liberty 8-K

Patti Donley in profile.

series; first masters finisher in 1986 Alaska 10-K Classic (37:27, certified course); first masters and 7th overall woman in 1987 Great Aloha run, Honolulu (8.2 miles, 51:55, 18,000 runners).

# Those are impressive performances. Were you racing before 1985?

Yes, I began racing in 1978 when my husband entered me in the Alaska Women's Run, a 10-K. I surprised myself by placing 30th in a field of 241 women with a 46:59. I participated in perhaps ten races between then and the Spring of '85, gradually lowering my 10-K time to 42:31.

# So what happened in '85 to account for the dramatic improvement?

I approached Roy Reisinger with my desire to run a sub-40 10-K, and he gave me a schedule which included one

day a week of intervals run informally on the road. I'd run 90 seconds hard and then 90 seconds easy, eight to twelve times. Five weeks later, I raced a 10-K in 38:59.

# You're saying that you didn't do any kind of speed work before that time?

Though I'd heard and read about intervals and hard-day/easy-day training, I ran every training run moderately hard. Roy has since become my coach. The most important thing I've learned from him is the concept of hard-day/easy-day. Prior to that, I was plagued by stress fractures.

## How is running in Alaska?

The environment definitely conflicts with it. While winters in some of the lower 48 states may be more severe than ours, we have six-month winters, with snow and ice from mid-or late October until mid-April. Dry pavement can most often be found on major roadways, but the problem of traffic and hopping off and back on the road becomes distracting.

What's more, there are several weeks where it's still dusk at 10 a.m., and again by 2:30 p.m. It's usual to run heavily bundled against the cold, in the dark, and slowed by poor footing. There is one indoor facility — a 9½ lap per mile 'course' around a hockey rink with heavy traffic due to use by hockey players.

My husband and I have a favored, flat five mile course on a wide dirt trail near the airport. Moose are commonly sighted and cause slight alterations, but not abandonment of a course. We were surprised to see coyotes on one run, but not deterred.

# What does a typical week of training consist of?

Monday, I might do 14 quarters at 85-90 seconds each with 110 between them. Tuesday, 10 miles easy, maybe 7:30 to 8 minutes pace. Wednesday, eight miles at a moderate pace. Thursday, eight miles with three or four of them hard, 6:30 or faster. Friday, rest. Saturday, six easy. Sunday, 12 easy.

I do some light weight training three times a week and I also try to swim or deep water run once a week.

I work four days a week at a physically demanding job, which

sometimes makes for poor workouts or shorter than desired runs.

# Do you pretty much stick to distances around 10-K?

There are more 10-K's than anything else on our Anchorage running calendar. While my time at that distance is still improving, I may be limited by my 440 time of 80 seconds. I feel I have more potential in the marathon, and really like the distance more.

## You've run some marathons, then?

Yes, two of them. I did a 3:28 in 1984 and a 3:13 in '85. But I've been plagued by a back injury which has kept me from proper preparation for it.

# Does any one race hold special memories for you?

The Trail of '98 Road Relay is probably my most memorable competitive experience. It's a 110 mile run from Skagway, Alaska to Whitehorse in the Yukon Territory in Canada. There are ten runners on a team. The first year I participated, 1985, I felt it such a privilege to be on a team with women who always placed highly in local races. It's a real adventure. We started at 10 o'clock at night in mid-September after an 1,800 mile drive in a motor home just to get there.

But my trip to Hawaii for the Great Aloha Run was also a high. The largest field I had previously competed in was 3,000. When I realized in the finish chute that I had placed highly, well, that will be an instant replay for many years.

# Do you race outside of Alaska often?

No, before Hawaii I had run only one other race outside the state. I hope to race this summer in the lower 48 in masters competition. That is, assuming I get over my current back problem in time to get in the proper training.

# Any particular races or goals?

I believe the current national 10-K record for women 45-49 is 36:41 and I think it's not an unrealistic goal. The

Patti Donley

problem is getting to the right races. Most of them seem to be in the East, and it's pretty expensive to travel from here.

I'd also like to run another marathon and break three hours.

Do you ever wonder what you might have done had you been running in your late 20's or early 30's, assuming of course that opportunity for women existed then?

What might have been, uh? We've discussed that quite a bit, especially with my brother having been a state champion in high school. But had I run when I was younger, I probably wouldn't be doing it now or enjoying it as much. And I wouldn't trade this for anything.  $\square$ —Mike Tymn

# 570 Compete in Nationals in Wisconsin Continued from page 1

were on hand during the weekend to watch the exciting competition, and to see 53 national meet records broken or set. Women set 27 of the records, with five each going to Phil Raschker, 40, and Pearl Mehl, 73. The men's 26 records were more evenly distributed with Tom Patsalis, 65, setting three.

The schedule was based on the number of 1985 and 1986 entries and ran quite long, due to the large number of participants. The long jump finished about 9 p.m. Saturday, with Sunday's events concluding before 6 p.m. Fortyeight entries in the two-mile race walk took extra time, as two heats were required.

A social gathering was held at the Inntowner Best Western (meet head-quarters) with snacks and drinks provided by meet sponsor, Wisconsin Physicians Service (WPS). Jerry Donley, Chairman of the National Masters T&F Committee, addressed the athletes in attendance and provided an update on masters activities.

One of the many exciting races of the weekend that helped bring in the local media and fans was the M40 mile run. Five runners had the potential to run a sub-4:20. Tracy Smith won in 4:18.65, well under the world masters-only record of 4:20 he had set in January. Finishing second in 4:20.90 was Albin Swenson, who had broken Smith's record with a 4:18.5 in Providence on March 15. Ray Tucker was third in 4:23.20, followed by Peter Hallop (4:26.11) and Bill Stewart (4:29.90).

With its first involvement in masters sports, Wisconsin Physicians Service was very excited about the competition and media coverage, and has offered to support the 8th annual Wisconsin United Masters meet on June 20. The national meet helped create an awareness of masters track in Wisconsin, and many are looking forward to its return.

Among the meet's many highlights were:

Raschker, who just turned 40, set three new world W40 indoor records in the

HJ (4-10), LJ (18-5) and TJ (35-2<sup>1</sup>/<sub>4</sub>); and an additional American mark in the 300y (38.51). She won fifth and sixth gold medals in the 60yH (9.09) and 60y (7.45).

• Mehl's five meet marks were also new American W70 indoor standards: 300y (62.69), 600y (2:21.55), 1000y (4:01.11), mile (7:29.22) and 2-mile (15:30.0).

• Greenwood also captured the M60 300y (38.69) and 600y (1:34.76).

• Larry Colbert won the M50 300y (35.49) and 600y (1:20.90) and lost by a nose in the 60y to Jimmy Weaver (7.17).

• Nationally known open runners Cindy Bremser (W30) and Carol Urish-McLatchie (W35) each set two American indoor records in the mile and two-mile in their respective divisions: 4:43.02 and 10:00.03 for Bremser; 4:59.28 and 10:24.13 for Urish-McLatchie.

• Swenson broke the U.S. two-mile M40 indoor record with a 9:29.50, pilfering Pete Mundle's 15-year-old mark of 9:32.8.

• Byron Fike won seven M75 events: 60y (9.21), 300y (48.61) 600y (2:02.39), 1000y (3:56.31), mile (7:18.74), 2-mile (17:10.89) and 2-mile walk (24:49.0).

• Kirk Randall won the M45 mile (4:31.78) and 2-mile (9:52.75), besting Dan Conway and Ernie Billups in the latter.

Russ Schmeichel bettered Billups'
M40 1000y AR with a 2:18.94, and Dave
Allen set an M30 2-mile AR of 9:00.30.
Patsalis set an M65 AR in the 60yH

(9.34), and two world M65 records in the LJ (17-134) and TJ (35-734).

• Leotha Stanley set two M30 AR's in the LJ (24-9½) and TJ (47-10¾) and also won the 60y (6.41) and HJ (6-6).

• Four world shot records fell to Jim Hart, M50 (49-10), Len Olson, M55 (46-7½), Bernice Holland, W60 (31-4½) and Grace LaBelle, W75 (15-0 ½). George Tyms added an M35 AR (54-0½).

• Olympic pole vaulters Bob Richards, M60 (10-6) and Boo Morcom, M65 (11-0) set new marks in their divisions.

 Max Green set an M55 2-mile walk AR of 15:35.75.

• Shirley Kinsey broke the W55 world LJ mark with a 12-1½ leap, and also won the TJ (20-5½), shot (28-7), and 60yH (12.12).

• Susan Redfield garnered the W50 300y (46.35), 600y (1:34.40AR), 1000y (3:10.74) and, adding variety to her repertoire, the 60yH (11.13) and TJ (24-91/4). □

Phil Raschker, who turned 40 on February 21, set three world indoor masters age-group records in the high jump (4-10), long jump (18-5) and triple jump (35-2<sup>1</sup>/<sub>4</sub>), and won six gold medals overall, in the National Masters T&F Championships in Madison, Wisc., March 28-29.

Christel Miller & Bob Richards share a little quiet time between events at the Indoor Nationals, March

# Zeller Cops 50-Mile Championship

by JOHN WHITE

Forty-year-old Al Zeller, a nuclear physicist at Michigan State University, East Lansing, conquered 41 other starters and severe weather conditions to win the TAC National Masters 50-Mile Championships (Wolfpack 50

Miler) in Columbus, Ohio, on April 5.

Because of a freak April snow storm, Zeller lost more than an hour from his personal best as he trodded over packed snow for a 6:47:51 victory, nearly 20 minutes ahead of the next competitor.

# Smith Sets U.S. Masters 10K Record in New Orleans

Continued from page 1

meone showed me and picked out 29:30 as a goal, which is about 4:45 per mile."

Conditions the next morning proved nearly ideal: about 45 degrees, sunny skies, low humidity. The only flaw was a mild cross-wind that buffetted the runners — 25,303 of them — along the basically flat, point-to-point course, which starts in the city's famed French Quarter and finishes with a sweeping curve in a park.

Smith passed the opening mile on pace (4:44), four seconds off Villanueva - but nearly ten behind Englishman Allan Rushmer. ("He always runs too fast the first part," says Villanueva, no slouch himself at pace-setting.) By two-miles, however, Rushmer had relinquished the lead, as Smith joined Villanueva, splitting 9:31.

"I don't really remember the splits after that," Smith admits. "I was con-

centrating on Villanueva. He's a great runner, and I knew what he could do." Over the final four miles, the two raced, virtually inseparable. "We'd both surge," Smith says, "and a couple times I thought he'd broken; I could hear him coughing." Not until the last 200 yards was the outcome decided, Smith winning by a scant two seconds, as the two record-breaking masters placed 30th and 31st overall. Rushmer ran a respectible 30:49 to hold onto

In the similarly close open men's race, Irishman John Treacy prevailed by one second in 27:59 (far off Mark Nenow's world-best 27:22CR of 1984). Teresa Ornduff beat a good women's field in 31:55. Meet organizer, Bill Burke, reports that this was the fastest mass finish in the nineyear history of the Crescent City Classic: "Last year, the 500th runner did 38:43. This year, 500th was 37:43."

# Filutze is First Master to Compete on U.S. Open Team

by TOM STURAK

As a member of the USA World Cup Marathon team that competed in Seoul, South Korea, April 11, Barbara Filutze, 40, of Erie, Pa., probably became the first master of either sex - more certainly, the first over-40 woman-ever to officially represent the United States at an open, IAAFsanctioned international championship.

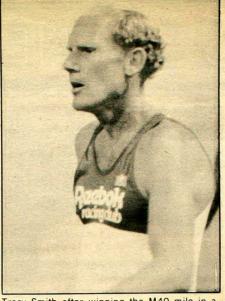

Less than six weeks after running 2:47:21 at the Los Angeles Marathon (March 1), Filutze covered the 1988 Olympic Games course in a credible 2:51:06, under cool and windy conditions. Forty-eighth in a field of 86 participants - including many elite marathoners - representing 28 nations, she was a non-scoring fourth on the five-woman U.S. team that placed sixth. Carol McLatchie, 35, of Houston, Tex., was second American and 24th overall in 2:39:39. (Filutze's and McLatchie's combined ages total only six years less than the aggregate 81 of their three teammates.)

While not known if any other masters participated, chances are that Filutze was the lone over-40 World

Cup competitor. Though rare, participation by masters at the highest levels of international competition is by no means unprecedented especially, in the marathon (e.g., Olympians Jack Foster and Joyce

Named TAC Outstanding 40-44 Woman Long Distance Runner of 1986, Filutze has an age-40 2:42:37 marathon to her credit. Though her performance at Seoul might appear sub-par, her very participation was remarkable. Contacted by TAC Women's LDR official, Jacqueline Hansen, less than two weeks prior to the race, Filutze agreed to join the team (in place of drop-out Connie Prince, top U.S. entrant), though then in heavy training for a late-spring marathon.

Hansen had earlier this year selected Gail Scott, 41, to fill a TAC-channelled invitation to the Taipei Marathon (see NMN, April). A former marathon world-record holder, Hansen says, "I find it gratifying to award a trip to a master. There are more than a few who are qualified to compete internationally." For one, Barbara Filutze.

Tracy Smith after winning the M40 mile in a meet record 4:18.65 at the National Masters T&F Championships in Madison, Wis., March 29. A week later, Smith broke Barry Brown's U.S. Masters 10K record of 29:57 with a 29:50 at the Crescent City 10K in New Orleans

Photo by Paul Brazeau

# LATE FLASH!

Gabriele Andersen, 42, was the first female overall, not to mention the first master, in the Emerald City Marathon, April 12, in Seattle, Washington. Anderson ran 2:40:19 and won \$5,000 for her efforts.

Allan Rushmer, 41, of Great Britain, was first 40-and-over finisher in the Boston Milk Run 10K April 12 with a time of 30:37. Rushmer was tailed by Antonio Villanueva of Mexico (30:40) and Larry Olsen of Massachusetts (30:48). In the women's masters race, Priscilla Welch (33:47) of Great Britain, tromped the competition, winning by nearly three minutes over Bobbi Rothman (36:20) of Florida and Juana Stavalone (37:29) of California.

# MASTERS SCENE

# NATIONAL

- According to U.S. National Senior Olympics organizers, **Bob Hope** will participate in the meet's closing ceremonies scheduled for the morning of July 3. The first-ever USNSO, set for June 27-July 2 in St. Louis, is expected to attract more than 4500 athletes 55-and-over, who will compete in t&f, a 10K, and other sports, many of which require qualification at sanctioned regional Senior Olympics competitions; however, the 10K is open to anyone who has ever completed a 10K.
- Subscribers for whom obesity is a genuine problem or who want to stay up on current research might be interested in the International Obesity Newsletter, published by Healthy Living Institute, 402 S. 14th St., Box 612, Hettinger, ND 58639. 701/567-2646. \$24 per year for 10 issues.
- TAC's Women's Executive Committee, chaired by Julie McKiney, has extended the 1988 Olympic Marathon Trials standards to include performances in the Old Kent River 25K Grand Rapids, MI, May 9, which is the 1987 Senior Men's and Women's and Masters Championships. Accordingly, women running 1:30:00 or better in the Old Kent River race will qualify for the 1988 Women's Olympic Marathon Trials to be held in Pittsburgh in April 1988. The 1:30:00 time is roughly equivalent to a 1:16:00 half-marathon.
- "To promote healthful participation in sports and vigorous exercise by persons with diabetes" is the purpose of the International Diabetic Athletes Association, according to Paula Harper, R.N., founder and president. As a person with diabetes who has competed in 30 marathons and 5 triathlons, Harper said she wants to encourage "public understanding and support for athletic participation by diabetic individuals." For info, write or call IDAA, 5050 8th Place #3, Phoenix AZ 85014. 602/230-8155.
- The entry form for the National Masters Decathlon, to be held in Boulder, Colo. on July 11-12, will be in the June issue of NMN.
- Growing older: from 1980 to 1986, the number of Americans aged 35-to-44 increased 29% to 33.1 million. the 85-and-over group grew 25% to 2.8 million. As of July 1, 1986, the median age of all Americans was 31.8 years, compared to 27.9 in 1981.
- Correction: Max Green of Taylor, Mich., was reported in the April issue as having set an M55-59 WR for the 15K racewalk with a 1:20:10 in the TAC Masters Championships, February 7. According to Alan Woods, Green was still 54 at the time, and his mark was just an age record.

# EAST

- Future meets that offer a "Masters Mile" will have to take a two-decade backseat to the Cornell Masters Mile, which celebrated its 20th anniversary in January and drew 28 M40-and over milers, who ran in two sections. This year's overall winner was Derck Frechette, 42 Rochester, NY, with a meet record 4:39.3. Jim. Jerris, 45, Holley, NY, was second in 4:41.7. Don Farley, 53, Ithaca, NY, was first M50+ (5:01.5), and Tony Napoli, 66, Buffalo, NY, first M60+ (5:42.3). The monumental task of ar ranging this event for twenty years was performed by Jim Hartshorne, also a participant in earlier masters miles, with the help of Jack Warner, Cornell's t&f coach. Hartshorne, retiring after this year's race, looks for "some new blood at the helm" to continue this historical masters event in Ithaca, NY.
- Ron Bomberger, 45, finished the NYRRC Knickerbocker 60K, Central Park, NYC, March 7, in 4:53:07 for the masters crown. Alan Fairbrother, 50, was just 26 seconds behind for second M40+: Izumi Yamamoto, 45, hung on for

Web Loudat, after 24:41 in Shamrock 8K, Virginia Beach, VA, March 21.

- a 5:45:43 W40+ first, with Samara Balfour, 51, second in 5:46:33.
- Atlaw Belilgne, 42, of the Millrose AA, continued his domination of the M40+ runners in the NYRRC Central Park races with a 32:03 eighth-place (1392 m/finishers) in the 10th Annual Sheraton Center Bagle 10K, March 8. Chris Hearn Grenning, 41, of the New York Atalanta club, was ninth woman (646 finishers) in 38:54.
- Patty Lee Parmalee, a long-time East Coast masters runner, serves as coach of the New York Achilles TC, an organization, founded by Dick Traum in 1982, for the physically impaired who want to participate in running events. She also edits the club newsletter, The Achilles Heel. Other ATC chapters have started in several major U.S. cities and overseas in Trinidad and Tobago and recently in Poland. ATC, 9 East 89th St., New York, NY 10128. 212/967-9300.
- Angella Hearn, 41, was second woman (327 finishers) in the NYRRC Brooklyn Half-Marathon, March 22, in 1:20:00. Art Hall, 40, was first M40+ and 17th (1388 finishers) with a 1:13:04. John McHugh, 66, won the M65 division (1:30:50), and Helene Bedrock, 52, took the W50-59 race (1:31:24).
- Marlys Palmer, 40, Chambersburg, PA, won \$200 and the title of RRCA Eastern Regional Masters Champion in the Lady Equitable 10K, Baltimore, MD; March 29, with a time of 40:57, in the Equitable Bank-and Baltimore RRC-sponsored race.
- Art Hall, 40, placed third (39:58) of 211 m/finishers in the Vivicitta 12K, Brooklyn, NY, April 5. One the same day, James Fillis, 49, was the first M40+ (2:48:05) in the Yonkers Marathon. Cindy Dalrymple, 45, took the W40+ first (3:24:01).
- While it poured rain on surrounding towns, masters runners found almost perfect weather for the Stamford Marathon, Stamford, CN, April

- 5. Bill Sevald, 41, ran off with the masters title (2:28:45) and tenth overall (341 m/finishers). David Oropeza, M40, was second (2:29:35), and Californian John Loeschhorn, first American M40+ in the Boston, New York, and L.A. marathons, finished third (2:33:24). Janice McKeown nabbed an easy W40+ victory in 2:58:53. Sevald won \$1700 for his victory.
- The Philadelphia Convention and Visitors Bureau has announced the appointment of Jim Tuppeny, director of the Penn Relays for the past 19 years, to the newly created post of executive director of athletics. Tuppeny will team with other Bureau staff members to increase the number of sports-oriented conventions and meetings in Philadelphia.

# SOUTHEAST

• Web Loudat of Albuquerque, NM, broke a pending, national-record M40-44 time of 24:56 by Bruce Mortenson with a 24:41 in the Shamrock 8K, Virginia Beach, VA, March 21. (Barry Brown, however, has run 24:15, which is not yet on the age-group record lists.) Atlaw Belilgne of Long Island, NY, was second in 24:53. Loudat's next race will be the Legends Mile in Eugene, OR, May 16. Other probables are Brown, Tracy Smith, Ken Moore, and Sam Bair.

# **MIDWEST**

• The Grand Rapids TC of Michigan selected Greg Osmun, M40-49, Roger Ritsema, M50-59, George Watson, M60+, and Mary Namey, W40+, for its 1986-87 Masters Runner of the Year awards. The club sponsors ten races which count for ROTY honors.

# MID AMERICA

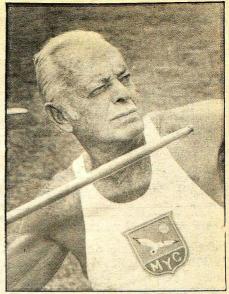

• The Twin Cities Marathon in Minnesota won't have the built-in attraction of a National Championships or team trials this year, but new race coordinator Skip Burke has pledged to maintain the support of masters at the highest level of any race.

# **SOUTH WEST**

• The Louisiana Milk Run Women's 5K Series dates have been changed to New Orleans and Lake Charles, May 16: Shreveport, May 23; and Lafayette, May 30. Masters money is \$50 for preliminary race winners and \$100 in the Championship race in Baton Rouge, June 6.

# WEST

- Joan Stratton, W35, hit good, early-season marks with a 40-234 shot effort and a 119-11 discus mark in an all-comers meet in Los Gatos, CA, February 7.
- James Murphy, 47, (16:58 and 6th) and Sue Reinhardt, 40, (21:29 and 3rd woman) were first masters in the Wilshire Police 5K, Los Angeles, February 15. Larry Banuelos, 62, won the M60+ race in 19:21.
- Wearing t-shirts carrying the message "I RAN WITH MY BESS FRIEND," 750 runners, who took a chance on the rainy weather, ran the Bess James 10K, Hemet, CA, March 7. Mom Nature turned off the showers, and Jerry Laverty, M40, (36:13) and Jeanne Barber, W50, (45:25) turned on the speed to take the masters races. Bess James, 77, who lends her name to the event to raise money for a local junior college, was disappointed in her time of 1:07, but she may have been feeling the effects of running the L.A. Marathon six days before.
- Los Angeles-area masters athletes who want to rub elbows with younger t&f standouts might want to contact the Los Angeles Track Club, headed by Chuck DeBus, who has coached 163 U.S. team members, compilers of 27 ARs and 2 WRs. Private and/or team training are both available and are open to any age or level of fitness. LATC, 1714 17th St., Santa Monica, CA 90404. 213/396-0500; 450-6001.
- John Whittemore, Jr., M85, of Santa Barbara, CA, who can easily be taken for a welltanned, white-maned bon vivant at a track meet

John Whittemore, Jr., M85, of Santa Barbara Calif. Photo by Richard Martin

rather than the world-record-holding weightman that he is in several age divisions, is also an All-American swimmer who did a 3:12 for the 100m breaststroke in 1986. He also has been rated as an All-American in canoe paddling, badminton, and racquet ball.

- Sal Vasquez, 47, Alameda, CA, was runner-up for the third straight year in the 19th Annual Martinez-to-Port Costa Brickyard 8.4 Mile in No. Calif., February 28, in 42:33. Linda Wimmer, 40, of Martinez, won the W40+ race (57:19).
- Barbara Filutze (2:47:21) and Colombia's Victor Mora (2:19:44) were first masters in the L.A. Marathon, March 1. John Loeschhorn topped M40+ American finishers with a 2:26:32. NMN efforts to obtain complete, official masters results of the L.A. Marathon have been to no avail
- The Modesto Relays will have a 100m for M40-54, 55-70, and 70 th Contact Dick Marlin, 3413 Stembridge, Modesto, CA 95350.
- Jim Vernon has cancelled his popular Trojan Masters Track Meet, scheduled for June 27 at USC in Los Angeles, because Cromwell Field is undergoing renovation. "It would be possible to hold running events, but there would be no decent place to warm up. The field would be dusty, and there could be no discus or javelin. It didn't seem possible to hold the type of quality meet we have previously held."

# CANADA

• Tom Tushingham, who broke the M40-44 world indoor mark in 1986 with a 2:01.5, entered the M45 ranks this year with a roar by breaking two indoor WRs with a 2:02.8 800 and a 4:10.2 1500, and the Canadian record in the 3000 (9:02.53) in Toronto, February 8.

# INTERNATIONAL

- Derek Lawson (71:11), Alf Lennon (71:33), and Bill Stoddart (72:10) head the list of top 1986 British veteran half-marathoners ranked in the Running Review, March 1987. Glynis Penny (73:24) surpassed Priscilla Welch (75:34) to lead the women veterans. Penny is, however, 35 and is classified as a master, with which she is not pleased, according to Martin Duff, writer for the Running Review.
- John Gilmour, 67, of Perth, Australia, clocked a new M65 world record for 2 miles on March 19 in 10:58.1, breaking Monty Montgomery's 14-year-old standard of 11:30.0.
- For the second time in two years, a race director has committed suicide. First John Hinshaw, founder of an international race in El Paso. Now Clive Longe, director of the Bermuda 10K and marathon, apparently killed his girlfriend before committing suicide.
- Gail Scott, 40, was first female in the Taipei Marathon February 22nd in 2:51:04. Scott volunteered for the foreign trip, which was funded in an effort to send qualified U.S. women abroad.

# schedule

Track and field events feature competition for men and women over age 30 unless otherwise noted. Long distance events generally are open to all age groups with the exception of national masters championships, which may be limited to men and women over age 40. Entry blanks for national and regional championships will generally be printed in the newsletter 30-60 days prior to the event. Please send any additions or corrections to NMN, P.O. Box 2372, Van Nuys CA 91404.

# ON TAP FOR MAY

# TRACK & FIELD

No time wasted this month, starting on the 1st with the 3-day Southeastern Masters Meet in Raleigh, N.C., and the Mt. SAC Relays in Walnut, Calif., on the 3rd. Masters age-handicapping debuts in Alabama on the 9th with the Birmingham TC Classic. The 16th offers two meets: the Florida Masters Championships in Gainesville, and the Redlands Evening Kiwanis Meet in California. On the 23rd, Californians can opt for the Pacific Association Championships in Los Gatos or the Anteaters Classic in Irvine, southeast of Los Angeles. The month ends with the So. Calif. Striders Meet of Champions in Huntington Beach on the 30th. Senior Olympics activities take place in Arlington, Texas, May 13-16, and in St. Louis, May

# LONG DISTANCE RUNNING

Two national championships are scheduled: the 25K in Grand Rapids, Mich., on the 9th, and the 25K racewalk on the 24th in Los Angeles. The massive Lilac Bloomsday 12K in Spokane leads the list on the 3rd, which also brings important marathons to Pittsburgh, Lincoln, Nebr., and Vancouver (Canadian masters championships).

American Mother's Day (10th) marathoners will gather in London, England, and in Ottawa, Canada. Freihofer's 10K For Women is set for the 16th in Albany, N.Y., while the Olympic City in Munich and Revco-Cleveland marathons, plus the Bay To Breakers 12K jamboree in San Francisco, are scheduled for the 17th.

Elby's 20K in West Virginia goes off on the 23rd, and the Brentwood 10K in Los Angeles is fixed for the 24th. The Bolder Boulder 10K in Colorado is the top big-name race scheduled for Memorial Day, while the L'eggs 10K in NYC and the Stockholm Marathon dominate offerings on the 30th. The Louisiana Milk Run Women's 5K Series happens on the 16th and 23rd. The RRCA National Convention and 10K Championships take place in Rockville, Maryland, 14th-17th.

# EUGENE, OREGON An 8 Kilometer Road Race

The course winds through the city of Eugene, with the start at Autzen Stadium and the finish at City Hall.

All finishers will receive a quality T-shirt and be eligible for the random drawings for numerous prizes, including SEVEN GRAND PRIZES (You must be present to win)—Chevrolet Sprint from Romania Chevrolet, two round trip airline tickets to Europe from American Airlines, two round trip airline tickets to the Caribbean from American Airlines, Raleigh racing bicycle from Pedal Power, Raleigh mountain bicycle from Pedal Power, computerized fitness analysis from Sacred Heart Hospital, executive physical or stress management program from Eugene Clinic.

The first place man and woman overall will each receive the Budweiser Performance Award, a \$500.00 cash prize from Bud Light. The first three finishers in each of the age divisions will also receive an award. The names of the first place winners in each age division will be engraved on a bronze plaque which will be permanently placed in the sidewalk in front of the Eugene City Hall.

THE RACE is a benefit for the Masters section of the Oregon Track Club. For entry forms contact THE RACE, P.O. Box 11364, Eugene, Oregon 97440, or call 503-687-8787 or 503-689-9278.

# Write On Continued from page 15

added the 20 lb. weight throw and 4 kilo hammer to their programs. I'm preparing a women's progression list of records for the U.S. and college levels, and would like to receive data on women's hammer and weight marks prior to 1984. (I'd like to contact Sandra Stepp, who has marks as early as 1981.) Please send to me at 1185 Billings Dr., Pittsburgh, PA 15241.

3) Full recognition of the women's 20 lb. weight throw and 4K hammer should be standardized in masters events. It is high time it be done.

David Batchelor Pittsburgh, Pennsylvania

# INDOOR AGE RECORDS

Each month I look forward to NMN, and especially enjoy comparing performances between Canadian, British and U.S. runners. I particularly enjoy your World Records section. Unfortunately, I haven't seen the World Indoor Records published lately. The

last ones I saw were in your January, 1986 edition. Are they forthcoming?

Tom Tushingham Ontario, Canada

(Unfortunately, no. World Veterans Records Chairman Pete Mundle says he has not received indoor data from either the U.S. Indoor Records Chairman, or the WAVA Regional Records Chairmen. The up-to-date outdoor five-year world and U.S. age-group records will be published in NMN next month, but the indoor marks are in a state of limbo. If anyone wants to volunteer to help compile and verify indoor marks, write Mundle (address on page 2). — Ed.)

■ Letters should be addressed to: Write On, NMN, P.O. Box 2372, Van Nuys, CA 91404. They should be kept as brief as possible and are subject to condensation. •They must include a signature and a valid mailing address.

# The Short (or Speed) Sprint by HANK NOTTINGHAM

"Participating Athletes" who make up the vast majority of the competitors and they thoroughly enjoy the Short Sprint

B. Balance - It gives the Sprinters, as a group, approximately the same number of races to compete in as the Distance Runners (50, 100, 200, vs 800, 1500, 5000, etc.). Distance Running is a fine area of Athletics and no negative implication in intended in any way; but the Sprinters should not be 'Short-changed" and deserve the same event maximization that Distance Running now enjoys. Let's effectively meet the needs of all groups of runners for a better overall program.

Note: The 400M, while a fine race, should not be considered a "Sprint" for most Masters Competitors. Very few Masters Sprinters (less than 10% of the Elite Athletes and 5% of the Participating Athletes) who run the 100 will also run the 400. Thus, the 400 is not really a "factor" in Masters Sprinting.

C. Pure Speed (V Max) - The Short Sprint is a test of "pure speed" (like a top fuel dragster) testing reactions, acceleration, and top speed (V Max) but not speed endurance. Speed curve analysis indicates that after 60-70 yards, runners at their maximum tend to slow down (decelerate) so a 100M is partially an "endurance race" (for the last 40-50 yards) and 200 even more so. Thus the Short Sprint adds another dimension to Track and Field... that of "pure speed" racing, like a Cheeta, without an endurance factor tacked on!

D. Comparison - It gives Sprinters, in areas of the country where Indoor

mately how they would fare indoors.

E. Progressiveness - As previously mentioned, more and more Masters Meets are going to a "Short Sprint" and it is being very well received. Meets listed in National Masters News are including a 50, etc. in greater numbers every year and it is probably one of the 'coming events" in the future of Masters Competition

4. Incidentals concerning the Short Sprint are the additional "time" it takes and that it is similar to an "indoor distance", etc.

A. Concerning the "time factor", I can directly say (from having included the 50 in meets for the past several years) that it does not impact significantly on the total program. It is one of the quicker events to "run off" and the positive inputs greatly outweigh any minor negatives that might be incurred

B. Concerning it being an "indoor distance". Yes, it is run indoors, but so are most of the other events. If we follow this type of "negative reasoning" then our Outdoor Meets would look something like the following:

110HH, 400IH, S'Chase, Discus, Javelin, Hammer

All the other events are run indoors in one form or another. Thus, if you go by the premise that if an event that is run indoors should not be run outdoors, you have "eliminated" the vast majority of the events. Obviously, this type of thinking does not "stand under objective analysis.

Note: The 50 is an outdoor dis-

tance (past and present) and historically speaking, other distances than the 100 and the 200 have been run outdoors at one time or another

ADVERTISEMENT

5. Additional reasons for establishing Speed Sprint distance at 50M are as

A. It is the most common distance run outdoors (by a wide margin).

B. It follows the natural progression of 50-100-200-400, etc. that is prevalent in Track and Field.

C. There is no need to extend it "longer" as we have the 100 also.

D. It is a distance at which records are kept by the IAAF and comparisons and ratios can be obtained (with Open Athletes) for statistical purposes, etc.

E. It is a "fun" distance to run; and enjoyment is, or should be, a big part of Masters Track and Field.

6. I would like to urge all the Meet Directors not currently doing so, to include the Speed Sprint (50 Meters) in their program, as this will greatly enhance the attractiveness of your Meet to a lot of Athletes (not just the Sprinters - other Athletes like to run it also!). I might add that, in Florida in 1987, all but one or two meets will have a 50, etc. as a standard running event

7. Comments and suggestions concerning the Speed Sprint are welcomed. Please send them to the address below. Let us move forward progressively and improve our sport with this timely addition. Happy (Speed) Sprin-

the Short Sprint'into the prominence that it deserves; and to give the people who run it the same positive motivation and recognition as for the Medium and Long Sprints (100M and 200M). 2. To Meet Directors who are including the Short Sprint in their program already; and to those who may be interested in doing so, it is suggested that the Speed Sprint be standardized at 50M for comparative purposes (Na-

1. More and more Meets throughout

the United States are holding what may

be called the "Short or Speed" Sprint

(defined as a race between 50 yards

and 60 meters; and it is being very well

received by the vast majority of the athletes involved. The recent establish-

ment of National Rankings for 50

Meters is the first formal effort to bring

3. There are several good reasons to include a Short Sprint in the Meet Program. The primary ones are as follows:

tional Rankings, etc.).

A. Participation - All the Sprinters who run the 100 will generally run the 50; but over half the Masters Sprinters, at the average meet, do not run the longer (harder) 200. A Short Sprint (50) would give the majority of Sprinters (those not running the 200) two sprints to compete in and will make the Meet much more attractive. This trend (of over half the athletes who run the 100, not running the 200) is prevalent at National and Regional Levels, though perhaps not as pronounced. (For example, at the North American Championships in Tampa, over a third of the athletes in the 100M did not run the 200M.) It should be kept in mind that at the local (Association) level, it is the

Track and Field is not prevalent, an opportunity to compare their times with indoor times; and determine approxi-

# 1987 TAC National Masters Track & Field Championships

Hayward Field - MASTERS
Eugene, Oregon\*
Friday, August 14 through
Sunday, August 16

Hosted by Oregon Track Club Masters

Divisions: 5 yr. age divisions for men & women age 30 and

over.

Entry fees: \$10 entry fee (includes first event & T-shirt); \$5

per additional event; \$20 per relay team (teams must belong to the same club; each runner must be entered in meet); an additional \$20 surcharge will be assessed for all entries or

changes postmarked after 8/7/87.

Deadline: Entries received before August 1 will be

confirmed with detailed meet information. All entries or changes postmarked after 8/7/87 will be allowed only if space is available and will be charged an additional \$20. No day of race entry

or changes.

Facilities: All weather Proturf track (1/4 inch spikes

only). Concrete throwing rings.

Awards: Championship medals to top three

Americans in each event. Additional medals to

foreign athletes with equal or better effort.

Eligibility: TAC Registration (available at meet) required of

all entrants.

**Brunch:** A first-class brunch will be served Saturday,

10:30-12:30 at the Eugene Hilton. Great food,

great company.

# BAY COLONY PROPERTIES

# The Sixth Annual Waltham Masters and Submasters Track and Field Invitational

Hosted by: The Waltham Track Club

Sponsored by: Bay Colony Properties, Nike, Pepsi Cola Bottling Group

Date: Saturday, June 13, 1987

Place: Massachusetts Institute of Technology, Vasser St., Cambridge, MA

Time: Open 20k Walk — 9:00 a.m. Field Events — 9:30 a.m. Running Events — 11:30 a.m.

Entry Fee: \$11.00 per participant. Each participant may enter up to 3 events.

Post Fee: Registration after June 6, \$13.00

Awards: Prizes to top 3 in each event. (Top 5 overall men and women in 1500 walk — no age groups for this event).

Refreshments: Free for all participants

Sanctioned: By the N.E.A.C.

Eligibility: Age is determined by your age on the day of the meet **Age Groups**: Men — 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-over

Women - 30-39, 40-49, 50-59, 60-over

Events: 100m hurdles (men only, unless 3 or more women are pre-registered)

20k open walk, 100m, 200, 400, 800, 1500, 1500 walk (open event), 3000m, long jump, high jump, shot put, discus, javelin Meet Headquarters: Howard Johnson Hotel, 777 Memorial Drive, Cambridge, MA 02139 (617) 492-7777. Numbers, time schedules, and participants' packets may be picked up in the hospitality suite at meet headquarters on Friday, June 12, 1987 from 7-10 p.m. (Saturday registration from 8-12). Refreshments will be served. In addition, John Hancock will be hosting a Boston Marathon Runner's Clinic from 7:30-9:00 p.m. for all participants.

Directions to the Track: From Mass Pike take Allston-Cambridge Exit 18. Follow Boston/Cambridge signs in right lane and then Cambridge/Somerville signs .7 mi over bridge making a right onto Memorial Drive. Go approximately 1 mi to Amesbury St. (the traffic lights at the Hyatt Hotel) and make a left. Drive 2 blocks until you reach Vasser St., make a right turn and continue .4 mi to MIT on your right. Parking is available in designated spots on the street or in the parking garage across the street from the track.

For further information contact: Waltham Track Club, 88 Russell St., Waltham, MA 02154 (617) 893-3828 or Patty Mac Hewitt, (617) 729-7584.

• TOURS. 1988 Olympics (Seoul), 1987 World T&F Champs. (Rome), 1986 Commonwealth Games (Edinburgh), etc. Popular sports tours since 1982. Write for information.

TRACK AND FIELD NEWS P.O. Box 296 • Los Altos, CA 94023-0296 USA

# A STABILITY SHOE DOESN'T HAVE TO FEEL LIKE HELL.

Most shoes that attempt to save runners from pronation end up punishing them with a hard, inflexible ride. Not the Nike Air Support. Here is a stability shoe that also absorbs shock. Better than any other. With Nike-Air. A revolution in motion.
