# Dennis Sets Two World Records in California

BERKELEY, Calif., July 18. In one of the most amazing one-day performances ever seen in masters track & field, 50-year-old Ken Dennis today set two world records for men aged 50-54 in the Northern California Seniors Track & Field Classic at Edwards Stadium.

The 1955 California high-school 100-yard champion (10.0) from Los Angeles broke two of the strongest records on the books.

First, he blazed to a time of 11.2 in the 100-meter-dash, beating former national M50 champion Bruce Springbett of Los Gatos, Calif. and Midwest titlist Paul Williams of Cleveland, Ohio.

Dennis' time broke the old M50 world standard of 11.3, set by Olympian Thane Baker in 1982, and tied by Williams June 21 in the Hoosier Classic in Indianapolis.

Two hours later, Dennis, whose Continued on page (

Phil Raschker, 40, who has broken multiple world and American records since joining the W40-44 division, continued her spree with one world and one national record in TAC's Tennessee Masters T&F Championships, held at the University of Tennessee's Tom Black track in Knoxville, June 19-21. However, she shared some of

the glory with Lurline Struppeck, who also picked up another W40-44 American record.

Raschker, with a 11.9 in the 100m, broke one of the oldest 40-and-over world marks — 12.0 by Ireland's Maeve Kyle, set on April 25, 1970. Raschker's American record came in the high jump when she upped one of Continued on page 6

#### Morcom Sets World M65 Long Jump Mark

#### National Pentathlon Held in Los Angeles

by GARY MILLER, Meet Director The 1987 U.S. TAC National Masters Pentathlon Championships were held at Occidental College in Los Angeles, June 20. The combination of experienced TAC officials, a worldclass facility and 52 well-trained athletes resulted in many close and exciting contests.

Boo Morcom, 66, of Wilmot Flat,

New Hampshire, was the most outstanding performer. Hard to believe, bu Morcom set two five-year work records in the five-event competition He long-jumped 17-2½ with the winc in his face, to break the old M65-65 mark of 17-0½, set by West Germany's Hans Bitter in 1985. His overall total points bettered all previous M65

# Jordan, Patsalis and Pickarts Break World Marks in Southern California Championships

by WOODY STUDENMUND, Meet Director

LOS ANGELES, June 20. "The three P's" — Payton, Patsalis, and Pickarts — headlined this year's Southern California District Masters Track and Field Championships by breaking world age-group records in a meet marked by perfect conditions and a record turnout. Over 220 athletes competed on Occidential College's "Coliseum-clone" facility in a meet that followed the National Pentathlon Championships held earlier in the day.

The most sentimental of the three records was a fabulous 26.8 200 by Payton Jordan. Running into a slight head-wind, the 70-year-old Jordan was away quickly and ran smoothly throughout to destory his own pending 70-74 record of 27.4, as well as the listed M70 mark of 27.5, held by South Africa's Fred Reid.

Payton, former Olympic and Stanford track coach who also coached at Continued on page 5

#### **ALL-AMERICAN-AWARDS**

I think the M45 standards for the 5000 (16:42) and 1500 (4:31) are far too tough. There's no way on God's earth I can even get within 40 seconds of that 5000 time, and yet I beat the 10K standard (36:00). If you were to interpolate, it would mean the 10K would have to be lowered to around 35 flat. It may just be that 36 is too soft; your 1500 is way out of reach, also, by at least 15-20 seconds. But, I did at least hit the 10K standard, so I'm pleased.

Bill Adams Bartlesville, Oklahoma

Thank you for making the All-American-Awards possible for "normal athletes" who work hard to catch those "great athletes." We probably never will, but the All-American program helps us to keep trying.

Ross Jensen Overland Park, Kansas

It was not easy for me to earn Masters All-American. I realize I just sprinted in under the wire (35:00 10K, 40-44) with my 34:53, so I will definitely agree that I am nowhere near the Jim Ryuns or Bill Rodgers. Who knows?

Perhaps I am the slowest All-American 40-44 runner in the U.S.A.!

It hurts, however, to see your speedier readers dumping on my efforts, and the efforts of a few thousand other serious runners, and a few million other decent serious runners. After all, TAC set the standards. Personally, I think the standards are quite fair. There are 700 major league baseball players in the U.S.A., but I'd be surprised if there are 700 sub-35 10K runners over 40 in America.

For Bill Stewart or Barry Brown or Sal Vasquez, a 35:00 10K might be a speed workout; for me, it was the most important thing I ever did in my whole athletic life. I run Long Island, and in this vast area of gung-ho runners (we had 8,000 in the largest Half-Marathon in the world this year), I'd be surprised if there are ten masters who can beat 35:00.

So gimme a break, willya guys? There are a few hundred of us out there who will never be Babe Ruths and Ty Cobbs in the 10K; we might even warm the bench a bit, and bat .238 or so. But through pluck, hard work, and dedica-

#### McCubbins Sets Record in Cascade Run-Off

by TERI INGRAM

Canada's Chris McCubbins, 41, raced to an amazing 45:35 in the annual Cascade Run-Off 15K in Portland, Oregon, June 28, to set a new North American masters record and demolish an outstanding field of top masters runners.

McCubbins lowered the Canadian masters 15K record by nine seconds, and, at the finish, had more than a full one-minute margin on the likes of Britisher Mick Hurd (46:35), Mexico's Antonio Villanueva (46:40), West Germany's Guenter Mielke (47:41), England's Allan Rushmer (48:02), and U.S. runners Atlaw Belilgne (48:18) and Barry Brown (48:48). McCubbins' time was 23 seconds faster than the American masters record of 45:58, set by Bill Stewart in 1983.

Clive Davies, 71, of Oregon, broke his own American age 70-74 15K mark of 1:02:03 by running a 1:01:49. Patricia Dixon, 68, ran 1:17:06 to break Algene Williams W65 record of 1:18:04.

Priscilla Welch, 42, easily won the women's masters division with a 51:12, over five minutes ahead of Idaho's Gabriele Andersen, 41 (56:47).

McCubbins and Welch picked up \$1000 each for their masters-overall wins on the slightly-hilly course, which was filled with the distractions of bands, bellydancers, barbershop singing and 7500 other runners.

Excellent performances were also turned-in by Ray Hatton, 55 (51:00) and Gina Faust, 50 (59:37). Hatton was ninth master and beat everyone in the M50 division. Faust took her division by three minutes.

# Raschker Continues Record Spree in Southeast Regionals in Atlanta

by JERRY WOJCIK

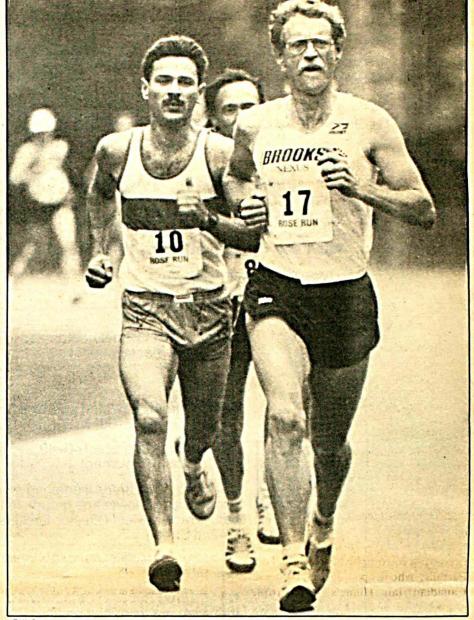

Phil Raschker, 40, led the Atlanta Track Club to the "National Masters Team Championship" with eight first places and three seconds, which included two world and three national records, in the Southeast Regional Masters Championships in Atlanta on June 6.

Raschker, who set a national W40-44 record of 12.76 for the 80-meter hurdles (30") in early May, ran the event in 11.98, erasing Una Lund's world W40 record of 12.39. Her second world mark was 70.59 in the 400-hurdles, a newly-recognized official event for women this year.

Two of the three American records revised by Raschker, in the 100m and 200, had belonged to Irene Obera of California and were made in 1976. Raschker reduced Obera's 12.6 and 26.1 to 12.29 and 25.66. The world record for the 100m of 12.0 is held by Ireland's Maeve Kyle and goes back to 1970. The 200 world record is 25.0, set by Denmark's Vivi Markussen in 1980.

Raschker's third U.S. record came in the high jump, when she went 5-0 to up her month-old mark of 4-11.

The Atlanta TC outpointed the defending champion Birmingham TC, 685 to 362, for the unofficial "National Masters Team Championship." Raschker's teammate and ex-Olympian, Phil Mulkey, was also a large factor in Atlanta's victory, with eight first places and two seconds, including a U.S. age-54 record in the 110HH (16.92), in the M50 division.

### Stewart, Naughton Win the Roses

by PHIL LOOMIS

Bill Stewart, 44, broke the masters' course record of 33:29 with a fast 32:28 in the Jackson Rose Run 10K held June 6 in Jackson, Mich. to claim bragging rights over fellow Ann Arbor Track Club member, Wally Herrala, whose 33:00 also broke his old record.

Sharon Naughton, 49, posted a 42:34 — an average 6:51 per-mile — to win female masters honors.

"Stewart took off like a mad man," said Herrala, this year's Michigan Runner-of-the-Year. "I wanted to run a steady 5:12-pace, which I did until

my calf started bothering me in the fifth mile."

Stewart, unaware he had broken the masters course record, said "I felt good. It was nice and cool. I've been trying to run 14 to 17 miles each day with the exception of one day a week, when I do intervals. Last week I ran 120 miles."

Naughton, who started running at age 40, said she was recuperating from a bad cold. "I ran a good, steady race. It didn't seem tough because I train on hills and was just 12 seconds from a PR."

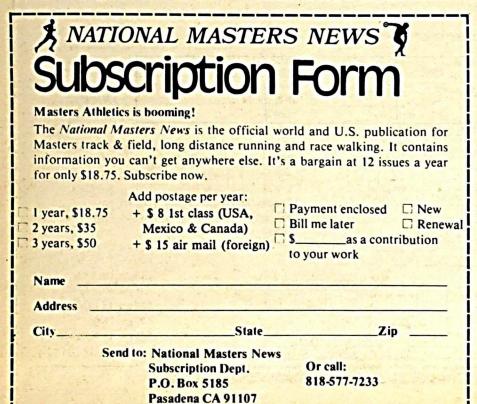

#### Loudat, Randall Break U.S. 3000 Records

Record breaking performances highlighted the 6th Annual Waltham Track Club's Masters Invitational Meet at MIT's Steinbrenner Stadium on June 15. Web Loudat, M40, and Kirk Randall, M45, broke American age-group records in the 3000 with Loudat running 8:43.7, and Randall 9:06.6. The previous M40-44 record of 8:50.0 had been held by Hal Higdon, and the M45-49 record of 9:14.2 belonged to Pete Mundle. Both records were set in 1975.

Additionally, 27 meet records were broken. Included in the record-

breaking track performances were Robert Walker's 51.1 in the M30 400; Archie Messenger's 2:31.8 in the M60 800; Sandy Stoddard's 4:06.0 in the M40 1500; Jim Haley's 4:26.9 in the M50 1500; and Barbara Sauer's 2:41.0 in the W30 800.

Records in the field events were set by Robert Sing, M30, javelin (216-4); Peter Hoogland, M35, long jump (23-2); Carl Wallin, M45, shot put (47-9); Fred Barnes, M55, long jump (16-10½); Don Knapp, M65, javelin (97-5); and Irene Thompson, W35, long jump (17-0).

than just fond memories in mind when he said that!

Of the three record-setters, the most fired-up seemed to be 65-year-old Tom Patsalis, who leaped 35-21/2 to break Canadian Ian Hume's 65-69 triple jump record of 34-1134. Patsalis, the world M60 record holder in the long jump and triple jump, recently moved up in age and was "ready for bear."

Tom was scratched from the high hurdles because he was late arriving from the long jump (which he also won), but (luckily for the meet director) he took out his aggression on the triple jump runway. His record jump came on his last effort, but it followed a fifth jump of almost identical distance . . . he almost broke the record twice in one day!

The most predictable of the records was the 183-8 javelin throw of 60-yearold Del Pickarts. Pickarts, whose Continued on page 8

#### The Ultimate Sacrifice

hey say that opposites attract and complement each other. That seems to be the case with my wife and me.

Gina is very high strung; I'm low key. She likes seafood; I don't. She can't stand New York City; I think it's a great place. She reads mostly fiction; I never do. She hates football and boxing; I enjoy them. I could go on and on, but there is one major conflict in our personalities, interests, and lifestyles that sets us apart more than anything else; Gina is a smoker; I'm a runner.

As Gina sees it, runners are all weirdos; As I see it, smokers are all sickees.

Over our 14-year marriage, each of us has learned to adjust to the other's negative addiction. Of course, I consider mine a positive addiction, but Gina laughs at that.

The biggest sacrifice Gina has had to make had to do with our meal schedules. Most every night she waits dinner while I religiously get in my 7-9 mile workout. On weekends or on trips she has to arrange our meals around my training or racing plans.

During the first year of our marriage, Gina attended some running parties and banquets with me. But she got tired of feeling, as she put it, "like a

"The sleazy guy next to me apparently never heard of low-tar, low-nicotine cigarettes and everytime he lit up, I would add five seconds to my time."

criminal" when she ducked outside for a quick smoke. Some runners — mostly former smokers — would attempt to rehabilitate her, which she resented because of their "self-righteousness."

Compared to hers, my sacrifices have been few and far between. But occasionally I make THE ULTIMATE SACRIFICE. When we travel by air, I sit in the smoking section with her.

I don't complain about a little smoke

After a double false-start, Bob Watanabe (right) sets a new M60 meet record (12.5) for 100 meters at the Sport-Arcade meet, Calif., March

in restaurants and other places, but the smoking section on an airliner is something else. From the very moment I sit down, I feel like I'm in an alien environment.

Gina says runners are weirdos because all that you hear from them is a bunch of numbers (440, 880, 2:59, 32 minutes, PR by six seconds, etc.) and stupid excuses ("I didn't do enough interval training"). But that doesn't seem nearly as bad as what I observed in the smoking section on my most recent flight to San Francisco. First of all, there was this guy who carried on a conversation with himself most of the flight. Then there was a middle-aged woman who just kept hacking away from the very first minute she sat down. And this guy with a sleeveless leather vest, a purple streak through his hair, a gold earring and tattoos up and down his arms.

Talk about weirdos. The smoking section had plenty. They don't bother me, though. What does bother me is the thought that my wife is a member of this strange group. Except for her smoking fetish, she does not seem to fit in.

Wearing my Nike Hawaii team jacket, I felt out of place, but I settled into a seat between Gina and a somewhat sleazy looking guy with an apparent Rambo complex. As soon as the plane was off the ground and the pilot turned off the "no-smoking" sign, everyone in my section seemed to act in unison, fumbling around for their pacifiers and lighting up as if they had been deprived for days. You could see the contentment come upon them as they took that first drag and blew streams of smoke.

As the compartment filled with smoke, I recalled reading about a laboratory study somewhere, the results of which indicated that second-hand smoke negatively affected the running performances of non-smokers in the lab. I had planned to run a 10-K in the San Francisco area on Memorial Day and I was looking for a fast time.

But as I inhaled the clouds of smoke around me, I could visualize seconds being added to the finishing clock.

The sleazy guy next to me apparently never heard of low-tar, low-nicotine cigarettes and everytime he lit up, I would add five seconds to my time. Along about his sixth light-up a more serious concern struck me: Can you get AIDS by taking in smoke that has cir-

"It didn't work out that way, however. Come race day, I was the one smokin'. I ran my fastest 10-K in two years by more than 30 seconds."

culated through the nasal passages of an infected person?

About that time, I got up and walked back into the no-smoking section. It's amazing how much fresher the air was there. Not only that, but the people appeared normal. They all looked like clones of Pat Sajak and Vanna White, real clean-cut, healthy, normal, All-American people. They wore Nikes, Adidas, Reebok, what have

you. They didn't talk to themselves and I didn't see purple streaks in anyone's hair. I was in friendly territory.

But love dictated that I return to sit next to my wife. It was the least I could do considering all the sacrifices she had made for me. By the time the plane landed, I had mentally added a good 30 seconds to my planned 10-K time.

It didn't work out that way, however. Come race day. I was the one smokin'. I ran my fastest 10-K in two years by more than 30 seconds.

I guess the lesson here is that you can turn even the ultimate sacrifice into a challenge and overcome it. If a person can overcome the adversity of the smoking section of a jetliner, he or she can handle just about anything.

I know I feel much stronger because of that experience. I'm ready to take on anyone or anything — war, famine, pestilence, even Jacqueline Hansen and all the other ladies (oops, sorry, Jacqueline — make that gals) who chastised me for promoting equality.

Just don't tell me that Vanna smokes. I couldn't handle that.

asthma problems normally limit his speed in the long sprint, uncorked a brilliant turn and powered down the straight to again defeat Springbett and Williams. His time of 22.9 easily bettered Baker's official world M50 200 mark of 23.4, and narrowly eclipsed the pending record of 22.91, run by Britain's great Ron Taylor last year.

Both Dennis' marks were run within the allowable 2.0 meters-per-second wind readings, and are subject to approval by the World Association of Veteran Athletes (WAVA) Records Committee.

Meet director Martyn Adamson found time, amidst his organizational duties, to win the M45 100, 200 and 400

# Brown, Dalrymple Bloom in Lilac 10K

by ED CLOOS

The Manufacturers Hanover Lilac 10K, May 17, in Rochester, N.Y., featured two of the world's best masters runners in Barry Brown and Allan Rushmer, and they put on a race worthy of their reputations.

Rushmer, of Warley, England, was the defending champion, but Brown, a local favorite and summer resident of Glens Falls in upstate New York, was the decisive winner. Rushmer said it was his first loss to Brown over the 10K distance.

Brown had no thought but to win, this time, as he forced the pace from the beginning with Rushmer's greenstriped singlet practically glued to his back. He made his move in the tough going of the last half mile which included a short hill and an uphill grade to the finish. Rushmer couldn't answer and finished 14 seconds behind Brown's 30:40. Brown collected \$750 and Rushmer \$500. They finished 13th and 18th overall.

Third place masters went to local 40-year-old Dave Tresohlavy with a 32:41.

Cindy Dalrymple of New York won the \$500 prize for first masters woman with a 40:13. Local runner Lois Hotchkiss won \$300 for second (44:17).

Brian Ferrari was the overall winner in 29:08. Kellie Cathey was first

women in 33:47. First-place men and women each earned \$1500.

There were 2305 finishers, 518 of them 40 or older.

qualifying standards needed to enter, except to be at least age 30. The entry form was printed in last month's issue. Deadline is August 7, but late entries will be accepted if space is available for an extra fee of \$20.

Low cost residence halls are available at the University of Oregon, adjacent to the track. The Eugene Hilton, the meet headquarters hotel, is offering special rates for participants and their families.

A special opening ceremony will be held on Saturday at 4:30 p.m. Awards for the 1986 Masters T&F athletes-of-the-year will be presented by Chairman Jerry Donley at the brunch at the Hilton on Saturday.

Following the brunch, the annual Masters T&F meeting will be held. Everyone is welcome. Bring your ideas for improving the Masters T&F program. While none of the business discussed at this meeting is officially binding, recommendations are usually ratified at the official Masters T&F meeting at TAC's annual convention in December.

The complete results of the meet — including heats — will be published in next month's issue.

### Jordeth Wins National One-Mile Road Championship in Olympia, Washington

by TERI INGRAM

Six masters course records were set on the gradual downhill of the Mainstreet Mile, June 21st, in Olympia, Washington by: M40 John Jordeth (4:09), W40 Carol Flexer (4:48), M45 Chuck Winters (4:16), M50 Derek Mahaffey (4:32), M55 Ralph Miller (4:32) and M60 Orlo Keniston (5:02).

The race, which was held on Capitol Way, was the first national masters road mile championship of TAC. Overall winners were Raymond McClanahan (3:57) and Gwen Hundley (4:44).

# On Approaching Every Problem by W. MacDONALD MILLER

#### The End of an Era

It is the end of an era. All good things must come to an end, and, after 78 monthly columns - a span of six-and-a-half years - W. MacDonald Miller has decided to take an "extended vacation" from writing.

"I think I've said all I have to say," he reflected in a long phone conversation. "Besides, I'm into a new business — training steeplechase horses — and it takes a lot of time."

Miller still runs a little, but doesn't direct meets and races as he used to.

"And after all the criticism last winter," he confided, "I subconsciously began to self-edit my stuff."

He says he'll write a column, from time to time, "as the spirit moves me." We hope it moves him often, and, until it does, we may run an occasional "Best of Open Mouth" column to help soften our withdrawal symptoms. — Ed. [

While the rest of the entrants didn't break other five-year world records, they did superbly well, nonetheless:

Christel Miller, 52, took time out from helping put on both meets to win the discus in a PR 82-0 and the 80m hurdles in 15.1.

tional and world titles with outstanding times of 10.8 in the 100m and 49.8 (from a standing start!) in the 400.

Eugene Driver, 37, blasted a 21.4 200 after getting nipped by Marion Mc-Coy in the 100m (both were timed in 10.8).

Frank Duarte, 45, cruised to a 15:54.7 5000 that was held under the lights after much of the crowd had left.

Bob Hunt, 67, the world record holder in the highs, ran a superb 17.7 100m hurdle race and threw in a 53.0 300-hurdle victory as well.

Ed Bouldin, 39, and Ron Laird, 49, former internationalists in the racewalk, won their divisions of the 5000 walk by impressive margins.

Carl Brazelton, 36, missed the American M35 record in the pole vault by only seven inches and had to "settle" for 15-6.

Top three masters in the Cotton Row 10K, May 25, Huntsville, Al., were, from left: Bob Ulrich (32:47), Atlaw Belilgne (32:34), and Don Coffman (32:41).

#### Walters, Belilgne Win at Cotton Row

by TERI INGRAM

The name Harolene Walters is becoming commonplace, what with her taking the first women's masters spot in the Tropicana Easter 10K, finishing first woman overall at the Centerpoint Mall 10K, June 21, and having already qualified for the 1988 Olympic Trials by running 2:51:23 at the L.A. Marathon, March 1.

Walters has done it again, taking top female masters honors at the Cotton Row 10K in Huntsville, Alabama, May 25. She ran 38:31 in the pouring rain, beating out 41-year-old Bobbi Rothman (38:40) and newly-40 Becky Baum (38:51). The top-seeded master, Cindy Dalrymple, won her W45 division and fourth masters spot in 40:07.

Atlaw Belilgne, 42 (32:34), put on a furious kick to triumph over Don Coffman, 44 (32:41), and 40-year-old Bob Ullrich (32:47). Belilgne knew before the race that he would have his work cut out for him, since ten masters men with sub-32-minute PRs were entered in the race, including Jeff Galloway

Top three masters in the Cotton Row 10K. Huntsville, Al., May 25th, from left: third-place Becky Baum (38:51), first-place Harolene Walters (38:31) and Bobbi Rothman (38:40).

(who didn't show), Larry Olsen (who was ill and didn't run), Deon Dekkers, and Belilgne himself. When Belilgne decided to drive from New York with his three children, many considered him out of the running. But he managed to overcome the fatigue from the long drive for his third straight victory at Cotton Row and a 30th-overall finish in a field of 2700 over the tough, hilly course.

Notable, also, was 50-year-old Nancy Parker's eighth-place women's masters showing in 42:24.

Other age division winners included Michael Horton, M45 (31:20), Adrian Craven, M50 (33:08), Gerry Williams, M55 (36:28) and Gordon English, M60 + (39:30).

Overall winners were Patrick Sang (29:33) and Sue Jackson (34:29).

# Welch, Smith Top Masters Prize Winners in Boulder

by JERRY WOJCIK

Two weeks after her phenomenal 2:26:51 in the London Marathon, Priscilla Welch, 42, was the top masters money winner (\$1200 for her 10th-woman overall 35:57, plus \$100 for leading all women at one mile) in the Bolder Boulder 10K in Boulder, Colo., on May 25.

Welch, of Britain, who has lived in Boulder for three years while her husband attends school there, was running her first Bolder Boulder. "That (the London marathon) was the race we pointed for," Welch said, "so I didn't race this one hard. But I did want to be a part of this. I mean, I live here. And I should do it."

Second masters woman, Gail LaDage Scott, 41, Durango Colo... won \$800 with a 38:40, and Betty Pop per, 44, Littleton, Colo., received \$500 for third in 40:52.

In the best masters field ever in the nine years of the event, Tracy Smith, who set an American masters 10K record of 29:50 in April, won a narrow victory and \$1200 by two seconds from Web Loudat. Smith, 42, of Bishop, Calif., zipped by Loudat, 40, of Albuquerque, on a hill leading to the finish line to close in 31:47.

Loudat, winner of \$800, was seven seconds ahead of Antonio Villanueva, 46, of Jalapa, Mexico, who pocketed the third-place \$500 check.

Villanueva's countryman, Arturo Barrios, 24, led a platoon of Mexican runners, who claimed 10 of the first 13 spots, to the open victory (29:06). Canadian Nancy Tinary, 27, was the women's winner in 33:59.□.

### Desenex Rubs Frechette, Shaver the Right Way

by ED CLOOS

There was modest prize money, but the masters race was for pride as local stars Derck Frechette and Dave Tresohlavy hooked up in the Desenex 8K Run on Park Avenue in Rochester, N.Y., May 29.

Frechette avenged a loss suffered 12 days earlier with a strong finish and a 10-second masters victory margin (11th overall) in 25:09. First prize was worth \$75 and second was \$25.

First masters woman was Mary Shaver (32:17), followed by Lois Hotchkiss in 33:33. Prize money in all cases was the same for women and men. The race was run on a certified course, but a wrong turn by the lead vehicle cut a block off the route, making times inaccurate.

Olympic marathoner John Tuttle repeated as overall winner in 23:19, winning \$200. First woman was Kathy Brown in 29:12. There were 686 finishers.

Sponsor Pennwalt, Pharmacraft Consumer Products Division, made it possible to turn over all \$5,805 in entry fees to CURE Childhood Cancer Association. The race was sponsored jointly by the Greater Rochester Track Club.

#### The Perfect Running Excuse

ou can pick up any running magazine and read about The Perfect Training Program, The Perfect Runner's diet, or How to Run the Perfect 10-K, but do they tell you what to say when some guy pushing his infant son in a running stroller outkicks you in the Family Footrace?

These know-it-all magazines might help to explain what happened to your body when you "hit the wall" at the 20-mile mark in your last marathon, but what do you say when your neighbor's 12-year-old daughter passes you in the local fun run?

What you need is what the running magazines have so far failed to deliver: The Perfect Running Excuse.

Relax, I know there isn't one perfect excuse that fits all occasions anymore than there's one perfect shoe that fits all feet, but having mingled with runners of all ages, abilities, and alibis, I have come up with a list of "can't miss" running excuses for almost every running occasion.

1) The Perfect Pre-Race Excuse: It's the big hometown race. Everybody will be there, including world-class runners, the media, non-running family and friends, and that cute redhead who teaches aerobics at the Fitness Farm.

Sure, you've been training, but you know your limitations, and even if you have a good race, it'll be overshadowed by the big names. This is not a "cherry pick." Several women will smoke you in this one. What to do? How to save face?

Show up on race day looking very relaxed. Under dressed. No flash. Leave your Sock Racers at home. Wear your favorite training sweats, and don't - I repeat - DON'T warm up at the race site. Just stand around looking tired. Then when people ask you what's wrong, tell them: (a) "Wrong? Oh, I feel okay...well, I had a 105 fever last night, but I'm just going to jog easy;" or (b) "I guess I haven't recovered yet from that last string of 100-mile training weeks;" or (c) Tell them you're following the Jeff Gallopaway Training Program, which dictates that you "run through" this race. Running through a race means that you don't taper, you don't rest before or after. You're using the race for a hard training run. In short, The Perfect Excuse for a mediocre time.

By the way, it's become rather chic to show up for a race that you ran 10 or 15 miles to get to. No, you don't run

this race, but you hang out and enjoy a few Lite beers, and talk about this new program as if it's really going to improve your times.

If someone asks what you're training for, you must think big. Tell them Boston, New York, Paris, or the World Veterans Games in Melbourne, Australia. Any big race that's at least six months down the road. Anything can happen in six months.

2) The Perfect Post-Race Excuse: Okay, you made the miscue of telling people you were going for a PR (Personal Record), and, well, let's face it, you failed miserably — practically a PW (Personal Worst). Don't console yourself with that "all-finishers-arewinners" hogwash. What you need is an excuse — and a damn good one!

Take your pick:

A) The Inaccurate/Unmarked Course Excuse: If the course was poorly marked or had lots of turns, or, better yet, out in some deserted vineyard, you went off course and ran at least an extra mile. If the course is not certified, then you're sure that the third mile was long. Here it helps to get a front runner to agree with you.

B) The Big Owie Excuse: You reinjured your 1) Hernia; 2) Hamstring; 3) Sciatic nerve; 4) Hemorrhoidal tendon; 5) Plantar fascia (don't worry about pronouncing it right, they won't know — or care — what you're talking about anyhow).

C) The Heavy Mileage Excuse: (refer to #1b) This popular excuse works well anytime.

D) The Zero-Mileage Excuse: You haven't run in three weeks because . . . you'll think of something.

E) The Couldn't-Pass-Up-A-Cheap-Thrill Excuse: (perfect for road trips) You met this ultra-marathoner at the carbo-loading party and thought a little pre-race warm-up might help you sleep more soundly. That evening taught you a whole new meaning to heavy endurance.

Remember, The Perfect Running Excuse relies as much on delivery and timing as it does on substance and sincerity. You don't finish a race with snot in your mustache and crack: "That was a tough sombitch!" But rather, after someone else mentions the hills, "Yes, the course was deceptively difficult." This implies that you didn't run as fast as you planned, but you have accepted the challenge, and you'll be back next year.

Another point to keep in mind: People get tired of listening to excuses. The Perfect Excuse should not sound like an excuse. The Perfect Excuse is a lot like the perfect race — it's effortless. The Perfect Excuse should be as easy as telling the truth. However, no matter how desperate you become, don't rely on the truth for an excuse, as it is usually too corny to be believed.

One more point before we go on to number 3. When someone asks you your time, don't always give it in seconds. For example, if your time was over 36:30 but under 37, forget the seconds and just say 36. If your time was under 36:30, then mention the seconds. I call this "positive rounding off"

If you want to throw someone off balance or know someone who can appreciate a little humor, try this one. In a 10-K last year I was disappointed because I planned to go under 35, but ran 35:02. When a friend asked me my time, I said: "Thirty-four..." and I paused only briefly, "sixty-two."

3) The Perfect Excuse for Non-Running Friends Who Weren't There: Forget an excuse for these flab-lubbers. They don't know jack cheese about running anyhow. Just LIE! Tell them you won. After all, when is the last time your local newspaper even bothered to publish any race results?

#### One World and Three U.S. Marks Set at Indy

by JAMES WARE

The 9th Annual Hoosier Track Classic at Indianapolis on June 21 drew 125 masters athletes, and this relatively small group literally rewrote the record book, setting one world record, three American records, and 57 meet records.

Besides that, 60 marks exceeded the TAC Masters Standards of Excellence, including the first three places in the M40-44 100m, M45-49 100m, and all places in the long jump for every group M45 through M80.

Clarence Ray of Detroit raced to a 10.52 in the M40 100 to break the 15-year-old world M40 record of 10.7, set by Olympian Thane Baker in 1972. Ray then erased Baker's U.S. M40 200 mark of 22.3 with a 22.22.

Paul Williams of Cleveland tied the American M50 record of 11.3 in winning the 100.

Sheila Evans of Indianapolis set an American record in the W70-74 triple jump of 19-5. Evans already holds the W70-74 world record in the high jump.

Another Indianapolis resident, Donna Pope-Green, W30-34, won the long jump with a leap of 20-34. She had a jump of 19-6 at Madison, Wisc., in March.

Another outstanding performance was turned in by Gary Oliphant of Wichita, Kansas. His time of 5.80 in the M45-49 50m would probably qualify as an American record if any records where kept in this event. He also won the 100m (11.2), 200 (23.9), and long jump (18-3½).

JoAnn Grissom, a former Olympic medalist and present age-group holder, did an excellent job as head timekeeper.

The winning West Valley Joggers & Striders 40-49 team at the National 20K Championships in San Diego, March 28, consisted of (I to r): Don Dugdale, Jake White, Tim Rostege, Dave Rivera, Sal Vasquez and Frank Ruona.

# Walker Wins 25K Race Walk Championships

from ROSE KASH

Larry Walker of Canoga Park, Calif., won the U.S. TAC National Men's Masters 25K Racewalk Championships in Long Beach, Calif., on May 24 with a national age-44 record 1:59:59. Walker, a several-time Olympic qualifier, also led the California Walkers club to the masters team championships.

Max Green, 55, of Taylor, Mich., was second in 2:14:06, and Ron Brennan, 40, of Phoenix came in third with a 2:15:53.

In addition to Walker's record, masters men's age records were set by Bill Talmadge, 71 (2:52:12), Gordon Wallace, 77 (3:09:45), and Tony Perona, 78 (3:09:03).

The race was also the Southern Association/TAC 20K championships for masters women. Jolene Stiegerwalt, 43, of San Diego finished first in 2:07:00. Caroline Butler, 40, of Costa

Mesa, Calif., placed second in 2:08:17, which led the Easy Striders team to the masters team victory.

National age records were set by Jill Latham, 50 (2:14:03), Ruth Sorensen, 65 (2:19:30), and Anne Long, 51 (2:31:53). The race also served as the national championships for senior women and was won by Teresa Vail, 24, of New York with a U.S. senior women's record of 1:42:24.

The events, organized by the SCA/TAC Racewalk Committee and directed by Jim Hanley, drew a total of 81 starters from 15 states and three countries.

#### **Utes Pinches Prize**

For the 23rd annual running of the Michigan City (Indiana) Run on June 21, race director Hal Higdon offered age-graded prizes, hoping to reward some of those near to him in age, but only Warren Utes of Park Forest, Ill. rose to the challenge, winning the 65-69 division in 61:27 on the certified 15K course.

Utes won \$50 for the third-best agegraded time, but the top two male finishers - Scott Jenkins and Mike Dobrient of Milwaukee - won the other two age-graded awards (\$150 and \$100) as bonuses to cash prizes of \$300 and \$200 for finishing one-two in 47:12 and 48:45, respectively.

Nadine Wiencik, a junior at Purdue, was first female in 59:25, but couldn't accept the \$300 prize because of NCAA restrictions. First over-40 female was Althea Laitinen in 71:01,

while Warren Johns was best male master in 53:27 on a hot and humid

The age-graded prizes were offered to the runners coming closest to the five-year national age records for 15K. "We may increase the percentage of age-graded prize money next year," said Higdon, "because, as Jenkins and Dobrient proved, the money goes to the fastest performers, regardless of

Higdon, slowed by an injury to his right leg, was unable to compete in his own race. Dr. George Sheehan, who appeared as guest speaker at a pre-race banquet, also failed to run because of an injured left leg. "If we put the two of us together," said Dr. Sheehan, "maybe we could come up with one good runner."

#### Ross, Gehling Conquer Garden of the Gods

Despite 70-degree heat and a rocky, hilly course, Frank Mencin (M35, 54:52) and Lisa Kolb (W60, 1:20:57) turned in good times in the Garden of the Gods 10-mile race in Colorado Springs, June 7.

Don Ross (58:24) edged Larry Ingram (58:28) for the M40 crown, while Rosalia Gehling was first over-40 woman in 1:11:35. More than 2500 runners participated.

The Garden of the Gods race is the first in the "KRDO Triple Crown of Running," a series of three races in the Colorado Springs area. The Diet Pepsi 10K on July 19 is part two, with the Grand Finale being a choice of the Pikes Peak Ascent on August 22 or the Pikes Peak Marathon on August 23.

#### **Ankle Sprains**

I have been an avid long distance runner for the past several years. I enjoy running but I am continually spraining my ankles. I have been told that I have weak ankles and to stop running. What should I do?

Chronic ankle sprain is a problem that is commonly seen in almost all sports. It becomes more of a problem in long distance runners as they cannot tape and immobilize the ankle such as is done to football and basketball players. Some ankle rotation is needed to run hills and control the foot over uneven terrain.

Most ankle sprains are initially caused by the day-dreaming runner stepping off of a curb or tripping over holes in the running surface. Most sprains are rather mild in nature and the athlete can continue on with his or her

training program after a few tender steps.

In more severe cases, the athlete usually is forced to forego athletic activity for several days and treat with RICE (rest, ice, compression and elevation).

However, there are those who continually sprain their ankles and, as a result, the ankle ligaments can no longer stabilize the ankle as they should. In these cases, the 'chronic ankle syndrome' occurs and these ankle sprains becomes more frequent and the ankle becomes weaker.

Obviously, a good biomechanical elevation is needed to determine if there is any underlying mechanical problem that could be causing these chronic sprains. If so, a good athletic foot orthoses may control some of the excessive foot and ankle rotation. This, coupled with a good motion control, should can be an effective way to control the chronic ankle syndrome.

This should be combined with ankle-

strengthening exercises such as published in *Runners World* magazine, August, 1984.

This will help strengthen the ankle and prevent reoccurrance of the sprain.

#### Stratton Breaks Own Discus Record

#### Wyatt High Jumps to WR 5-101/2

by JERRY WOJCIK

Herm Wyatt upped his pending world record of 5-9 for the M55-59 high jump by 1½ inches in the Pacific Association/TAC Masters Championships in his home city of Los Gatos, Calif., on May 23. Wyatt's leap is four inches better than Boo Mercom's mark in 1976. John Brown of Missouri also has a pending mark (5-8½) in that division.

Wyatt already owns the M45-49 (6-23/4) and M50-54 (6-2) world records.

Joan Stratton of South Lake Tahoe, Nev., broke her own three-week-old national W35 discus record of 125-5 with a 126-4 throw. Stratton was near the U.S. W35 javelin record of 117-5 with a 115-5 toss.

Top master in the short sprints was Martyn Adamson, M45, with an M40-and-over best in the 100m (11.65) and a division win in the 200 (23.47). Don Benton, M55, beat strong fields in the 100m (12.67) and 200 (25.83).

In the 800, Searcy Barnett was chased to an M40 win (2:01.5) by Dennis Tracy (2:02.4) and Dennis Duffy (2:05.8). Harvey Franklin was a close winner in the M40 1500 (4:11.2) with Tracy second (4:11.4) and Jim Hampton third (4:12.2).

The hurdles produced two exciting races. Ed Baskauskas edged Frank Roublick in the M35 110H by 1/100th of a second with a 16.88, and Ted Cain (58.51) out-legged Bill Knocke (58.55) to the finish in the M45 400H.

Like Wyatt, other high jumpers were on form — Patricia Reed, W30, jumped 5-8, and Walter Dahlin won the M65 contest with a 4-6.

The throws were replete with big names and long marks. Olympian bronze medalist in the discus (1976 and 1984), John Powell, M35, hit the 202-6 mark. British hammer star Mat Mileham, M30, who attended Fresno State University, finished with a 219-11. Hammer thrower Ed Burke, M45, who came out of a long, self-imposed retirement to qualify Tor the 1984 Olympics and to carry the U.S, flag in the opening ceremonies, threw 180-0.

Javelin throwers Phil Conley (M50 WR 188-0) and Ed Chynoweth (M65 WR 181-10) were division winners with 171-1 and 140-5, respectively. Chynoweth is back in competition after a three-year layoff after suffering a severe injury in a fall during a practice throw.

#### Over the Hill Tops at West Penn

The Cleveland-area-based Over The Hill Track Club M30-39 and M40-49 contingents won team titles in the West Penn T&F Championships at Washington, Pa., on May 30.

The OTHTC subdued the host West Penn TC for the men's submasters title, 35-30, and dominated the M40-49 match-up with 58 points. West Penn took the M60+trophy with 38 points. Individual winners included: Paul Williams, OTHTC, who won the M50-59 100m in 12.2 and the 200 in a masters-best 25.8; Barry Kline, Sr., WPTC, with a 5-5½ in the M40-49 high jump; and Fred Hirsimaki, who threw 37-6 in the M60-69 shot put.

Essie Kea, OTHTC, won several W40-49 events, highlighted by a 4-0 high jump.

#### **List of Low-Cost Motels**

Where can a masters athlete find a good — but inexpensive — motel? Traveling to meets and races can be expensive, unless one knows where to find the bargains. At the left is a list of the top 50 economy lodging chains in the U.S., with prices and home-office phone numbers. Chances are, there'll be one of these motels near the site of your next competition.

Some readers provide additional support to the National Masters News and to the Masters program by sending contributions of \$25, \$50 or \$100 a year. If you are able, we urge you to join them. All contributors will receive a free copy of the new Masters Age Record book and will be listed in the paper as a National Masters News sustainer.

# Ray Mahannah: "In The Groove" For Over 60 Years.

ay Mahannah had his fastest times 50 years ago. A 4:09.8 mile in 1937 when he was the captain of the Drake University track team was within four seconds of the world-record of the day.

Now 71, Mahannah may be enjoying his best of times. The Modesto, Calif., resident admits that he'd be hard pressed to break six minutes for a mile now, but he says that he's enjoying running as much now as ever, if not more. He regularly competes in races all over Northern California.

"I just enjoy it," he responds when asked what has kept him in the sport without any real layoff for 58 years. "It's a different ball game now. There are so many people who can wipe me out, but I've gotten used to that. I run because I feel it's good for me, and it's a form of discipline. It makes me

Ray Mahannah has been running for over 60 years with no real lay-off, despite the loss of a lung in 1955. At age 61, he ran 5:17.3 for the mile, then an over-60 record.

watch my diet and exercise regularly. I've been in the groove for so many years it's hard to get out of it."

Mahannah actually started running more than 60 years ago in his birthplace of Moville, Iowa. "I used to trap mink and muskrat and I'd run five to 10 miles a day doing that," he explains. "And I'd run from one town to another just for the fun of it."

Trapping and running over the fields of Iowa not only helped Mahannah develop a strong base before entering high school, it also put money in his pocket. "There were times I made as much as my father did as a pharmacist," he remembers.

A 1:57.4 half-mile at Moville High was largely responsible for getting Mahannah a full scholarship to Drake in Des Moines, then one of the national track powerhouses. "That was a pretty decent time in those days," Mahannah remarks, also recalling that he had 10.4 100 speed in high school.

At Drake, Mahannah had a "flock of 1:55 halves" to go along with a 1:50 on a relay leg. His 4:09 mile came in a non-winning effort, but he had his

share of victories at that distance, usually in the 4:11 to 4:14 range. He also recorded a 9:04 two-mile. But Mahannah was overshadowed somewhat by runners who have gone down in miling history — Glenn Cunningham, Archie San Romani, Don Lash, and Lou Zamperini.

"My trademark was to run a fast 1320 (three-quarters), usually right on 3:04," Mahannah says. "Cunningham would always tell me that he hated to see me coming, because he knew it was going to be a fast pace."

Cunningham also told Mahannah that he would never beat him, no matter how fast he took it out. "And I never did," Mahannah comments. He remembers Cunningham with great admiration: "I don't think he ever really

"Glenn Cunningham told me I would never beat him, no matter how fast I took it out. And I never did."

realized his potential. He had those badly burned legs, you know. I still see him as one of the great people of all time."

Were they thinking four minutes back in 1937? "By God, no!" Mahannah answers, recalling a race in which Wayne Rideout beat Cunningham in a "world-record" 1320 of 3:00.3. "You know if we were having trouble getting under three for 1320, we weren't thinking four minutes for a mile."

At Drake, Mahannah often tripled, including a leg on the mile relay. "Most of us were triplers," he says. "When you're a scholarship athlete you do pretty much what you're told, at least you did then." He did no over-distance training in college, nor did he run on the roads. But he remembers doing repeat quarter and half miles, although very few by today's standards.

Training wasn't the only thing that was different then, attested to by a letter in Mahannah's scrapbook from Dan Ferris, then head of the AAU. The letter details \$122.75 in expense for Mahannah to travel from Des Moines to New York for a 1938 race. "There was no appearance money or anything like that," Mahannah says, laughing. "You were satisfied just to get travel expense."

After graduating from Drake in '38, Mahannah began teaching school in Iowa, advancing to superintendent of a school district after several years. He also put in a tour in the Army. All the while, he continued competing in AAU meets.

An August 19, 1944, clipping in his scrapbook entitled "Iron Man vs Iron Horse" tells of an upcoming 18-mile race between Mahannah and the horse Gray Eagle. Neither finished, but Mahannah went 14 miles and outlasted the horse.

Mahannah moved to California in 1954 to pursue a doctorate at the University of California, Berkeley. At Cal, he came in contact with Francis Henry, one of the world's leading exercise physiologists, and expanded his knowledge of running. He began teaching English at nearby Hayward High School and also took on duties as track coach there.

While coaching, Mahannah usually ran with his students. From 1954, when he was 39, to 1960, he ran more than ever before, sometimes as much as 100 miles a week of training. That was before such megamileage became accepted. That was also after losing his left lung to cancer. "I've never smoked, but my mother did," he gives as his theory of what caused the problem.

In 1957, two years after losing the lung, he finished second to Walter Van Zant in the Petaluma Marathon and seventh in Bay to Breakers. "I don't think it (the loss of the lung) ever made much difference, except for running hot," he says. "You don't ventilate as well with only one lung."

Of all his running accomplishments, including even those during his college days, Mahannah treasures a 5:17.3 mile in 1977 at age 61 — an over-60 world-record at the time — the most.

Pictured here in 1937 showing his winning form is Ray Mahannah, now 71.

"It was quite something," he comments. "Everyone was there and I was the last guy to be placed." He received a trophy as the meet's outstanding performer.

Mahannah retired from the Hayward teaching and coaching position in 1976 and moved to Modesto, where he now lives alone. The father of three, and with two grandchildren, he and his wife have gone separate ways.

Knee problems, involving two operations, have hobbled Mahannah in recent years, although he has continued to run and compete. He now carries 165 pounds on a 5-11 frame, about five fewer than during his college days and

# MASTERS TRACK & FIELD REPORT

by JERRY ALAN DONLEY
Chairman, TAC Masters Track & Field Committee

#### New Track in Eugene Ready for National Championships

The major event of the year for all competitors in Masters Track & Field is quickly approaching. The Outdoor Championships are set for August 14th, 15th, and 16th at Eugene, Oregon.

The rebuilding of the track is on schedule and it should be quite a thrill to be the first competitors to use it.

The weekend will be full of events, and some meetings. Eugene is also a great place to use as a hub for sightseeing and recreational activities. The spectacular coast line is about an hour away. A white water raft trip can be scheduled that will only whet your appetite for more.

The World Veterans Games Site-Selection Committee will meet on Friday at 10:00 a.m. to settle matters for the bid in Australia. The Trustees for the Masters Sports Association will meet after the Games Committee to work out the budget, and to see how the organizing committee is doing on its financing.

During the brunch on Saturday, I'll call a membership meeting to take care of a few items of interest and business. Our 1986 awards will be presented at 11:30.

We'll cover a few matters before then that will include:

- A. Designation of a coordinator for the U.S.A. competitors in Australia. Several people have expressed an interest in that position and it is time to make that decision.
- B. We need to talk about rule changes, law, legislation, athlete presentation, uniforms, hear a report from a representative from the 1989 World Games Organizing Committee, and select a site for the 1988 Indoor Championships.

The meeting will generally be informal, as it will be at a brunch and people will be coming and going. I will be looking forward to it.

I am looking forward to a great weekend of competition, fellowship, relaxation and enjoyment.

See you there.  $\square$ 

### Eastern Regionals Held on Long Island

TAC's Eastern Regional Masters Track and Field Championships were held at Mitchell Field, Long Island, June 7th.

Among the top performances was a 400 in 60.4 by Muriel Simmons-McCord, 40. The time was only a half-second off Irene Obera's national W40 record of 59.9.

Other good 400 marks were a 49.6 by R. Penn, M35; a 54.4 by Larry Colbert, M50; and a 61.7 by Rudy Valentine, M60. Valentine also won his 200

Sid Howard, M45, turned in a fast 800 (2:10.2) and 1500 (4:30.9). Toshiko d'Elia, W55, posted a 20:43 in the 5000

Bob Williams, M45, sped to wins in the 100 (11.6) and 200 (23.7). Al Walton did the same in the M35 division (11.3 and 22.7).

Sandy Pashkin directed the annual event. □

#### Struppeck Ups Javelin Mark in New Orleans

by JERRY WOJCIK

Lurline Struppeck of Baton Rouge, La., increased her U.S. W40-44 javelin record of 122-7 with a 127-0 in TAC's Southern Association Open and Masters Championships held in New Orleans on May 30. The world W40 record is 167-8 by Dana Zatopkova of Czechoslovakia in 1984.

Gordon Nordgren, who owns every single-age world record for the 800g javelin but none with the 600g (the official implement for his M65 age group), added the age-68 world 800g record with a 120-3 toss.

Thad Bell posted the quickest 40-and-over times in the 100m (11.06) and 200 (22.7).

John Alexander won the M65 200 (27.38) and 400 (62.30).

Danny Thiel was meet director of the meet, held on the McWilliams T&F Complex at Tulane University.

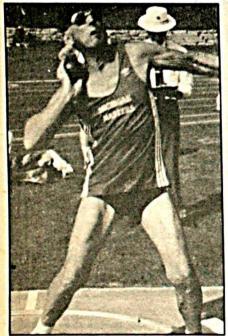

#### Records Fall in Madison, Wisconsin Meet

Threatening storm clouds and Father's Day notwithstanding, the Eighth Annual Masters Track & Field competition went off without a hitch on Sunday, June 21, in Madison, Wisconsin.

Forty-five meet records were established, led by 75-year-old John Dick of Oconomowoc with nine and 65-year-old Carol Peebles of Fond du Lac with four age-group records.

Eighty-four entrants participated in the meet, hosted by the Wisconsin United Athletic Club, Inc. with financial support furnished by WPS of Wisconsin, a health maintanance organization. According to Meet Director Bob Urdiales, 52 were first-time participants in the event held at the University of Wisconsin's outdoor track.

pentathlon efforts, and out-totaled all other competitors on this day, using age-factoring, total-score factoring, WAVA scoring, IAAF scoring, or whatever.

In the 35-39 age group, Frank Reilly and Mike Hill battled to an unbelievably close finish, Reilly winning by only three points, 3377 to 3374. Both athletes broke the American M35 record for 3224 points, held by Rex Harvey since 1982. Only 24 points separated Michael Saafir, Steve Jarvis and Stephen Kennedy for third through fifth places.

In the 70-74 category, Michigan's Ham Morningstar outscored Puerto Rico's Gilberto Gonzalez by 66 points, based on official WAVA scoring tables. (If IAAF tables had been used, as they were for the 30-59 age-groups, the results would have been reversed.)

Jeff Bilderbeck won the 30-34 competition by 30 points over Andrew Miller, with Dave Hoover third.

Rex Harvey retained his M40-44 ti-

tle, but it was too close for comfort, with Jim Hollister and William Betts only 34 and 69 points behind, respectively.

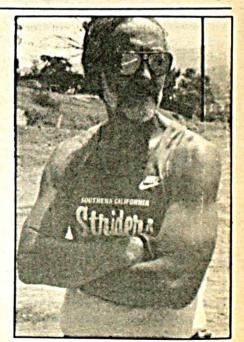

Gary Miller also defended his M45 title and improved upon the listed world best for age-49 by a wide margin. Tom Cronan edged Dale Lance for second by just 30 points.

Ed Oleata and Steve Holmes both broke the American age-50 best, Oleata prevailing, 2492 to 2461, with last year's champ, Jack Gilmore, third with an age-52 best.

John Hepner ran the final event, the 1500, in 4:48.8 to move from fourth to first in the 55-59 division. Close behind were Harry Hawke, Jerry Reiserer, Darrold Skartvedt and Al Brenda.

Bob Roemer retained his M60 title over runner-up Jock Jocoy.

The feeling was expressed that it may be better to stage the event as part of the National Masters T&F Championships, rather than as a separate event. The matter will be discussed this month at the Nationals in Eugene.

### Don't Stretch "Cold" Muscles

Researchers at the Mount Sinai School of Medicine have done what is called by some to be the most concise study of its kind on runners and runner injuries. Among the unsurprising findings, there were also a few surprises. For example, runners who get injured more often have probably recently changed their training technique or running shoes prior to their injuries, do not usually participate regularly in other sports, and usually stretch before running. Yes, the runner who gets injured more often usually stretches before running. That is to say, stretching "cold" muscles before running can be more harmful than not stretching. Ideally, according to these researchers, one should run at least a mile, stretch, then continue to run.

• Does running fight colds? Elevated body heat due to exercise may help immunize runners against bacterial and viral infections, according to medical studies. "This is an exciting area of research," said Dr. David Heber, chief of the division of nutrition at UCLA Medical Center. "Increases in body temperature have great potential for fighting bacterial and viral infections."

But Dr. Peter G. Hanson, a cardiologist at the U. of Wisconsin Medical School warns: "I would be cautious about any theory suggesting that people exercise during a viral illness. Strenuous exercise during acute viral illness may actually lead to viral damage to the heart."

• Men's Health is a monthly, eightpage newsletter aimed at helping men from age 45 to 65 feel their best and avoid the health problems of their peers: prostate troubles, heart disease, cancer, low back pain, sexual problems, stress disorders, etc. The newsletter includes both abstracts of current research from a wide range of medical journals, as well as in-depth stories. The cost is \$24 for 12 issues. Write to: Men's Health, Rodale Press, Inc., 33 E. Minor St., Emmaus, PA 18098.

- "Running does not seem to lead to more osteoarthritis," Nancy Lane, M.D., said at the American Rheumatism Association's annual meeting and reported in Running & FitNews. Lane compared 539 runners and 442 controls over a 5-year period. "The runners developed healthier, denser bones. Female runners developed more spurs in the knees and spine, but cartilage loss a common sign of osteoarthritis was absent."
- Milk is a better source of calcium for older people than calcium carbonate supplements, according to the Journal of Nutrition Education. "A high percentage of elderly Americans lack the stomach acid necessary to absorb carbonate. Also, the lactose in milk, which is not found in calcium supplements, improves the absorption of calcium."

# Hayward Classic Switched from Eugene to Silke Field in Springfield, Oregon

by PENNY JACKSON

The Hayward Masters Classic — named after the University of Oregon's famed Hayward Field — had to be switched to Silke Field in nearby Springfield, Oregon for its 1987 edition, June 27-28.

Hayward Field's Stevenson Track is undergoing renovation. Work began following the Prefontaine Classic on June 6, and will be completed in time for the National Masters T&F Championships, August 14-16.

The Springfield High School track is a top notch facility which is used for high school meets and many district championships. It may be the secondary track for the 1989 World Veterans Games if Eugene-Springfield's bid for the event is successful.

This year's Classic drew about 130 participants and a large crowd of well-wishers. Weather was in the high 80s and low 90s for the two-day event, but the heat didn't keep the competitors from setting 23 meet records.

Among the top performances included a 23.25/52.04 by Harold Morioka in the M40 200/400; a 53-10 by Chuck Chapin in the M40 shot; a 200-11 by Jeff Carter in the M30 javelin; and five wins by Penny Farster-Gilkey in the W30 division.

#### Dr. Sheehan's Not Just Another Skinny Irishman

by HAL HIGDON

eorge Sheehan came to town this summer. He offered his usual virtuoso speaking performance at a pre-race banquet before the Michigan City Run, then stuck around to pass out awards following the race. It was a pleasure to have him.

My wife's favorite story about Dr. George Sheehan concerns a friend who approached him after a packed lecture he gave at the Boston Marathon, and said: "Remember, George. No matter how famous you seem here, two blocks off Boylston you're just another skinny Irishman."

Boylston Street — as runners who have raced Boston could tell you — is where they run the marathon. On a sunny marathon day, there would be tens of thousands packed around the finish line on Boylston, hundreds of thousands lining the 26 mile course in from suburban Hopkinton, not to mention the six or seven thousand in the race.

And they all knew Dr. Sheehan.

Loved him too. George was — and is — running's ranking guru, our leader, our Socrates. Through his many books, including "Running and Being," and his writings in publications such as Runner's World, he offered a philosophical dimension to what was basically a simplistic sport. This came at a time when we needed somebody to assure us we were out each day sweating and straining for reasons other than to win an Olympic medal or to live to the age of 98.

"To succeed at anything, you need passion," Dr. Sheehan has written. "You have to be a bit of a fanatic. If you would move anyone to action, you must first be moved yourself. To instigate, said Emerson, you must first be instigated."

I suppose one could be called worse things than a passionate instigator, or skinny Irishman. I don't recall my first meeting with George Sheehan, but it was probably at the starting line at Boston in the early 60s. We got to know each other, because everybody in the field (which numbered only a few hundred) knew each other back in that era before long distance running became an American mass movement.

George had been a middling good miler (4:18) at Manhattan College in his youth, had busied himself practicing cardiology in Red Bank, New Jersey, raised a family with a dozen children, suffered several sedentary decades, enjoyed having a few too many drinks, but finally woke up during a mid-life crisis, wondering: Is this all there is?

He sought running as both solace and escape and, despite being still able to turn a good competitive mile, enjoyed more blending into the anonymity of the middle of the pack in marathons. He didn't remain anonymous long, however, since he felt compelled to write about his running experience, first in a weekly column in his local newspaper, later in national running magazines and in books.

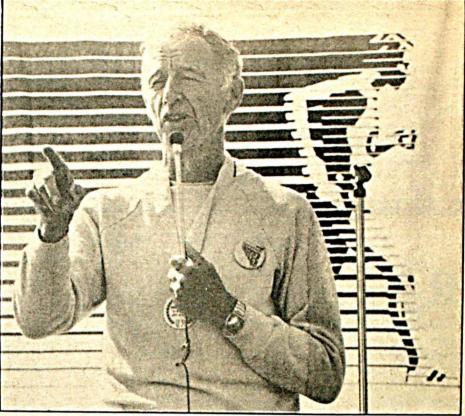

"We are always in the process of becoming," writes Dr. Sheehan in "This Running Life." "We have a commitment strongly spent or weakly kept, as Robert Frost said, to the work or career of person in progress. The original commitment may alter as we grow or be diverted by outside in-

"To succeed at anything, you need passion. You have to be a bit of a fanatic. If you would move anyone to action, you must first be moved yourself."

fluences. But change or not, the commitment is there — and with it our word of honor to do what is necessary for its fulfillment."

Dr. Sheehan pointed the way to fulfillment for many. New runners who began to appear at road races through the 70s idolized fast runners such as Frank Shorter and Bill Rodgers, but they identified more closely with middle-of-the-packers like George. He was one of them. When he spoke, he spoke for all of them, mirrored their thoughts, provided a rationalization for something they knew was good whether or not they themselves could say why. Dr. Sheehan said why.

Knowing George both as a personal friend and as the most inspiring lecturer on the road race circuit, I had tried on several previous occasions to bring him here for the Michigan City Run. But there was always a conflict, either another race commitment or a necessity to remain home on call as a cardiologist. "My partners don't always understand it when I'm away at

Dr. George Sheehan

some running race," he once told me.

At age 68, Dr. Sheehan no longer answers to partners, so when I called him earlier this year to see if he would like to come to Michigan City, the answer was an immediate, yes! It was a pleasure to have him at my home and renew an old acquaintance.

I recall having breakfast with George in Chicago several years ago and seeing him order a breakfast that included eggs and sausage, a combination that many dietitians might have considered too high in fat for a cardiologist. I chided him about that fact. But George joked that people in his family never got heart attacks, they lived to hearty, old age at which point they get cancer.

George actually is careful about his diet, but his remarks no longer seem a joke. He was recently diagnosed as having prostate cancer. The cancer is now under control through chemotherapy, but coping with this disease brought George face to face with his own mortality. He wrote recently about "my problem" in Runner's World:

"The big question is how one should live one's life. Writer and philosopher Miguel de Unamuno had this answer: 'Our greatest endeavor must be to make ourselves irreplaceable — to make the fact that each one of us is unique and irreplaceable, that no one can fill the gap when we die, a practical truth.'

"After receiving my news, I learned I could do that — make that fact a practical truth. I will be irreplaceable. I will leave a gap."

Of course, each one of us both fills and leaves a gap. Perhaps one of the most quoted remarks of Dr. George Sheehan is, "We are an experiment of one." By that he means, each runner and individual must experiment with his life, and running, and determine what path works best for him.

George has discovered that path, but most important: he has shown the way so that others can follow. He is much more than a skinny Irishman away from Boylston.

#### Manley, Hatton Set 8K Records in 'The Race'

Mike Manley, 45, of Eugene, Oregon led all master runners with a 25:38 in The Race 8K in his hometown on June 7 to place 26th of over 2600 finishers. His time is 11 seconds below Herb Lorenz's pending M45-49 national record 25:49, established at five miles in 1985.

Second master was M55 winner, Ray Hatton, 55, of Bend, Oregon, who ran 26:33, which demolishes Ross Smith's M55-59 record 27:54, set in 1983.

Vic Wolfe, 43, of Eugene ran 26:38 o take third place.

Dan Bulkley, 70, of Phoenix, Oregon, ran a solid 37:25 to win the

M70 + race.

Women's masters winner was Carole Quam, 42, of Eugene in 32:19, with Gayle Proudfoot-Shoup, 41, of Eugene, second (32:43), and Karen Romeo, 43, of Lebanon, Oregon, third (34:04).

Pat Dixon, 67, of Corvallis, Oregon, who ran 37:51, the pending American W65-69 record, in this race two years ago, won her division with a 39:22.

Overall winners were Don Clary (23:23) and Cathie Twomey (27:29), who collected \$500 each. Race director was Edgar Kousky of the Oregon TC Masters.

#### Byron Fike — Iron Horse of the M75s

by DICK LACEY

uick quiz: What masters athlete holds American indoor records in every one of the standard five flat races in his age group? At the TAC Masters Indoor Championships in March, what runner made a clean sweep of the 60, 300, 1000, 1-mile, and 2-mile, and topped the two days off with a win in the 2-mile race walk?

The answer in both cases is Byron Fike, the M75 Iron Horse from Tallmadge, Ohio.

Fike will turn 80 next November and the M75s will heave a collective sigh of relief. At the same time, Dr. Paul Spangler had better be advised that all of his over-80 records may start to tumble.

Last year, the indefatigable Fike competed in 12 track meets and 24 10K road races. In an average one-day track meet, he races six times at distances from 100 to 5000 meters. In addition to his awesome indoor achievements of American records and championships, he also has won many outdoor national championships and holds several outdoor marks.

Don't think that he just loafs through races when he happens to have little opposition. He is nearly always going for PRs. Until we all learned better, those of us in Fike's age group used to make the understandable error of thinking that because he had already run four races to our one, he would be exhausted and would be ripe for the picking. To our chagrin we have discovered that the more races Byron runs, the stronger he gets.

Although he likes to win and set records as much as the next runner, those are not Fike's major objectives. "My two main goals," he says, "are to try to attain spiritual and physical perfection and contentment, and to make new friends wherever I go."

That he is on his way to achieving at least the physical aim is shown by the fact that, in the last 40 years, he has never had a day's illness or an injury! On the spiritual side, he is active in church work and attends not just one but (you've guessed it) two services every Sunday. On weekends, when he is competing in road races or track meets, he often rushes right from the event to church in his running things. "The minister knows I'm a runner, so he doesn't mind," explains Byron.

Fike, who lived in West Virginia before moving to Ohio, played football in high school and then spent 21 years

in semipro baseball. He had never done any running until eleven years ago. Fike's training appears to be unorthodox in many respects. For one thing, he never takes a day off but trains or competes every day of the year. His average training session is also longer than most - three hours. There are times when he spends practically all day working out in one way or another. He puts as much emphasis on weights, calisthenics and stretching exercises as he does on running, and circuit training is a major feature of his routine. "Because I do such a variety of events," he says, "I try always to work on the specific muscles involved in both sprinting and distance running." He does a lot of work on the Nautilus and Universal apparatus and on the stationary bike.

Byron's day begins with a brisk early-morning four-mile walk with his wife (they've been married 57 years). If the weather is bad, they walk in a local mall. Then it's over to the Tallmadge Athletic Club gym, where there is a nine-lap track. There he puts in a long, hard session of what amounts to a combination of interval running, circuit training, and fartlek. He intersperses laps on the track - mostly hard-fast or medium-fast running with immediate work on the weights or on the bike, and a lot of stretching. Occasionally he will jog or break into racewalk stride for a lap or two. This is a continuous progression from one activity to another and lasts most of the morning. Sometimes he will go back in the afternoon and do the same type of workout with variations. He also does some hill running.

One thing Fike does not do is work on specific distances (how could he with such a variety of events?). His whole aim appears to be to build overall maximum strength and stamina. The result is that his recuperative power is phenomenal, and six different track events back-to-back present no problem at all for him.

Fike is an avid reader of articles on nutrition. He has almost completely eliminated sugar from his diet. He is big on raisins, prunes, rolled oats and wheat germ, and he is 90% vegetarian. He supplements his diet with vitamins. He keeps a diary and includes not only a log of his workouts but a daily meal-by-meal description of what he eats.

Fike sometimes works out at nearby University of Akron, where he has become a favorite "guinea pig" for the school's medical department, where — not surprisingly — they regard him as a phenomenon with the body and vital signs of a man half his age. He has broken all their treadmill and aerobic

test records. The Akron chapter of the American Heart Association made him its first inductee into the Akron Heart Hall of Fame.

Just to make sure he doesn't have any idle time between track meets this summer, Byron is now busy organizing (and will play in) a four-team, 55-andover softball league for the local recreation department.

And who do you imagine is likely to play every position on the field? Why, naturally, the old Iron Horse — Byron Fike.

about five more than when he ran that 5:17 mile ten years ago. He gets in between 40 to 50 miles a week, usually running twice a day.

"I go down to the track and do some 200's once in awhile," he adds, "but they are in neighborhood of 45 to 50 (seconds), nothing fancy. The knee seems to be improving a little lately, so I'm hopeful."

In a footnote to the National Masters Pentathlon Championships, Los Angeles, June 20, Gary Miller, meet director and participant, suggests that the event be combined with the outdoor T&F championships, as it was in the past. Miller's reasons are that meet costs in money and effort are very high compared to the number of participants (52 this year) and that travel expenses for a one-day competition prohibit athletes who are able to do a pentathlon but not a decathlon from participating.

In an interview with Ed Coyle in N.Y. Running News, masters standout Atlaw Belilgne comments on life in the U.S.: "In another culture I could never have become a runner in my late thirties. You just don't do something like that. Here you can start at 35, 40, 50 or even 60. There are no cultural bars — you have complete emotional freedom."

#### MID AMERICA

- Four of the top masters men marathoners in the world are among the early entries in October's Twin Cities Marathon: Sweden's Kjell-Erik Stahl, 41, 7th (2:19:22) in Grandma's Marathon in June; New Zealand's Trevor Wright, 41, who beat Stahl in the '85 London Marathon and had a PR 2:12:29 in '83; Britisher Michael Hurd, 41, who ran 2:17:53 in April in the New Jersey Waterfront Marathon; and his countryman, David Clark, 1st master (2:21:37) in the '87 Boston. Masters will compete for a total purse of \$42,000, with both m&w firsts guaranteed \$8000.
- Hampered by air temperatures over 100° on both days, plus a no-height in the pole vault, Rex Harvey, 40, Des Moines, IA, still scored 5147 in the Lincoln TC Decathlon, June 13-14, in Lincoln, NE. Harvey owns the meet record high (7186) set in '79. Other masters in this year's event were Stuart Oxford, 45 (2212); Forrest Doling, 56 (2649); and Leonard Wray, 66 (1882).

Pippa Davis, 40, overall and masters female winner takes a walking break during the Sri Chinmoy 1300-mile race, June 5-23. Davis ran 832 miles over an 18 day period.

- The Tom Kempf Sr. Crosstown 5K, Bartlesville, OK, May 3, honored a running pioneer, now 62, who began running in the '60s, set many state, regional, and national records, many still on the books, and won several medals in the World Veterans Games in Toronto in 1975. Unscathed by a "roast" the night before the race, which was directed by his son, Tom Jr., a triathlete and president of the Osage Hills TC, Tom Sr. placed second M60+with a 22:01. Top masters were Jeff Fischer, 43, of Denver, in 17:16, and Donna Wright, 51, Bartlesville, in 21:40.
- Ham Morningstar of Michigan broke the U.S. M70-74 high jump record of 4-6 with a leap of 4-7 3/8 in the Dallas Senior Games, April 24. Larry Miller and Wesley Ward shared the old record.
- Yvonne Lee, W40, picked up \$100 for her masters win (20:18) in the Louisiana Milk Run 5K, Baton Rouge, June 6. Mary Cullen, W45 was second W40+ (21:34).

#### WEST

- Guilio de Petra, 76, of Carmel, CA, broke the M75-79 U.S. racewalk records for the 15K and the 20K with 1:30:25 and 2:12:56 in the PA/TAC 20K Championships in San Francisco's Golden Gate Park, June 7. Overall winner was submaster Mark Green, 31, whose father, Max, of Michigan, has been setting M54-and-M55 age records right and left.
- Alberto Rivas, 47, led the Forty-Plus-Two Masters relay team to victory in the Schofield 56-Mile Relay in Honolulu in April, running two 7.9 mile legs in 5:30 pace and the final two-mile leg in 10:53. Rivas, a sergeant first-class in the Army Paramedics at Schofield and a member of the All-Army marathon team, began running in 1975 to keep in military shape. He ran the 1983 Frankfurt Marathon in 2:31:57 and did the Diet Pepsi 10K in '86 in 34:34.
- While vacationing in the San Francisco area, NMN columnist Mike Tymn, M50, got under 34 minutes for the first time in two years with a 33:52. However, Norm Green Jr. also happened to be in the Bay area and ran an age-54 record 32:46. Darryl Beardall, Santa Rosa, CA, took third in 34:42. Said Tymn, "I recall only one other race (Asbury Park) where the first three over-50 runners were all under 35 minutes."
- Racewalker Collie Green, 61, set three national women's age records in Pasadena, CA, June 6, for the mile (10:17), 2 mile (20:40), and 5K (32:40)
- As fitting, Harolene Walters, 44, El Toro, Ca, was first woman in 29:54 in the Harolene Walters 8K at Legg Lake near Los Angeles, June 25. Robert McGeogh, 45, Banning, CA, paced the M40+ group with a 28:16.
- The L.A. Marathon called NMN to say they
  made a mistake in the results (July). In the M65
  division, the second-place was V.A. (Bill) Granby, 64, in 3:33:31, rather than J. Kirkpatrick
  (3:42:11). Kirkpatrick moves to third place and
  W. Norris (3:48:00) moves down to fourth.
- Despite being the oldest runner in the race,
   Fred Nagelschmidt, 63, of Ventura, Calif.,
   finished 10th overall in the Dave Parker Canyon
   40.5-Mile Ultra race in a time of 5:58:13.
   Nagelschmidt beat over half the field with his
   8:50 per mile pace and won his division plus the
   perpetual "Doc Parker Award."
- Mary Ames of Southern California set a new age-84 American Record on June 21 in the Lompoc, Calif., "Valley of the Flowers" half marathon in 3:08:06.
- Gina Faust, 50, set a national W50 agegroup record at the SCA/TAC 8K Championships in Long Beach, Calif., June 21. Faust ran 31:04, 1:03 below the old record, and finished fifth female overall.
- Jacqueline Hansen, now 38, is back with a vengeance. Hansen, whose running has suffered dramatically the last three years due to allergies, a hamstring injury and two foot surgeries, recently re-introduced herself to the running world by running a 4:48 1500 at the Striders Meet of Champions May 30, followedup by a 36:38 in the Buick San Diego 10K May

- 31. Hansen's sights are set on the World

  Veterans Games in Melbourne.
- World M65 100H and 400H record holder Bob Hunt of Anaheim, Calif. will miss this year's nationals. He suffered fractured ribs when broad-sided by a car that ran a stop sign on July 17. His wife sustained a fractured hip. "They hope to recover in time to go to Australia for the World Games," said their daughter, Susan Bell.

- Gabriele Andersen, 42, was second female overall in the 3000-participant Alaska Women's 10K June 6, in 35:23, only 20 seconds behind winner Janine Aiello.
- Running-author Joe Henderson pens his biweekly Running Commentary from his Eugene,
  Oregon home. On becoming a master, he
  writes: "The legs aren't first to go with age.
  Recovery powers are. Lost somewhere in early
  middle-age is the power to recover fully from
  my preferred hour runs by the next day." So
  what to do about his streak of never missing a
  day of running in 4½ years? "There were two
  choices: either slog or limp ahead at the same
  level, or run less. I ran less. The streak ended. I
  take as much as every other day off to run farther again. It was a nice trade a good old
  friend, the streak, for an even older and better
  one, the longer run."
- Ross Carter shattered his own M70 8# shot put mark of 45-71/4 by throwing a 47-3 at the Oregon State Games held July 11&12. Carter also won the M70 discus with a 130-0 toss.
- This month, Bob Holtel, 54, of Manhattan Beach, Calif., is running the final leg of his three-year, 2581-mile odyssey from Mexico to Canada. He ran the first leg in 1985; the second last year. He runs it the hard way: along the high-altitude Pacific Coast Trail average elevation: 9000 feet while packing his own food and gear. The final leg began in Oregon and will finish near Vancouver, B.C.

#### ON TAP FOR AUGUST

#### TRACK & FIELD

Eugene, Oregon, often billed as the "track & field capital of the world," hosts the U.S. TAC National Masters Championships, August 14-16. Before that, Eugene-bound athletes can fine tune on August 1 in the Philadelphia Masters Championships, the Texas Masters Championships, and the Los Angeles City All-Comers Championships, or on August 2, in the North Carolina Masters Championships and the Illinois Grand Prix Series No. 4.

The Montana Masters Meet is a two-day affair, August 7-8. The August 8-9 weekend offers the Buffalo, N.Y. Belles & Brawn Meet for women on Saturday, while the men go at it on Sunday. Midwest Masters will congregate on August 9 in Elmhurst, Ill., for the Regional Championships or in Missouri for the Chillicothe Meet.

The Buffalo Belles & Brawn Pentathlon is on August 22, and the month closes with the Canadian Inter-Club T&F Championship at Toronto and an open/masters meet in San Diego on the 29th.

#### LONG DISTANCE RUNNING

Early-month running activity belongs to the East Coast, with the Asbury Park 10K in New Jersey, August 8, and the Falmouth 12K in Massachusetts, August 16, but it jogs west on August 22 with the Bobby Crim 10 Mile in Michigan and the Pikes Peak Marathon in Colorado, and ends on the West Coast in San Diego, August 23, with America's Finest City Half-Marathon.

3 Months To Go

# Countdown to Melbourne

#### **Entry Deadline is August 31**

The entry deadline for the VII World Veterans Games is less than a month away. The Games will be held in the beautiful city of Melbourne, Australia from November 28 to December 6, 1987. They are open to any man over age 40, or woman over 35.

More than 5000 athletes from over 50 nations are expected to participate. A full complement of track & field events will be staged, along with road walks, cross-country runs, and a marathon. The Australians are well organized, and the event promises to be the best World Games ever.

All entries must be received in Melbourne no later than August 31, 1987. Six U.S. masters tours are handling entries and accommodations for their tour participants. Entries can be sent to your tour organizer, who will, at no charge, convert your U.S. dollars into Australian dollars and forward to Melbourne. Those traveling on their own may send their entry directly to Melbourne with a bank draft in Australian or U.S. dollars. (However, U.S. banks will charge for the service).

#### Olympic Park Complex

The Olympic Park No. 2 track will be used as the secondary track for the Games. That means more than 75 percent of the competition will take place on the Olympic Park grounds, less than a mile from the center of town. The twin-track setup will make the Olympic Park complex the center of everything. It will provide a strong feeling of togetherness and add to the efficient operation of the event.

Although the No. 2 track is only a 374-meter oval, and has only four lanes (six lanes on the main straightaway), the fact that is part of the main competition complex, and has a superior surface to the alternative (now No. 3) track at Melbourne University, were compelling factors in the final decision.

"We obtained opinions from many athletes and administrators in this country and around the world," said Peg Smith, Executive Director of the Games. "The response has been very strongly in favor of the use of this track in preference to the 400m rubberized bitumen surface at the University."

Smith added that, although the WAVA Executive Committee members indicated that they would prefer the standard size track be used, "they

have, in the main, indicated that they will accept our decision."

The main concern about holding events on the short track was recordapproval. "We received confirmation from the technical officer of the IAAF (Mike Gee) and the chairman of the World Veterans Records Committee (Pete Mundle) that, providing the track has the proper certification of measurements, there will be no concerns about the approval of records. We will, of course, have that official certification," Smith assured.

The track will be used for some of the 5K and 10K runs and some 5K walks. If necessary, some 800 and 1500 heats will be scheduled. Heats of the 100 may also be held on the six-lane straight. The majority of competition will, of course, be on the Olympic Park No. 1 track.

#### Murals and Greenery

"Olympic Park is now really taking shape," Smith said. "The two grounds are being groomed to perfection by the Olympic Park management. There are murals being painted on the walls of the concourse of the No. 1 Ground. The main entrance will have enough flagpoles to fly the flags of all the nations. Special shrubs and greenery have been ordered so there will be a light and bright atmosphere to welcome people as they arrive."

#### Host-a-Vet

The Games organizers were on five radio stations promoting the Games, and asking for "host-a-vet" volunteers.

"We had a wonderful response from listeners, who called to offer local sightseeing and hospitality during the Games." (Note: "Host-a-Vet" means locals will host veterans for dinner, sightseeing, etc., but not for accommodations.)

Five Melbourne TV stations plan to cover the Games on their sports and news programs.

#### Sponsorship Slows

Sponsorship, however, has slowed a bit. "We ran into a problem, that the Americas Cup in Perth had so much hype. Millions of dollars are poured inContinued on page 22

#### Hurd, Ilands First in Brugge 25K

by JERRY WOJCIK

Michael Hurd of Great Britain left an excellent M40-44 field far behind, winning by 1½ minutes, in the 14th International Veterans 25K in Brugge, Belgium on June 21.

The next four M40-44 runners made a race of it, though, finishing just 11 seconds apart. Herman Parmentier of Belgium took second (1:19:37); defending champion Barry Brown of the U.S.A., who won last year in 1:21:07, was third (1:19:40); Jos Van De Water of Belgium, who came in second last year in 1:21:38, was fourth (1:19:47); and Les Roberts of Great Britain placed fifth (1:19:48).

Winners who repeated 1986 division victories were Pierre Voets, Belgium, M45 (1:23:05); Jean Van Onselen, Belgium, M50 (1:24:14); and Piet Van Alphen, Holland, M55 (1:26:37).

The other men winners were Lennartz Heinz, West Germany, M60 (1:38:22); Walter Netzer, West Germany, M65 (1:41:18); Lucien Aellen, M70 (2:03:22); and Ernest Harrrison, Great Britain, M75 (2:24:48).

Great Britain's trio of Hurd, Roberts, and Jeff Norman (1:20:17) won the men's national team title by exactly three minutes over Belgium. British squads went one-two in the club championship, with Blackheath Harriers an easy winner (4:14:18) over the Hillingdon AC (4:26:44).

Belgium's Magda Ilands, W35 winner (international masters competition starts at age 40 for men and age 35 for

Mike Hurd, M40-44, of Great Britain after finishing first (1:18:08) in the 14th International Veterans 25K Brugge, Belgium, June 21, with meet director Jacques Serruys.

women), had an even easier time than Hurd, taking the women's race by over 3½ minutes with a 1:30:20. In 1986, Linda Delveaux, W35, ran 1:35:47 to win.

Rita Krombach, W35, of Luxembourg was second to Ilands in 1:33:43. Andrea Van Bost, W40 winner, took third place with a 1:36:04.

Maus Gantenbein of Luxembourg repeated as W45 winner in 1:43:37, three seconds above her 1986 time. Maria Grob, West Germany, won the W50 division in 1:49:21.

Belgium's Berthilia De Preter successfully defended her W55 title with a 1:59:40, well below her 1986 time of 2:04:24.

Pina Gurtner, West Germany, won the W60 race in a fast 2:03:23.

Five-hundred-twenty-four runners finished the race — up from 497 last year — which is annually directed by Jacques Serruys.

to the sponsorship; many of the firms got their fingers burnt and are staying clear of sporting sponsorships. Also, many business firms are holding their sponsorship for the Bicentennial World Expo and the Olympics in 1988. Even so, our latest revised budget is looking very good without having to cut into areas which will affect competitors," Smith said.

#### A Throwers Delight

Special conditions for the throwing competitors will be implemented. A three-ring throwing area is being set up in the parkland beside Olympic Park so that the throwers in the larger age groups can be divided into smaller groups. This will save them from the interminable wait for their turn when competing with 30 to 60 others of their own age.

"This also means that the throwers will no longer feel like the poor relations of the athletic world," says Ray Callaghan, competition director for the Games. "The aim has been to bring

the feeling of games' participation to these athletes who are often banished to an isolated area for their event. There will be a lot of activity in this area."

#### Weight Pentathlon

A World Veterans Weight Pentathlon Championship will be held at Olympic Park on Monday, December 7, the day after the close of the Games. To complete this feast for throwers, there will be a three-day festival of throwing, including a Hammerfest, a Discorama, a Shotorama, and a Heavy Throws competition. Submasters who are not eligible for the Games will be catered to in the Weight Pentathlon and throwing competition.

#### Olympians Participating

Among the participants expected for the Games are Olympians Al Oerter, Jim Ryun, Tommy Smith, Raelene Boyle, Bob Richards, Boo Morcom and many others. Sweden's Kjell-Erik Stahl, 41, who ran a 2:12 marathon last year, will be there. Bri-

tain's Priscilla Welch is expected, as are top U.S. masters distance runners Tracy Smith, Web Loudat, Gabriele Andersen and others. Dr. George Sheehan and Dr. John Pagliano will be among the panelists at a Sports Medicine seminar.

#### Transportation

The transportation will be the smoothest of any World Games. Trams (trolleys, streetcars) and trains run everywhere. Athletes can buy a two-week, hassle-free pass for A\$22 (US\$16) — a bargain.

The City of Melbourne is a delightful city. The people are friendly and there is much to see and do. The rest of Australia — Sydney, Tasmania, the Great Barrier Reef, Ayers Rock — plus many optional South Pacific islands, offers the traveler a wide variety of post-Games sight-seeing activity.

Prices on the entry form are expressed in Australian dollars. At press time, one Australian dollar is worth US 72 cents. Or, one U.S. dollar is worth A\$1.39. Thus, the first event, which costs A\$25, translates to US\$18, and each subsequent event (A\$10) costs US\$7.20.

#### University Dorms

The University is composed of 11 colleges. Each college has its own dining room. One central cafeteria serves

all 11 colleges, and will be a likely meeting place for athletes staying in the dorms.

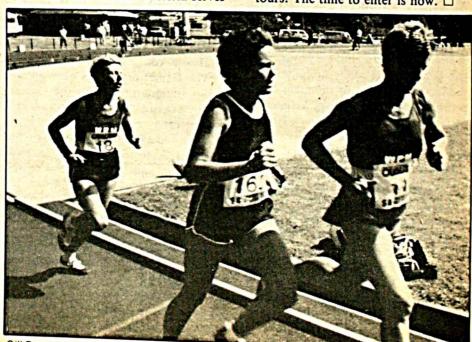

Dorm residents can use the University's gym, tennis courts, swimming pool and other facilities. Games' massueses will be stationed at the University. Dorm residents receive two free meals per day, and, if you're at the track all day, you can arrange for a hot meal to be waiting for you in the microwave.

#### A Memorable Event

The Games promise to be an exciting and dramatic event. Participants will meet and make friends with others from throughout the world. It is rewarding and just plain fun to get to know people from other cultures — to exchange ideas and experiences.

While competition will be keen in all events, the Games are not only for elite athletes. They are for everyone. The whole idea is to participate. A medal is just icing on the cake. The last place marks in the VI World Games in Rome in 1985 are within reach of most of us. (See chart on this page). And even if you finish last, what's the difference? You can still have a good time.

The VII World Veterans Games will be a memorable experience. The air fares and accommodations are remarkably low. Contact one of the masters tours. The time to enter is now.

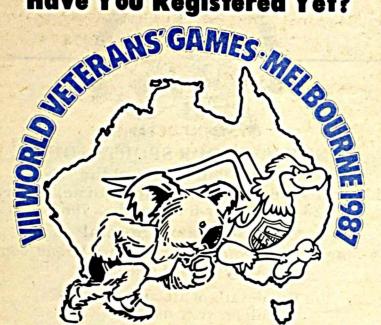

Gill Ross leading J. Haskins, W35, and Elsa Gertenbach, W40, in 800, South African Masters Championships, Durban, April 25. Ross won the W35 race (2:33.2). Gertenbach took the W40 contest (2:41.8)

#### South African Championships Held in Durban

by LEO BENNING

CAPE TOWN, South Africa. The annual South African Masters Track & Field Championships, held on the east-coast city of Durban on April 24-25, produced some top performances. Among them:

• M40: Stan Wald won the 100 (11.00) and 200 (22.9). Lucas Halweendu took the 1500 (4:21.0), 5000 (15:47.2) and 10000 (31:52.9 SAR).

• M45: George Mathe, co-holder of the world M40 400-hurdle record with countryman Leon Hacker (both with 54.1 in 1979), has given up hurdling, but won the 400 (55.10) and 800 (2:11.8). Hacker was a non-starter due to injuries.

• M50: Jimmy Rabie captured the 100 (11.8) and 200 (24.4). Hacker's brother, Monty, was also sidelined with an injury.

 M55: David Bawden took three golds in the 100 (12.8), 200 (26.2) and 400 (58.7).

• M60: Kallie Van Zyl won the pentathlon (3450 points, Rome tables), and the 300H (52.9), discus (34.40) and javelin (37.12).

• M65: Hannes Booysen, the President of the South Africa Masters Association, took firsts in the discus (30.80) and shot (10.82). Louis Botha purloined the 100 (14.00), 200 (29.1), 400 (69.4 SAR) and hammer (25.62).

• M75: F. P. Malan won the discus (30.22) javelin (26.16) and shot (9.67). World sprint record-holder, Fred Reid, was on the shelf with injuries.

• W35: Gail van Niekerk set S.A.

records in the 100 (12.2) and 200 (25.3), and won the long jump in 4.91. Annelie de Bod Continued on page 26

George Mathe comes in second to F. DuToit in the M45 800, with a time of 2:11.8 in the South African Masters Championships in Durban, S.A. April 25.

#### In Memoriam: Piet Van Alphen

by JACQUES SERRUYS, WAVA Vice President

It is hard to believe that Piet Van Alphen, a fine veteran athlete and a good friend, passed away on June 24, 1987, at age 57. A cerebral bleeding was fatal to this strong man who, just the week before, showed his enormous talent by winning his agegroup at Bruges, Belgium in the 25K, with a time of 1:26:37, almost the same as he ran in 1975!

Being together "on the road" for so many years makes it hard to realize that a partner in friendship and a companion in veterans sports has left forever. We now realize that this will only be physically, as Piet will stay forever in our minds and even more in our hearts. His enormous will power was his label, and it brought him the successes and victories he deserved so much. Above all, Piet remained the friendly and honest competitor we all admired. The sportsman has gone; the friend will stay.

His friends in sport: Gerard Nyboer, Kor Vriend, Jan Van Ginkle, and so many others, were there in Amsterdam for a last

Piet Van Alphen, finishing the 1986 Twin Cities Marathon in 2:35:06, at age 56.

farewell. We all felt that this could not be a final good-bye, but the start of a legend without a finishing point. This legend is Piet Van Alphen, a monument of veterans athletics. Next year, at the Open European Championship in Bruges, the "Piet Van Alphen Cup" will be dedicated to the memory of this unique man.

### **Eastern European Marathon Records**

Masters marathon age records for the U.S., Great Britain, and other countries are relatively easy to come by for long-distance statistics enthusiasts. However, few running statistics are available from Eastern Europe countries. Wolfgang Loscher, a German Democratic Republic statistician, has made available to the National Masters News listings of men age-record holders (35-and-over) from Czechoslovakia, and men and women (35-and-over) from Poland.

The Czechoslovakian list was compiled by Milan Skocovsky and is dated June 6, 1986. The list of Polish men marathoners comes from Tadeusz Dziekonski and covers up to 1987. The list of the top twenty all-time Polish women marathoners, compiled by Henryk Paskal, includes runners who are considered masters runners, at age 35, by international standards.

tinues, but the 48-year-old Britisher has terminated his popular Running Review magazine, a British staple for several years. "We were not getting the revenues to make it viable," Hill said. "It was impossible to continue working hard to lose money each month." Despite an operated knee, Hill continues to run and race. He has competed in races in 43 foreign countries in his career. "I hope to have run in 50 different countries before I turn 50 (Sept. 1988)."

- Veteran Athletics, the British counterpart to the NMN and other publications devoted to masters running and t&f, made its debut with the June/July 1987 issue. Sent free to all members of BVAF regional clubs, the magazine (6 bimonthly issues) is available outside the UK for 12 British pounds from Veterans Athletics Subscriptions, 57-61 Mortimer Street, London, WIN 7TD. A masters-only publication in Britian has not been available since the passing of Veteris magazine several years ago.
- The first-ever South African Masters Cross-Country Championships will be held in Cape Town, August 22. Masters runners from throughout the world are invited. For accommodations, contact Leo Benning, 10 Bennington Rd., Tamberskloof 8001, Cape Town, South Africa.
- Evy Palm, 45, followed-up her Boston

masters victory (2:36:24) with an even better 2:35:14 to win the Stockholm Marathon as first woman overall for the second year in a row on May 30th. In July, she ran an astonishing 32:42 in an Oslo, Norway 10K.

 Basketball Hall of Famer Wilt Chamberlain, who will be 51 Aug 21, wants to compete in the discus in the 1988 Olympics in Seoul, South Korea. Al Oerter, 51, who attended the University of Kansas with Chamberlain, remembers trying to teach Wilt how to throw "way back when." Oerter, who won gold medals in the discus in four Olympics (1956-68), told USA Today. "To compete in open competition would require a great deal of work, and I don't know if Wilt's willing to put that in." Oerter said Chamberlain's strength and arm length are advantages, but his height is a disadvantage. "He's so dad-gum tall. . .here's a guy 7-2 in an 8-foot circle. It's very difficult to move from the back to the front with aggression." Oerter has his sights on next year's Olympic Trials. In November, he will compete in the World Masters Championships at Melbourne, Australia, site of his first Olympic victory.

"Now that's where Wilt should be," he said.

• Derek Turnbull, 60, of Invercargill, New Zealand, set a world M60 marathon best of 2;38:47 in Adelaide, Australia, July 19. Clive Davies holds the U.S. M60 mark of 2:42:44. □

World vets steeplechase and crosscountry champion in 1979, Taff Davies, now 49, ran back into form recently after a long layoff, winning a 10K road race on slippery pathways at Copthall Hendon, June 14, in 31:50. Martin Duff had a very good run in the Ranelagh Half-Marathon at Effingham, May 30, coming in 3rd (1:08:38). In that race (over 200 runners), Tim Johnston, 1968 Olympian and ex-world vet champion, was first over-45 (1:10:29). First over-50 runner was Pete Lawrence (1:14:30). Fortyyear-old Mike Hartley, who was 9th in the Ranelagh race (1:10:56), went on to win the Veteran Athletic Club 5 + Mile Road Championships at Battersea Park, June 16.

Chris Ellis, M40, won the Kent County open discus title with a respectable 49.30/161-9. In June, Janis Kerr, the international discus and shot competitor from 1969-77, was back at age 40, winning the shot (13.03/42-9) and discus (42.0/137-9).

At a meet in Copthall, 71-year-old Colin Fairey, who ran a world best 8.6 60m indoors earlier this year, won the over-70 100m (13.7) and the 200 (29.2). Bob Bush, M40, of Highgate Harriers was 2nd in the 100m (11.8), one-tenth behind ex-international Ian Green of Luton. Bush won the 200 (23.5) and 400 (52.2).

Adrian James won the Vets AC walk from Amos Seddon, June 16, and was 2nd outright in the Leicester Mercury Walk (2:33:22), May 9.

Eldridge Lansdell, M40, was one of the first to jump 7 feet in South Africa. Here he jumps 1.70 meters at the South African Masters Championships held in Durban, S.A. April 25.

won the 1500 (4:46.6) and 3000 (10:05.7).

- W40: Susan Cranje set an S.A. record of 12.70 in the 80 hurdles, and took the 400H (70.7).
- W45: Marie-Louise Uys set an S.A. shot mark of 11.60.
- W70: As usual, Audrey Reid picked up golds in the 100 (17.0), 200 (34.7) and 400 (85.4).

In all, 14 men's and seven women's

South African records were broken in the two-day meet.

Despite the progress (albeit slow) towards integration being made in our country, South African athletes — both black and white — are not welcome in Australia, so we will not be participating in this year's World Veterans Games. We will miss the Games, and we extend our best wishes to our friends in sport from all nations.

### 905 Tracksters Compete in Senior Olympics

An astonishing total of 2461 athletes—all age 55 and older—participated in the first U.S. National Senior Olympics in St. Louis from June 27 to July 2. Of those, an amazing 905 competed in track and field.

Men and women took part in 11 different sports: archery, bowling, cycling, golf, horseshoes, swimming, table tennis, tennis, track & field, volleyball and long distance running.

Competition was held in five-year age groups, with medals awarded to the first three finishers.

"We are looking at people who are able to achieve great things based on their fitness and health," said Ken Marshall, President of the National Senior Olympics.

The event was featured in a page-one story on June 26 by U.S.A. Today, which followed up with daily stories and results. Its July 6 edition published a state-by-state breakdown of each participant's performance.

The St. Louis Post-Dispatch gave front sports-page coverage daily, as well as printing all results.

There were 36 heats in the 100, and the 65-69 women had to run qualifying heats. By contrast, last year's TAC U.S. National Masters Championships drew a total of 761 over-age-30 athletes, only about 225 of whom were 55-or-over.

In the track competition, several performers stood out, most of whom are familiar names on the masters circuit:

- California's Bob Watanabe won three gold medals in the 60-64 100 (12.86), 200 (26.16) and 400 (61.84).
- Ohio's Mary Bowermaster won four golds in the W65 100 (16.74), 200 (36.30), high jump (3-7) and long jump (10-7). Her long jump is a new American W65-69 record, breaking the mark of 10-51/4 which she set in 1983. Bowermaster turned 70 on July 26, so look for her to rewrite the women's 70-74 record book this year.
- Another Ohioan, Bill Weinacht, captured three firsts in the M70 100 (13.70),
   200 (28.56) and 400 (66.84) all exceptional times.

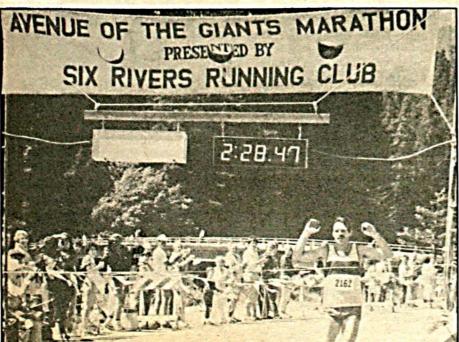

- Local athlete Jane Clarkson got a lot of press with her three triumphs in the W55 100 (15.75), 200 (32.94) and 400 (78.23).
- Harry Brown of Illinois notched M55 wins with fast times in the 100 (12.77), 200 (25.76) and 400 (59.01).
- Another Ohioan and subject of this issue's "Training Advice" column, Byron Fike, racked up five firsts in the M75 100 (15.89), 200 (33.07), 400 (75.67), 800 (3:07.38) and 1500W (10:09.58).
- Ed Benham, who turns 80 in time for this year's World Veterans Games in Australia, wowed everyone with a 9-minute M75 10K win in 45:35, and added the 5K (22:02) and 1500 (6:12.74) to leave many months open in wonder.
- Michigan's Ham Morningstar, who won the M70 National Masters Pentathlon title a week earlier in Los Angeles, easily snared the high jump (4-7), pole vault (7-6), discus (115-1) and javelin (118-1/2).
- Another National Pentathlon champ, Boo Morcom, a 1948 Olympian, was as busy doing TV interviews as he was winning the M65 pole vault (11-0), high jump (4-6) and long jump (17-1½).

The event was not without problems. "Older runners had to wait up to three hours to compete in qualifying heats," the Post-Dispatch reported. "Some endured that only to find their heats canceled because potential competitors scratched. Long delays occured in the awarding medals. It took two hours to tabulate the results of the 5000. Regardless, athletes seemed pleased with the competition."

Bob Hope wrapped up the festivities with an appearance on July 2. Hope is reportedly under contract to the Silver Pages, one of the prime sponsors of the event.

"We hope to begin to move the event around the country," Marshall said. "East coast and west coast cities have expressed interest in hosting the event in 1989 and 1991."

The recent Supreme Court decision which upheld the right of the U.S. Olympic Committee to control the use of the world "Olympics" (forcing the "Gay Olympics" to change its name) did not affect the Senior Olympics.

tion to running, we're still in the major leagues!

Maury Dean Patchogue, New York

Your masters coverage is greater and better with every issue. Keep up the great work. Looking forward to qualifying for All-American status soon in the javelin. It's been a long time coming, and your award gives us the chance to complete some more youthful dreams.

#### PLAUDITS FOR THREE EVENTS

It was a pleasure to participate in the Southern California Masters TAC Championships at Occidental on June 20th. What a super fine facility the "Tigers" have there. It was a joy running on that fast surface and the wide turn! Woody Studenmund and his staff ran a great meet!

Payton Jordan Los Altos, CA

While in California on a visit I heard about a track meet in Los Gatos and decided to go on a lark. It was a great day, even though I only did 13.39 in the 100m, and pulled a hamstring in the 200. I'm shy, but other runners were so friendly and helpful, I just had to write and thank them. It was amazing to see men and women, ages 20-88, all having such a good time and sharing their expertise with the beginners. The medical help was fantastic (my hamstring), and I enjoyed watching and listening to National record holders run and converse with everyone with a most humble attitude. Caroline Mc-Cleod and her husband, of Ridgefield, Wash., and Steve Ricard, of Fulton, Calif., were especially friendly.

After hearing compaints galore from some of your readers about meet problems, I can say the Valley of the Flowers full/half marathon in Lompoc, Calif. was an exceptional event. The race was very well-managed throughout by Lee Heinz, a gentleman of charm and humor who made himself readily accessible throughout the day. The day before the race, my coach, Jim Kelly, phoned Lee, who welcomed us to come and do the halfmarathon. He even had a personalized plaque made up in advance. Lee knew that I am 84 years old and that, if I completed the race, I would be setting a new American age-84 record. I ran the fairly-hilly course in 3:08:06 and heartily recommend this race to all run-

#### LACK OF CALIFORNIA MEETS

Where have many of the California masters T&F meets gone? Before we were taken under the "protective" wing of the AAU/TAC, we had many more meets per season. Why?

We've lost meets in Visalia, Porterville, Fresno, Chula Vista, San Diego, Palm Desert, the old Senior Olympics, the Grandfather Games, the Don Palmer relays and others.

I hate to use the cliche "give me the good old days," but that's the way it was before a TAC card was a requirement.

> Al Guidet California City, California

(TAC stages national, regional and local championships, but local meets are created by individuals and clubs, not TAC. The average masters meet costs the equivalent of \$5000 in labor, equipment, stadium rental, officials, etc. Individuals such as Jim Vernon, Dave Lewis, Mike Castaneda, Woody Studenmund, Larry Sallinger, Gary & Christel Miller, Bruce Springbett, Mary Thompson and others care enough about the masters program to personally assume those costs - or else they find a sponsor to absorb them. But after seven or eight years, burnout sets in and new blood is needed. Anyone who wants more meets is encouraged to organize one in his or her own hometown. - Ed).

#### KUDOS

Keep up the good work with the National Masters News. It's a lovely jour-

You are all great - NMN is getting better all the time.

Donald Hull Allandale, Fla.

Congratulations on a very fine magazine.

Matti Hannus Suomi, Finland

NMN is a great publication but the price is high, considering magazines I can get for less. I wish NMN was half as big (I don't have time to read long articles) and cost half as much.

William Boggs Tulsa, Oklahoma

Great publication, keep up the good

The letters column is an open forum for all viewpoints on subjects of general interest to our readers. Letters should be addressed to: Write On, NMN, P.O. Box 2372, Van Nuys, CA 91404. They should be kept as brief as possible and are subject to condensation. They must include a signature and a valid mailing address.

Her brother had Duchenne Muscular Dystrophy. Which means that though she herself is unaffected by the disease, she could be carrying it in her genes.

And if she is, there's a onein-four chance her child will inherit Duchenne.

One of the most common and devastating forms of muscular dystrophy, Duchenne is usually passed from mother to child by a defective gene. MDA researchers have taken the first step toward a cure—the discovery of the

Duchenne gene.
The discovery also brings us closer to a 100% certain way to identify parents at risk. Now we're closer than we've ever been to conquering this deadly disease.

# \*\*NATIONAL MASTERS NEWS \*\* Subscription Form

The National Masters News is the official world and U.S. publication for Masters track & field, long distance running and race walking.

Masters competition is sponsored worldwide by the World Association of Veteran Athletes and in the USA by The Athletics Congress. The National Masters News gives you information that's available nowhere else: schedule information, meet and race results, training advice, race and meet stories, profiles, photos and articles by the top Masters writers in the nation. It's the best — if not the only — source of world, national, regional and local Masters information.

The National Masters News is only \$18.75 a year for 12 information-packed issues. Or you can take advantage of our special two-year rate of \$35 — a 25% savings off the single-copy price. A 3-year subscription saves 29%.
