Over 450 compete in National AAU Masters meet in Atlanta as events run smoothly

BY AL SHEAHEN

Over 450 veteran men and women athletes over age 30 competed in the 11th annual National AAU Masters Track and Field Championships in Atlanta, Ga., July 7-9, 1978.

The number of participants was the second largest in the history of the national championships, topped only by the 615 at White Plains, N.Y., in 1975, which included many foreigners on their way to Toronto for the first World Championships.

The 1978 meet was a professionally run event, skillfully handled by the experienced Atlanta Track Club and sponsored by the Occidental Life Insurance Company of North Carolina.

Co-chairmen John Bevilqua

and Ken Kirk labored long and effectively to provide the participants with a very enjoyable weekend of competition. Meet director Paul Koshewa, a guiding force behind Southern track and field for over 25 years, and his dedicated crew of volunteers kept the meet exactly on schedule, a welcome change from the usual one-two-two-hour delays of many meets. The track events went off virtually without a flaw. The field events were a bit scrambled, due mainly to the throwing of the javelin and hammer across the running track. Fortunately, no one got a hammer in the ear or a javelin in the chest, and the events proceeded normally.

The heat hovered at 95 degrees at Atlanta's Lakewood Stadium both days, and the humidity was

near 100. This may have slowed some of the distance runners, but a few new records were nevertheless set in the middle distances.

Ernie Billups, a new face in the Masters program, came out of Chicago where he had dominated the Midwest Regional, to set a new American mark in the age 40-44 800-meter run. His 1:57.5 nipped a tick off the old standard of 1:57.6 set by California's David Pratt at the national championships in San Diego in 1973. (Pratt, by the way, is back in form. Now 46, he won the Western Regional 800 in a good 2:04.1, but did not compete in Atlanta.)

Ray Gordon of Forrestville, Md., and the Potomac Valley Seniors Track Club, set a new American

age 60-64 record of 2:21.6 in the 800, topping the 2:23.1 set in 1974 by Bud Deacon of Honolulu.

Mary Czarapata of New Berlin, Wisc., won three events in the women's 40-44 age division, including a new record 2:26.1 in the 800, breaking her own mark of 2:30 set in the national championships in Chicago in 1977.

Nat Heard of Marion, Mass., established a new world mark in the 60-64 Shot at 53'9½", topping his own three-month-old standard of 51'5".

The team scoring title was won by the powerful Corona Del Mar Track Club of Southern California. With the 10-8-6-4-2-1 point system, the Atlanta Track Club used its depth to finish second. The Potomac Valley Seniors took third with the Southern California Striders fourth.

The meet provided several memorable races: Jim O'Neil and Pete Mundle raced together for 24 laps in the 50-54 10,000-meter run. On the last lap, Mundle opened up 10 meters and seemed to have the race in hand until O'Neil put on a burst down the straight to win by a nose in 34:46.

Mary Czarapata and Nancy Parker raced literally shoulder-to-shoulder throughout their 5000-meter run, with Parker confidently running on the outside on the turns. The outcome was in doubt till the final yards as both runners sprinted the final 200, Czarapata winning out at the wire, 19:36 to 19:37.

Ray Adams of Washington, D.C., a triple winner in the 1977 National Championships in Chicago, met John Sanders of Drexel Hill, Pa., the 1978 North American Masters 400 champion, in the finals of the 40-44 400. Sanders opened up a narrow lead coming off the turn as Adams slowly closed the gap. Both crossed the line in 51.0 with Adams getting the nod in a tremendous race.

Hilliard Sumner of Woodland Hills, Calif., gained revenge for his loss to Richard Harris of Sacramento in the 30-34 Western Regional 400 by nipping Harris at the tape in an outstanding 49.1 for both runners.

The sub-masters and the AAU — big convention issue looms

By ROBERT G. FINE

The sub-masters (30-39) are an unofficial group within the AAU. They are under the jurisdiction of the Open Track and Field and Open Long Distance Committees. The Masters Committees have no jurisdiction over the sub-masters.

At the time that the Masters became a separate standing sports committee, the concern was voiced by the then parent Open Track and Field Committee that the Masters in Athletics (Race Walking, Track and Field, and Long Distance Running) might emulate the swimmers and go down in age to 25. The Masters indicated that we would not seek jurisdiction over athletes under the age of 40. Not only was it reasoned that many 30-year-olds can still compete on a championship level, but there were serious questions as to whether the International Federation would consider some special status for those under 40.

However, there has developed a real need for age-group competition amongst the sub-masters. The only group who has given them any consideration has been

the Masters. In just about all of our meets there are sub-master events. With the knowledge that one can compete at any age in Masters competition, more athletes are not retiring after college. Many of them are just below championship level within their Associations and many 30-year-olds competing in sub-master events would have no chance of placing in open competition. Most of the world class athletes in their 30's have not competed in the sub-master events held in conjunction with the Masters' meets.

The sub-masters are becoming an important part of the Masters' meets since they compete in relatively greater numbers which results in important financial consideration. What is now happening is that the sub-masters, being under the jurisdiction of the Open Committees, have not been given any special age-group status and are thus not eligible for Championship awards. It seems inequitable that sub-masters compete in Masters meets, pay the same entry fee, but are not entitled to championship prizes or patches. This matter will be

brought up at the AAU Convention this Fall. I have suggested that the sub-masters be given age-group championship status, similar to those accorded to the Junior Olympic program, under the jurisdiction of the Open Committees, with permission being given to have the sub-masters events integrated into the Masters Championships. It is impossible to predict whether this proposal will pass.

What is now needed is for both the sub-masters and masters to contact their local AAU, find out who the delegates will be to the Convention, both on the sports committees and the Board of Governors, and lobby for approval of this plan. The AAU is democratically run. If you have the votes your point of view will prevail. It is identical to putting pressure on your congressman to vote as you would like.

It must be emphasized that the Masters Committees have no jurisdiction in this matter. We can point out the problem and lobby before the Open Committees but we don't vote within these committees.

son brought the crowd to its feet with a stirring duel in the 1500. Although Madden competes in the 70-74 division, and Chapson in the 75-79, they were running in the same race. Both were assured of gold medals in their respective divisions, but they have a personal ongoing rivalry. Neither likes to lose to the other. Madden dogged Chapson's pace for 3½ laps and began to pass Chapson with 50 meters to go. But Harold dug in and held on as Sid gave it his best shot, barely catching himself from falling at the tape. It was a great race, Chapson being clocked in 5:43.5 to Madden's 5:44.5.

As always in the national championships, outstanding performances were commonplace. By divisions:

30-34. Ben Wilson of Earlysville, Va., dominated the competition with three outstanding efforts. Wilson won the 1500 in 4:00.7, the 5000 in 15:27 and 10,000 in 31:30 to become one of a handful of triple gold medalists in the games. Ron Whitney of San Antonio, Texas, was a double winner in the 100 (10.6) and 200 (21.7). In addition to his 400 win, Sumner took thirds in the 100 (11.3) and 200 (22.5) and 5th in the 800 with a versatile 1:58.0.

35-39. Walt Butler of Altadena, Calif., won three: the 100 (10.9), 200 (22.4) and 110-hurdles (14.4). Lew Faxon of Hampton, Va., took both the 1500 (4:14.4) and 5000 (15:53). Gary Carr of St. Louis won the 800 in 1:55.6 while Tom O'Hara of Pittsburgh topped a good 400 field in 50.7.

40-44. East met West in two classic matchups in the 100 and 200. Lloyd Riddick of New York City, a 400-relay gold medalist in Sweden and 5th place finisher in 100 there, faced Ken Dennis of Los Angeles, who was unable to make the trip to Sweden but who had been burning the California tracks for two years. Complicating matters was the presence of Sweden silver medalist James Rabie, who had flown 9000 miles from South Africa to participate, not to mention Arnold Budd of New York, another 400-relay world gold medalist.

Dennis settled the issue quickly, drawing out to an impressive 10.8 victory as the best in the West beat the best in the East. Riddick was 2nd in 11.2 with Rabie 3rd in 11.4 and Budd 4th in 11.5.

In the 200, Riddick tried valiantly to stay with Dennis but succumbed as Dennis won again in 22.5. New York's Cliff Bertrand closed for 2nd in 23.1 with Rabie 3rd in 23.1 and Riddick fourth in 23.2.

The 400-meter competition was fierce. American record holder Gary Miller of North Hollywood (50.8) didn't make the trip, unfortunately, nor did Honolulu's Fred Kjer, who had upset Miller in the Senior Olympics in Los

Angeles in 50.9. Yet the caliber was so high that 1977 runnerup and Sweden finalist Bob Lida of Wichita, Kan., was eliminated in the semi-finals with a 53.2, comparable to his 1977 effort of 52.8.

As mentioned, Adams edged Sanders in 51.0 with 800 and 1500-meter champion Ernie Billups 3rd in 51.5 and South Africa's Miloje Grujic 4th in 51.9.

Billups dominated the 800 and 1500, whipping Canada's Hike Van Der Wal in the 800 and South Africa's black Johann Metsing in the 1500.

Metsing, the Pan-American Games champion and the only black ever to compete outside the African continent, according to reports, easily won the 5000 (15:58) and 10,000 (32:28) slightly slower than his winning 1977 efforts (15:49 and 32:57).

Al Henry of Carson, Calif., won the 110-hurdles in 15.1 and Bertrand took the 400-hurdles in 60.1. (The 400-hurdle heights were set at 33" for the 40-49 groups and 30" for over-50's. These heights were later agreed upon at the meeting as being better suited to Masters competition; that more participants could be encouraged to compete if the levels were lower. However, all age records are presently kept at the international heights of 36" for the 40's and 33" for the 50's.

So confusion is sure to result, but it may work itself out in time.) Hal Smith of Tarzana, Calif., won the shot in 42'8" and Tom Langenfeld of Minnesota took the high jump in 6'.

The most well-known performer in the meet won the discus in the 40-44 category. Four-time Olympic champion Al Oerter was on hand as he tunes up for another go at an Olympic medal at Moscow in 1980. His winning throw of 194'3" topped his winning Olympic marks in 1956 (184'11") and 1960 (194'2").

45-49. George Vernosky took track honors in this division with three impressive wins in the 1500 (4:23.2), 5000 (16.43) and 10,000 (33:43). Danie Burger from South Africa, the Pan-American hurdle champion and a silver medalist in the 40-44 division in Sweden, won both hurdles in 15.7 and 58.3. Two-time Olympic silver medalist (1956—100—10.5 and 1952—200—20.8) Thane Baker of Dallas, Texas, easily won the 100 in 11.3 and 200 in 23.4.

In May Baker set a new world 45-49 mark with a clocking of 10.0 in the 100. Hans Bruhner of Concord, Calif., reaffirmed his 1976 national championship to win the 400 in 53.5, while Connecticut's Tom Connelly took the 800 in 2:06.1. Dagoberto Gonzalez won the shot and discus while Dave Jackson prevailed in the triple jump.

50-54. As usual, the great Jack Greenwood of Medicine Lodge, Kan., dominated this division,

but he was upset in the 100 by Ed Schuler of St. Petersburg, Fla., 11.7 to 11.8. The only races that Greenwood has lost, to the best of our knowledge, in his age group in the past several years have been in this meet—last year in the 100 to Bob Watanabe and this year to Schuler. Greenwood successfully defended his championships in the 200 (24.1), 110-hurdles (15.3) and 400-hurdles (60.7), but passed up the 400 after qualifying in the semifinals. New York's Rudy Valentine won the 400 in 54.5.

Awesome is the word to describe the 800 and 1500 as Dean Smith of Lombard, Ill., and Kelsey Brown of Andover, N.J., traded victories. Smith, the gold medalist in the World Games in Sweden and defending 800 national champion, improved on his Sweden performance (2:05.7) to win in 2:04.0 to Brown's 2:06.9. The time approached Bill Fitzgerald's world mark of 2:01.1 for over-50's. Fitzgerald, by the way, is plagued with back troubles and is not competing this year. In the 1500, Brown evened the score with an excellent 4:26.7 to Smith's 4:29.3.

O'Neil won the 5000 in addition to the 10,000 in 17:04 in very humid conditions, as Mundie was forced to pass up a chance to reverse their 10,000 battle due to a leg injury.

Schuler also won the triple jump; Hal Wallace of California took the pole vault in 10'6" and Jay Wallace of Richmond, Va., won the high jump. Bill Walmroth won the shot and discus.

55-59. Jerry Morrison was yet another impressive triple gold medal winner as he handily won the 1500 (4:40.4), 5000 (17:13) and 10,000 (35:38.8). The Parkerville, Mo., veteran narrowly missed Leon Dreher's American 55-59 record of 35:37.2 in the 10,000. Dan Aldrich and Dave Brown of California won the discus and triple jump, respectively. Burl Gist of California took the high jump. Another Californian, Bob Hunt, of Anaheim, won both hurdles in 17.6 and 68.8. South Africa's Harry Lampert notched the 800 in 2:17.8. Richmond Morcom of Philadelphia, who usually dominates this division, is reportedly injured and did not compete.

Jim Upham of Manhattan, Kan., swept the sprints with three wins—in the 100 (12.7), 200 (26.3) and 400 (58.2). University of Southern California track and field coach

Vern Wolfe won the pole vault in 10'6".

60-64. Gordon, besides setting his 800 record of 2:21.6, won the 400 in 59.4 and 1500 in 5:04.1. The 400 was only three ticks off Russ Niblock's world mark of 59.1 and one of the few times in history that a 60-year-old has broken one minute in the one-lapper. Al Guidet of California City, Calif., won four events in this division: the 100 (13.2), 200 (27.5), 110-hurdles (17.9) and 400-hurdles (73.1) and took seconds in the 400 (62.2) and long jump.

Tom McDermott of Madison, Conn., won the hammer and discus; Bill Morales of Santa Ana, Calif., took the long jump (15'11¼"). Jim "Ole" Oleson of Santa Monica, Calif., garnered two golds in the 5000 (18:59.6) and 10,000 (39:47).

65-69. Consistent Bill Andberg of Anoka, Minn., was a double winner—in the 800 (2:30.2) and 5000 (21:12) but passed up the 1500 due to leg troubles. Bob Boal of Wake Forest, N.C., annexed the 10,000. Honolulu's Bud Deacon won the 400-hurdles and pole vault. Harry Koppel of Belmont, Calif., won the 100 (13.2) and 400 (67.1). In June, Koppel set three world marks in the 65-69 age group: 100 (13.0), 200 (27.7) and 400 (64.0). Fred White of Duncanville, Texas, laid claim to outstanding-athlete-of-the-division honors with three firsts—in the 200 (28.1), long jump (15'4") and triple jump (30'2").

70-74. Manny D'Elia of Ridgewood, N.J., took the 100 (14.6) and 200 (30.1). Paul Fairbank of Bethesda won the 5000 (22.56) and 10,000 (48:44). Sid Madden won the 800 in 2:43.4 and 1500 in 5:44.5. Win McFadden of San Diego won four: 110-hurdles (26.5), high jump (3'8"), long jump (12'4") and triple jump (27'4½").

75-79. Ubiquitous Herb Anderson of Bellevue, Colo., prompted an observer to suggest renaming this category the "Anderson division" as he notched 10 victories, sweeping the field events, hurdles and 100. Honolulu's Harold Chapson picked up four golds in the 200, 400, 800 and 1500, while Lou Gregory of Pensacola, Fla., a six-time national open AAU 10,000-meter champion from 1929 to 1943, won the 5000 and 10,000.

Phil Partridge reports on 1st Arabian Masters

"As you see, we did not have a full schedule of events," writes Phil Partridge in reporting on the first Arabian Masters Track & Field Meet held at Dhahran University of Petroleum and Minerals on April 24.

Winners in the long jump by age divisions were: Paul Lehto, 25-35, 15'1/4"; J. Henderson, 30-35, 17'10 1/4"; Phil Hedges, 40-45, 18'5 1/2"; and Joe Woods, 50-55, 10'8 1/4". Rick Kelly was runnerup in the 30-35 group and Fred Peet was second in the 40-45 division.

In the running events, J. Henderson was first in the 100

meters in the 30-35 group in 12.5 seconds. Rick Kelly was second in 14.6. In the 40-45 group Phil Hedges won in 12.6 and Peet was second in 14.0. Woods won in the 50-55 group in 17.5.

George M. Knuettel won in the 35-40 group in the 400, 800 and 1500-meter events in 60.3, 2:50.5 and 5:16.5 respectively.

David Thorne was the 35-40 winner in the 5000-meter event in 22:36.5 and Jim Freel won in the 45-50 group in 22:54.1.

Edison Marshall was the discus winner in the 45-50 group with a heave of 77 feet, 8 1/2 inches. O.J.

performances in addition to Czarapata's record. About 35 women entered the meet, and hopefully that figure will quadruple in 1979. Czarapata won the 800, the 1500 in 5:13.0 and 5000 in 19:36, in the 40-44 group.

Carole Brockman of Kansas City won the 1500, 10,000 and long jump in the 35-39 group. Shirley Dieterich of Berkeley, Calif., won the 100 (16.2), 200 (34.7) and 400 (82.5) in the 50-54 competition. Mimi Gerard took the 100 (13.0) and 200 (28.2) in the 35-39 division and placed 2nd in the 400 (63.0) and 800 (2:33.3).

Miki Hervey of Dallas impressed with a 60.6 to win the 35-39 400 and 2:22.2 to take the 800. Honolulu's Noel Murchie won the 10,000 in the 40-44 division in 43:28.4. New York's Dorothy Shippen won the 30-34 100 in 13.7 and 200 in 29.2.

National AAU Masters Chairman Bob Fine reported that Gresham, Ore., had submitted an official bid to host the 1979 Championships. Also interested are Dallas and Kansas. At the annual meeting after the banquet, the group voted to hold the national meet over the 4th of July weekend.

Bee was second at 52 feet even. Partridge won in the 65-70 group with a toss of 83'8 1/2".

In the shot put, Paul Lehto won in the 25-30 group at 28'1". Edison Marshall was first in the 45-50 group with 29'8 1/2" and Bee was second with 21'6".

Partridge was the 65-70 winner at 23'9".

Winning the 400-meter relay in 53.5 seconds was the team of Henderson, Peet, Hedges and Lehto.

Deed Tietjen compiled the results.

AAU Championships

By AL SHEAHEN

Gary Miller, 40, of North Hollywood, Calif., set a new American record for men over 40 by running the 400 meters in 50.8 at the AAU Western Regional Masters Track and Field Championships in Los Gatos, Calif., (near San Francisco) June 17-18.

Miller broke his own mark of 51.1 set a week earlier. He also won the 400-hurdles (33" vs. the usual 36" height) in 56.0 to establish an extraordinary standard in this new, but probably the

wave-of-the-future height.

Harry Koppel of Belmont, Calif., set two new world marks for men over 65 with a 13.0 in the 100 and 27.7 in the 200. Koppel broke the record of Virgil McIntyre of Prescott, Ariz., who ran the 100 in 13.3 in 1976. His 200 time also topped a McIntyre standard of 27.9 set in 1976.

Ken Carnine, 70, of Sacramento, Calif., established a new world discus standard of 126'4" in the 70-74 division, smashing the old mark of 124'8" set by Verner Andersson of Sweden at Gothen-

burg in the 1977 World Veterans Championships.

Payton Jordan, 61, of Los Gatos, Stanford University track and field coach, two weeks earlier set a new world mark for men over 60 with an 11.8 in the 100 meters and 10.9 in the 100-yard dash. Jordan holds the over-60 world 200 mark of 24.9, set last year.

Ruth Anderson of Oakland, Calif., broke her own world mark for women 45-49 with a 19:37.2 for 5000 meters. Her old record was 20:05 set in the 1977 Pan-American Games in Los

Angeles.

Turning in top performances: Hans Bruhner of Concord, Calif., a 52.7 in the 45-49 400; Jack Greenwood of Medicine Lodge, Kan., 54.9 in the 50-54 400, 24.0 in the 200, 59.4 in the 400-hurdles, 15.3 in the 110-hurdles and 11.9 in the 100 for a total of five first places. Jordan won the 100 in 11.9 and the 200 in 25.7. Ken Dennis of Los Angeles won the 40-44 100 in 10.9 and the 200 in 22.1.

Around-the-world relay run for peace scheduled in '79

NEW YORK—Thirty-two marathoners from 12 countries will set out from the United Nations Aug. 27, 1979, on the first non-stop relay around the globe—the World Peace Run.

Joined by Olympic marathon champions from every corner of the globe, the runners will carry the flaming World Peace Torch

through over 100 countries. The four-month 32,000-mile odyssey will begin with a multinational ceremony at the United Nations. David Gershon, a 31-year-old teacher of gifted children and the man who led the American 50-state 9,000-mile Liberty Torch Bicentennial Relay, is the organizer of the run.

Oleson, Mundle and Miller set world, U.S. records

James "Ole" Oleson, 60, of the San Fernando Valley Track Club set a new world mark for men over 60 years of age in the six-mile run with a time of 36:45.1 at the local AAU Masters Track and Field Championships at Cal State Northridge June 11.

Oleson's time smashed the record set in 1971 by Seattle's Norm Bright of 36:49.6.

Santa Monica's Pete Mundle set a new American record for men over 50 with a time of 32:49.6 in the same race, breaking the standard of 32:54 set by Sacramento's Jim O'Neil. Mundle, who turned 50 in May, previously set new American over-50 marks of 9:30.8 in the 3000 and 10:26 in the two-mile run.

A third mark was set in the

Southern California meet as North Hollywood's Gary Miller, 40, broke his own American record of 51.4 in the 440 with a 51.1. The world mark in this category is Australia's Noel Clough's 49.5 for 400 meters, set in Gothenburg, Sweden, at the 1977 World Veterans Championships.

Marathoner Gershon says, "The purpose of the World Peace Run is to inspire humanity with the vision of world peace and the oneness of all peoples. The World Peace Run is a tangible statement of faith in the potential for humanity to live in harmony. It is a celebration of the cultural diversity of the people of our planet. A conscious and deliber-

ate attempt was made to avoid affiliation with any particular philosophical approach to peace or political system."

Nobel Peace Prize winner and Olympic running champion Lord Philip J. Noel-Baker and Miss Lillian Carter are co-chairpersons of the World Peace Run Advisory Council.

Attention: All Masters registered in the Metropolitan A.A.U. Association

A new Masters club has been formed for men and women over 30 to be called the New York Masters Sports Club.

This club will be open to all athletes regardless of ability. We hope to make it the largest Masters competing club in the world. The Masters Sports Association does not sponsor teams or individuals.

Under AAU Rules you must compete unattached for at least four months before you can belong to a new club. We are suggesting that you begin to compete unattached as of August 1st. We plan to field teams

starting the 1979 Indoor season. Dues will be \$5.00 per year. We expect to start off with one of the best Masters' track and field teams as most of the N.Y. Pioneers will be switching clubs. We wish to develop long distance and walking teams also.

If you are interested in joining, send a self-addressed, stamped envelope to New York Masters Sports Club, c/o R. Fine, 77 Prospect Place, Brooklyn, N.Y. 11217. You will receive an AAU Registration blank for 1979 in Dec. or Jan. together with information about uniforms and organizational meetings.

Join the crusade for better running journalism! Subscribe to *Runner's Gazette*. Send \$6 check for 12 issues to 102 W. Water St., Lansford, Pa. 18232. If you're a subscriber, tell a friend to send us 28 cents in stamps and we'll send him a sample copy.
