95 in the shade at Los Angeles

Runners suffered in overpowering heat but weight men were never so loose at the Grandfather Games

Nearly 200 veteran athletes, age 30 and over, competed in 10-year age groups at the 8th annual Grandfather Games May 13 and 14 at Los Angeles Valley College, Calif.

Overpowering heat—95 degrees in the shade and 115 in the sun—trimmed the number of participants. A first-stage smog alert sent many of those who did enter coughing and writhing from the finish line.

With the air officially labeled "unhealthful for everyone," observers wondered what the international reaction will be when similar conditions occur during the 1984 Olympic Games, tentatively set for Los Angeles.

"It's the first time I ever wanted to quit," said veteran miler Jim Murphy. "I couldn't swallow or get enough air," was a common complaint.

The elements didn't stop Tom Patsalis, 56, of Los Angeles, a triple gold medal winner at the second World Masters Championships in Sweden in 1977, from winning three events in the age 50-59 (division 2) group. Patsalis long-jumped 19'4" (5.89 meters), better than his Gothenburg performance. He won the triple jump in 37'2" (11.33 meters) and the 100-yard dash in 11.40.

A new middle-distance threat emerged in the person of Bob Packard, 40, from Phoenix, Ariz.,

who set a new meet record of 4:34.78 in the 40-49 (Div. 1) mile run.

Just-turned-40 Big Al Henry won the 110-hurdles in 15.5 and the long jump in 21'½" (6.41), edging world hurdle gold medalist Dave Jackson of Carson in both events.

Nick Newton, 44, of Los Angeles, improving with age, bested 1977 Western Regional Champion Hans Bruhner of Concord with a sizzling 52.33 in the 440 to Bruhner's 53.42. Ken Dennis, celebrating his 41st birthday, upset Newton in the 220 in 23.5.

Ray Mahannah, 62, of North Hollywood, topped Henry in the 330-yard hurdles in 42.2. Last month, Miller set a new American over-40 mark of 51.3 in the 400-meter run, breaking Jim Lingel's old standard of 51.4.

Another new face emerged in the 50-59 division as Deon Carrico beat a good 440 field in 57.85. Regional and Pan-American champion Ray Mahannah, 62, journeyed from Fremont, Calif., to take the mile in 5:37.56 in Division 3.

Monty Montgomery of Sherman Oaks, a sub-3-hour marathoner at age 71, outdueled the smog to easily win his mile in 5:57.1.

While conditions were hardly conducive to top distance-running marks, the weight men were never so loose. Stuart Thomson won the 40-49 hammer in 167'11" (51.2). Meet director and Gothenburg silver medalist George Ker won the shot in 51'8" (15.75) and the discus.

Vaulter Bob McConaghy, 70, who last week set a new world pole vault Division 4 record of 9'2" (2.79), won the event in 8'6" (2.59). Current 2B and 3A world triple jump record holder Gordon Farrell, 60, of Van Nuys, Calif., won his specialty in 31'6½" (9.62), well short of his 3A mark set last December of 36'11" (11.25). Gothenburg pentathlon gold medalist Bill Morales of Los Angeles upset Farrell in the long jump, 15'9" to 15'5".

Special notice

Randall's Island has still not been repaired and won't be ready until at least July 1. Thus, the development meets for June will be cancelled and the Metropolitan AAU Masters Championship will be held at Van Cortlandt Park Stadium in the Bronx, with the same time schedule being used.

Also, there is a conflict in dates between the Weight Pentathlon in Vermont and the Met. AAU Championships. All Met. AAU competitors are urged to give Vermont the first preference.

Pete Mundle's listing of best marks of 1977

Here is Pete Mundle's listing of the best world and U.S. marks made during 1977.

"I worked long and hard to get an accurate list of the best U.S. marks, so it should be all inclusive," Pete reported.

"This was a one-time project and I found it too time consuming to do again," Pete added. "Tom Hoffman is compiling a ranking list of U. S. marks which will be published each year. The listing needs explaining. Asterisks after

the mark indicate that the mark has been converted from the imperial distance (i.e., from yards to meters) and asterisks preceding the name of the athlete indicate the athlete is from the U.S. I have also included the age in parentheses, the state in which the athlete resides and the date of the meet. I had to recalculate the pentathlon marks made in Sweden based on the IAAF tables (Ian Hume's tables were used there). These offer interesting comparisons with Swedish results. The decathlon list includes only Americans, since this wasn't contested very often abroad."

Eastern Regional Championships Saturday, July 29, at Randall's Island

TENTH ANNUAL EASTERN REGIONAL A.A.U. OUT DOOR MASTERS TRACK & FIELD CHAMPIONSHIPS. RANDALL'S ISLAND, NEW YORK CITY & CONCURRENT SUB-MASTERS AGE GROUP CHAMPIONSHIP. SATURDAY, JULY 29th, 1978
A.A.U. SANCTIONED - SPONSORED BY THE MASTERS SPORTS ASSOC. & NYPRCA

LOCATION Randall's Island can be reached by taking a bus from 145th St. & Lexington Ave. or by car going to the Triborough Bridge.

ELIGIBILITY Open to all athletes, thirty years of age and older, registered in the AAU from the following Associations: Maine, New England, Adirondack, Niagara, Conn. Metropolitan, New Jersey, Middle Atlantic, South Atlantic, Potomac Valley, Virginia

PRIZES: A.A.U. Regional medals to the first three in each event. Championship patches.

ENTRY FEE: \$3.00 per event.

RELAYS: Relays only for 40+. \$10.00 entry fee which will be credited to the National AAU Postal Relay Championships. All relay members must be from the same club. Teams can be declared prior to the race.

AGE-GROUPS Five year age groups for both men and women from age 30 to 80.

POST ENTRIES Post entries may be accepted upon the discretion of the meet director. They are strongly discouraged as they unnecessarily prolong the meet, upset seedings and cause needless additional work. There will be a chage of \$3.00 for post entry. Entries post marked four days prior to the meet or later, will be considered post entries. Please cooperate. We would rather you enter on time than collect the \$3.00 penalty.

FACILITIES: Dressing and toilet facilities for both men and women are available. Spikes are permitted. Artificial surface track.

EVENTS AND THEIR ORDER Seeded sections and combined age groups may be used at the discretion of the Meet Director. All running events in meters. Younger ages first.

Field events
results are
being awaited

Gentlemen:

Tom McDermott is right—you should publish the results of the field events at Goteberg. There are almost as many of us field event people as there are runners. You wrote on page 3 of the Fall, 1977, issue that you would do it. If you would like help on the conversions, I have an official conversion table, and like to do that sort of thing. I have been officiating for 48 years, was director of field events at the Penn Relays for 25 years, chief judge of indoor national AAU broad jump for 35 years, now chief judge of shot put (I asked Dan Ferris to change me a couple of years ago). I was twice referee of national AAU decathlon championships (at Palmyra, N.J., when Charlie Pratt won and at Atlantic City when Bob Richards won.) My offer, if you are interested in it, is for free. We should have those results.

Yours

Robert A. Detweiler

Swarthmore, Pa.

[Editor's note: We're accepting this generous offer and will send along the results for conversion and printing in a future issue as soon as we can find our copy of the results from Sweden.]

Should 400
be closer
to the end?

Greetings:

I want to share an idea with you but first of all express my appreciation to the grand people who put on the Masters track meets and have Masters events at college meets, etc. I appreciate all their time and effort and think they do a great job.

As a minister I can't make the Sunday meets and sometimes have a wedding or convention on a Saturday. But I make every event I can, subscribe to about every bulletin I know of and am thrilled with the opportunity to compete. Of course right now I'm recovering from a pulled muscle but planning to run again soon.

My request (and I hope someone listens) is to have the 400 (or 440) more at the end of the track meets. Bob Hunt and no doubt many others agree. I suppose there is some reason for having it first (maybe the 880 fellows want it then). But if it were near the end we could run a good 400 after doing the 100, 200 and hurdles, etc. But there is no way we can do a 400 (440) and then be at our best in the dashes. Thanks for listening to these words of wisdom.

Yours Truly,
Clarence Killion
Dinuba, Ca.

3rd annual N.J. meet on June 10

The third annual New Jersey AAU Outdoor Track & Field Championships for masters and sub-masters will be held Saturday, June 10, at Ridge High School, South Finley Ave., Basking Ridge, N.J.

Track events will start at 10 a.m. and field events at 11 a.m. All members of the New Jersey AAU who are 30 years of age and over are eligible. There will be five-year age groups for men and 10-year age groups for women.

Potomac Valley Seniors claim unofficial team title at N.C.

The Potomac Valley Seniors Track Club has laid claim as the unofficial team champion of the first North American International Masters Track & Field Championships held at North Carolina State University in Raleigh, N.C., on May 5-7, 1978.

The three-day meet included 500 competitors from the U.S., Canada and several European and Asian countries. The meet this year was the first sanctioned by the new North American Veterans Association under rules set forth by the World Veterans Athletics Association.

The Raleigh meet, which is in its 11th year, is also known as the Occidental Southeast Masters. Next to the Olympics it is probably the most comprehensive track and field meet in the world, providing competition in every running event from 100 meters to marathon and every known field event, including special pentathlon competition.

The Potomac Valley team of 34 participants captured 80 medals, including 20 gold, 18 silver and 42 bronze, covering first through fourth places. There were many outstanding performances by PVS members, including wins by Dixon Hemphill, 53, of Fairfax Station, Va., in the Pentathlon (1976 points), pole vault (9'7")

and the long jump, plus third places in the discus, triple jump and high jump. Another outstanding performance was provided by George Vernosky, 48, of Bethesda, Md., who won gold medals in the 3000 meters (9:21); 5000 meters (16:04) and 10,000 meters (34:10). In the latter race he was third overall for all age groups 30 and over.

Other notable performances were turned in by Glynn Wood, who won his division of the 1500 meters in 4:16.9; Jim Demma, who won the 800 meters in 2:05; Gerald Fitzgerald, who won the 100 meters in 11.1; Tony Diamond, first in the half marathon in 78 minutes.

Race walkers Alan Price and Sal Corrallo won two gold medals each in the 5,000 and 20,000-meter race walks.

Other gold medal winners from PVS in the running events were John Woods, 60, 5000 meters in 20:33 and 10,000 meters in 44:37; Frank Ruliffson, 52, 10,000 meters in 37:42; Paul Fairbank, 71, 10,000 meters in 50:37, and Egon Kafka, 55, half marathon in 1:46.

For the record, here are the ages of other club winners: Wood, 44; Demma, 38; Fitzgerald, 31; Corrallo, 47; Diamond, 48, and Price, 31.

First annual Southwestern Open Sept. 3

The first annual Southwestern Open Masters Track and Field Championships will be held for men and women at Albuquerque, New Mexico, on Sunday, Sept. 3.

Five-year age groups will be used if each group has three or more entries.

Meet director is Dave Douglass, 3409 Groman Ct., NE, Albuquerque, N.M. 87110.

The events will be held at the University of New Mexico stadium with synthetic track and runways, concrete throwing circles.
