

Dear Friends:

July 25, 1972

As the time for our departure for the first, and not the last, U.S. Masters International Track Team foreign tour approaches, Helen and I have been frantically making up entry lists, AAU lists, Hotel lists, Ferry lists, Train and Bus lists, and not to be forgotten Air and Equipment lists. We are striving to assure you that all details have been seen to and that the tour will experience a minimum of snafus. We are inexperienced as tour directors; besides, whoever heard of starting your virgin effort with a party of 154 (with others joining the tour at various points). If problems arise, we request, (beg) in advance, your indulgence. Now to the work at hand.

Uniforms:

Most of the equipment has finally arrived. Those who have ordered uniforms who are not going on the tour will receive theirs by mail. The West Coast group will receive theirs at the All-Comers Meet, Saturday, August 19th. The East Coast contingent will receive theirs on boarding our T.I.A. jet at Boston.

Each competitor gets: (1) a competition uniform; (2) windbreaker; (3) "T" shirt; and (4) cap (for fun - its wild!!). Each non-competitor gets: (1) windbreaker; (2) "T" shirt; and (3) cap. All will receive a 12"x12"x4" flight bag for athletic gear.

Wearing Windbreaker and Competition Uniform:

On travel days please wear Scarlet Windbreaker as this makes assembly and identification of such a large group much easier in airports, bus terminals, etc.

You are requested to wear the U.S. Masters team uniform when in competition. We are competing as a unit and to demonstrate the U.S. Masters' dedication to physical fitness. Wearing your local club or personal outfit will not create the same impression. Remember this is the first U.S. Veteran Track and Field Team to ever compete outside our borders. We hope (despite a little competition from Munich) to create some stir and stimulate interest in Veteran Track and Field.

Departure Time:

Over our strenuous objection the flight is scheduled to leave Oakland at 0600 Sunday, August 20, arriving at Boston 1400, and arriving London at 0330 a.m. Monday August 21. These times, hopefully will be set back several hours to give us a more acceptable arrival hour at London. Check-in time is 2 hours before departure; i.e., Oakland 4:00 a.m.; Boston 1:00 p.m.

West Coast Warm-up:

Jon Hutchinson and Emmett Smith of San Francisco are arranging a work-out, warm-up meet at Marin College, Saturday, August 19, 3:00 p.m., where uniforms will be distributed and time trials for relay teams will be conducted. Afterwards we will adjourn to some appropriate watering spot for a beer and dinner and then to bed for early departure Sunday.

Oakland Hotel:

Due to the early departure you must plan on arriving in San Francisco on Saturday. We have alerted two hotels in close proximity to the Oakland Airport of our Friday night stay and Jon Hutchinson has arranged for a 60 passenger bus to pick us up Saturday at 2:00 p.m. (cost \$1.50 to \$2.00 for round trip to Marin) for the warm-up Meet.

The two hotels are the: Edgewater West, 10 Hegenberger Road, Oakland. Doubles \$13.00. No limosine service to the airport. And, the Edgewater Hyatt House, 445 Hegenberger Road, Oakland. Doubles \$21. - \$25.00, with limosine. To make reservations send letter and one night's rate direct to hotel. (This is not covered in tour.)

Event Entries:

We have made a block team entry for everyone (hopefully). Lists for London and Köln enclosed. Helsinki and Gothenburg will be similar, we still don't have details. If you are unhappy with the events in which I have entered you, please contact David Pain before August 5th. If you phone, call in the evening, [714] 459-6362.

If for some unexplained reason you have been omitted from an event, notify us immediately. Keep in mind this is a long tour (as Hal Higdon warns us) and too much competition will burn you out. If you expressly want to run a relay leg, let us know and submit a representative time.

Relay Teams (Tentative):

Since there will be no team scoring, the primary team aspect will be the Relays in which we are surfeited with good runners. We have made the following Preliminary Relay Team Line-Ups, which are subject to change due to scratches, injuries and the like.

Alternates, if not used, will attach to the next lower relay team. Those of you statistically minded might suggest revisions of the following line-ups:

DIVISION I - 4 X 400

"A" Team	"B" Team	"C" Team
Stolpe 52.0	Sieben 53.3	Rademaker 55.0
Fitzgerald 52.3	Kamrass 53.3	Juilland 56.3
Greenwood 23.6 (200m.)	Puterbaugh 53.7	Wallace 25.1 (200m.)
Dawkins 52.9	Cheek 53.6	Grant 57.0
alt. Sieben 53.3	alt. Rademaker 55.0	alt. Stock 57.4
		alt. McVeigh 57.8
		alt. Sturak 56.0
		alt. Koerner 58.3
		alt. Hutchinson 59.0
		alt. P. Wood 61.9

DIVISION I - 4 X 100

"A" Team	"B" Team	"C" Team
Stolpe 11.2	Schlegel 10.5 (100Yd)	None
Greenwood 15.6 (110m.H.)	Grant 10.8 "	
Dawkins 10.5 (100Yd)	Chado 10.8 "	
Cheek 10.5 "	Donnelly 11.5 "	
alt. Schlegel 10.5(100Y)	alt. Juilland 10.7(100Y)	
	alt. Rademaker 11.8 "	

DIVISION II - 4 X 100

"A" Team	"B" Team	"C" Team
Sharp 18.8 (110m.H.)	Knuppel 56.4 (440Yd)	None
Guidet 11.1 / 12.3	Reiner 11.8	
Morcom 26.8 (220Yd)	Heard 12.1	
Niblock 11.8	Cranston 12.8	
alt. Knuppel 56.4(440Y)	alt. Paton N.T.	

DIVISION II - 4 X 400

"A" Team	"B" Team	"C" Team
Guidet 66.7(400m.Int H)	Niblock 58.4	None
Sharp 68.4 " "	Morcom 58.6	
Halpin 58.3 (400m.)	Waterman 59.0	
Knuppel 56.4 (440Yd)	Pain 60.1	
alt. Niblock 58.4(440Y)	alt. Jon Hutchinson	
	alt. Reiner	

4 X 100

Hills 13.1  
 Carnine 14.0  
 Puglizevich 14.5  
 Lum 15.5  
 alt. Bredenbeck N.T.  
 alt. Partridge 15.0

DIVISION III

4 X 400

Deacon 67. +/-  
 Carnine  
 Clarke, J.M. 69.3  
 Boal, R.S. 70 +/-  
 alt. Bierlein 72.7  
 alt. Hills 73.5

Refrath / Köln 5 & 10 Km:

Many of you have not submitted a certified qualifying time for these events. Even though you plan to run the marathon, enter the 5 or 10, for if you don't make the finals you can still run the marathon.

Travel Permit:

We have applied for a team travel permit from Ollan Cassell at Nat'l AAU Headquarters. You do not need to apply for one.

Implements:

We have asked the meet directors to use the 39" hurdles for the 110m., and 36" hurdles for the 400m. Intermediate, and lighter implements in field events.

	Division I	Division II	Division III	Division IV
Shot	16# (7.257 kg)	12# (5.442 kg)	8# (3.628 kg)	6# (2.721 kg)
Discus	4# 6.4 oz (2 kg)	3# 9 oz (1.616 kg)	2# 3.25 oz (1 kg)	2# 3.25 oz (1 kg)
Javelin	1# 12.25 oz (800 grams)	1# 12.25 oz (800 grams)	1# 5.25 oz (600 grams)	1# 5.25 oz (600 grams)
Hammer	16#	12#	12#	12#

We have had nothing by way of confirmation, however. We cannot count on the Meet sponsors to provide implements, so you had better plan to bring your own or share a buddy's,

East Coast:

We are pleased that everyone is on the same flight. In that all of you come from umpteen different areas it is interesting to note that no one has complained. Our other choice was Bangor, Maine. There is the possibility of a departure time change. If so, you will be notified.

Present Schedule:

Leave U.S. - Sunday, August 20:

Oakland - Check-in 4:00 a.m.	Boston - Check-in 1:00 p.m.
Depart 6:00 a.m.	Depart 3:30 p.m.
London - Arrive 3:30 a.m. Monday 8/21	Gatwick

Leave Köln - Sunday, September 17: (subject to requested change.)

Köln - Check-in 6:00 p.m.	Boston - Arrive 2:30 a.m.
Depart 8:00 p.m.	Customs
	Depart 4:30 a.m.
Oakland - Arrive 7:00 a.m. Monday 9/18	

Hotels:

These are the hotels at which we will be staying and the dates:

LONDON	8/21 - 8/26	St. James Hotel, Buckingham Gate, London, S.W.1, Eng.
HELSINKI	8/26 - 8/30	Hotel Valli, #3 Raugalammintie, Helsinki 55, Finl.
STOCKHOLM	8/31 - 9/2	Hotel Triangeln, Vidangsvagen #9, Bromma, Stockholm, Sweden
SARPSBORG	9/2 - 9/5	Headquarters: Hotel Saga, 1700 Sarpsborg, Sarpsborg, Norway, = (plus two more hotels)
GOTEBORG	9/5 - 9/8	Hotel Carl Johan, 66-70 Carl Johansgatan, Goteborg, Sweden
COPENHAGEN	9/8 - 9/11	Hotel Five Svaner, 29 Taasingegade, Copenhagen, Denmark
COLOGNE	9/11 - 9/17	Headquarters: Esso Motor Hotel, Durener Strasse # 287, Lindenthal, Köln 5, West Germany
		Schwan Hotel, Durener Strasse # 235, Lindenthal, Köln 5, West Germany
		Bremer Hotel, Durener Strasse, # 225, Lindenthal, Köln 5, West Germany
		The Regent Hotel, Melaten Gurtel # 15, Bransfeld, Köln 5, West Germany

The Esso will be our headquarters in Köln. Most of us will be spread out in the other three hotels. Messages can be cleared through the Esso. You will get your hotel assignment in Köln later.

Documentation:

Be sure to have: (1) Passport; (2) AAU Registration Card; (3) U.S. Masters Membership Card (enclosed); (4) Your doctor's fitness letter; (5) Citizenship papers if naturalized.

Currency:

Travelers Checks are best. Convert them at airport or railroad station on entry. Hotels, shops and restaurants make a profit on the rate of exchange. Learn the official rate on entry for future reference. It is suggested you go to your local bank and request packets (about \$10.00) of foreign currency for each country you intend to visit. You may or may not always have time to convert before you need the new currency. You should be able to take care of the exchange at transportation terminals.

What the U.S. Masters Tour Does Not Include:

Transportation to Oakland or Boston. Meals other than continental breakfast. Travel within each city. The tour package does include city to city transportation, some transportation to meets and affairs (at tour director's option), uniforms, meet entry fees, London reception, bus tour of Essex Villages, Stockholm reception, reception ASV Club Köln, and bus tour Köln.

Stand-By:

The tour is sold out, and we have several on stand-by. We anticipate a few will drop out at the last minute for personal reasons. If you are on stand-by - stand by. (But consider making back-up reservations on a commercial flight.)

Next Tour of U.S. Masters: L.A./ Hawaii/ New Zealand/ Melbourne/ Sydney/ L.A.:

We are already planning our next U.S. Masters Tour, hopefully benefiting from the experience gained from the first one. Believe us it has been an education.

Our next tour will be shorter - about 18 days and will coincide with the Christmas vacation, Friday December 14, 1973, through Tuesday, January 1, 1974, (less than 18 months away). We have received an o.k. from Bud Deacon and his boys for a meet in Hawaii, and Wal Sheppard in Melbourne says they are considering moving their Championships back from March to Christmas to accommodate us. There is expected competition in New Zealand as well as Melbourne and Sydney. We would appreciate your comments and suggestions either before or after (assuming we survive) our European Tour.

AAU '72 Masters Championships:

Although a number of fine veterans were absent this year due to plans to go to Europe, nevertheless the quality of the performances didn't appear to suffer.

Graham Parnell, (43), (SDTC) entered and won two events and set records in both the marathon 2:33:06 besting defending champion Dennis Coveney (41) (Vancouver, B.C.) 2:36:55 and Ross Smith (San Jose) 2:37:35, all three breaking Coveney's record of 2:39:00. Parnell also set a U.S. Vet record for the 3,000m. steeple with a convincing 10:05.4 besting U.S. Masters team member Bill Stock's (SDTC) (42) 10:42.0 second, and William Cameron (44) (San Jose) 14:31.6 and Division II, Howard McNiece (52) (L.A.) 14:33.6.

Other fine performances in the Marathon were provided by U.S. Masters European bound Jim O'Neil (47) (Sacramento) 2:51.18, who also ran third in the 10,000m. 34:01.0 qualifying him for that event in Köln. In Division II of the Marathon, John Lafferty (54) (SDTC) ran an excellent second in his division at 2:59.22 to see it bettered by Paul Reese (NCSTC) who also clipped John's Division II Marathon record set in '69 by a mere 6 seconds. U.S. Master Tom Sturak (41) (Striders) suffering from leg problems still managed a 3:00:34 barely edging Division II Wayne Zook (54) (SDTC) 3:05:54 good for third. Our Division III hope for the distances in Europe, Veterinarian, Dr. Bill Andberg (61) (Minn.) was second in Division III at 3:17:18 but the good doctor (who was outstanding athlete in Division III in '71) also ran an excellent first in the 1,500m. 4:59.4, first in the 5 Km. at 18:34 and first in the 10,000m. at 38:02.0 both of which qualified him for Köln but which efforts might have tuckered him out a mite for the Marathon. Very few athletes half Bill's age could pull out three firsts in consecutive days in these grueling events. The European 60 year olds will be hearing from our good doctor.

Other U.S. Masters competing commendably in the Masters Marathon were Talmadge Morrison (50) (Dallas) 3:28:55, and Jim Bole (64) (Long Beach), third Division III 3:30:52.

In the walks, U.S. Masters gave good account of themselves as J. Gershuny (45) (WVJC) took second in the 5 Km. at 28:28.0 with Larry O'Neil (64) first in Division III with 31:12.4 and Martti Laitinen (65) (Seattle) second at 36:25.4. Col. David Fowler (74) (SDTC) brought up the rear in 38:02 but won Division IV.

In the 20 Km. Gershuny was third but Bob Long (53) (Striders) picked up his first Masters Gold with a Division II win at 2:05:44. Larry O'Neil was first in Division III improving his record to 2:10.4 with M. Laitinen 2:29:16.

In the 100m. Alphonse Juilland (49) (Stanford) running the best in his five years of vet competition came in fifth at 12.1 (heat 11.8) behind youngsters Dean Smith (40) 11.2 (record), Rhoden 11.3, Stolpe 11.5, and DeVallance (Australia) 11.7. Incidentally this year saw the fourth consecutive year Australia has been represented in the Masters. Next year we are advised a British team of 25 to 30 will come to the Masters with a like number from Canada. Alphonse also pulled off a fifth in the 200m. 23.8. U.S. Masters' Ken Carnine (64) (NCSTC) had a Division III 200m. third at 28.4 and Al Guidet (53) (NCSTC) took his nemesis Payton Jordon in Division II with an excellent 24.3. Al looks unbeatable in his Division in Europe.

U.S.N. Capt. Dick Stolpe (47) (CDM) stepped up to the 400m. beating U.S. Masters Ossie Dawkins 52.9, and Bill Fitzgerald 52.9 with a fine 52. flat. In his leg of the 4 X 400 relay he was clocked in 50.6, the fastest 400/440 veteran time ever (Bill Fitzgerald holds the mark at 52.2). Dick gracefully attributes his great performances to training at 5400' in New Mexico where he is currently stationed. Sprinters take hope, perhaps he will slow down a little when he retires next year and moves to sea level San Diego.

For our money, Bill Fitzgerald (47) (STC) turned in the finest performance for age we are aware of in running a faultless 800m. letting Jim Van Tatenhove rip off a 55+ first lap and a lead of 20 m. Bill knew his pace and took Jim with 200 m. to go and in so doing ran the first official Masters 800/880 under 2:00 with a startling 1:58.4.

Over the obstacles Ted Rademaker (47) (Olympic Club) achieved third in both the 110 m. Highs (39") 15.9 and the 400 m. Int. (36") 60.6. Unknown to Masters competition, Jack Greenwood (46) (Medicine Lodge Kansas) startled Ted and everyone else when he set a world veterans mark of 56.5 in the 400 and took second in the 110m. 39" H. at 15.6. Both Ted and Jack will compete in Europe. Dave Jackson (40) (CDM) was outstanding winning the 110m. at 15.0 and the L.J. at 21'7" (Masters Record), and T.J. 45'8 3/4" (Masters Record).

In the field events it was Hal Connolly (41) (S. Cal. Striders) prepping for his fifth Olympic squad who with a prodigious heave put the 16# ball through the victory stand (unoccupied at the time) with a mighty crash. Although it won him outstanding athlete in Division I, the effort 220'11" fell 1'2 3/4" short of Howard Payne's (G.B.) Masters mark set in '71. Hal could only do 217' at the Olympic trials a week later failed in his bid to make the Olympic team.

In the Pole Vault Boo Morcom (51) (CDM) vaulted for a new Division II record 13'7" and only 2 veterans, Roger Ruth (43) 15', and Ken Hiob (40), 14'6", have ever vaulted higher as vets. Bud Deacon (61) (Hawaii) was unopposed in Division III at 9', far off his best (after all, men over 60 aren't supposed to be jumping over things with poles).

Masters Phil Schlegel (42) (CDM) 38'8 1/2" triple jump, and 19'11 1/4" long jump; Jon Sharp (50) (CDM) 36' 1/2" and 18'0"; Win McFadden (65) 30'5 1/4", 12'3", all gave good account of themselves.

In the Division II Shot U.C. Irvine Chancellor Dan Aldrich (54) (CDM) did 42' 1/2", for third and won the Discus with a heave of 143'0", a P.R. Masters Nat Heard (55) (CDM) slowed by a bad ankle still managed a 50'4" 12# put, and a 133'8" Discus effort. Division II Steve Seymour (51) (CDM) appeared rather out of shape but still called on his skills of 20 years and

got first in his specialty with a toss of the spear of 169'11" which would have gotten him second in Division I, due to the absence of ailing Bud Held (229'3" '70).

In the Relays it was Corona Del Mar in Division I with that great anchor leg of Stolpe. In Division II the S.D.T.C. anchored by U.S. Master Bill Knuppel (53) bettered the opposition. For complete results see the enclosed results courtesy of the S.D.T.C. and Ken Bernard (who labored long as Meet Director and put out all results and the fine program, as well as suffering a stress leg fracture in the Pentathlon).

To help defray expenses of the meet, please send \$1.00 for these results to S.D.T.C., Box 10512, San Diego, California 92110.

Next Year's AAU Masters Championships:

The San Diego Track Club has sponsored the Masters for five years since its inception by the writer in 1968. We have received expressions of interest from other sponsors from several sources. If your Track Club or local service organization would like to sponsor the AAU Masters, drop a note to Ken Bernard, Box 10512, San Diego, California 92110.

Trainer:

At the Masters the suggestion was made we have a qualified trainer along on the tour to treat our assorted aches and pains. We have written to England seeking a British trainer experienced in T & F injuries but have not yet received a reply. Assuming one is found we propose to engage him. However, the services of a trainer were not included in the tour budget; therefore, we propose to assess each competitor approximately \$10.00 when we get to England, which should cover the trainer's salary, supplies, travel and expenses. If anyone is opposed to this plan, contact us immediately for we are assuming all competitors will want a trainer.

Age at time of Meet:

We had assumed the general European Veteran rules in age group competition would be applied; namely you compete in the division all year during the year in which you reach that age. (i.e.) If you reach 40, 50, or 60 by December 31st, you could compete in that division from January 1st. A closer examination of the entry blanks indicates that the Köln / Refrath 5 & 10 Km. and Marathon, and the British Meets require you to have reached the required age by the date of the meet. This means people like Alphonse Juilland (50 in October) will be Division I in London and Division II at the ASV (who follow the rule that you must have been born by "1/1/33"). We will seek clarification since the rules are obviously not now uniform.

Gothenburg Ladies Race:

Gothenburg has asked for Ladies entries. We suggested a 400m. and 1,500m. event for the ladies. No special entry is required, but if you have a wife or daughter who might like to enter, let her know.

Epping Forest Cross-Country Race:

Our first event, is scheduled for 7:00 p.m. Wednesday, August 23rd. It is 5 miles through Epping Forest. The start is behind the Royal Forest Hotel, Chingford, London, E.4. The course starts "with a little road, which has a grass verge nearly all the way. There will be a trail of shredded yellow paper and pointsmen will be stationed at difficult places. If there has been much rain there may be a lot of mud, and in this case well secured studded shoes are advised. Track spikes are unsuitable."

AAU Memberships:

Some of you have been extremely difficult about sending your AAU District Number. Some have sent the District number (first three digits) and not the remainder. Others have ignored repeated requests for this information which has increased our work immeasurably.

At the moment we need AAU numbers from Chado, Cheek, Dawkins, Koerner, Spanjers, Lum, Miller and Seymour. The National AAU will not issue our travel permit until we can submit the correct AAU numbers for everyone. Our meets in Europe are with nations that belong to the I.A.A.F. The AAU is the U.S. Member of the I.A.A.F. The Europeans, as we have told you in the past, are extremely rules conscious and will require compliance. Besides, the U.S. Masters program is an AAU sanctioned activity and you should support the AAU by having a current membership. If you haven't submitted an AAU number you will not be certified by the AAU and may well be rejected by the Meet Directors over there.
