CHICAGO PROVIDES THUNDEROUS WELCOME FOR NATIONAL CHAMPIONSHIP

Based on a story by Al Sheehan

Despite one of the worst summer storms in the history of Chicago on the day before the 10th Annual Masters Track and Field National Championship began in Naperville (Chicago environs—southwest), Chairman Wendell Miller and his committee produced a great meet on the beautiful college facility with the aid of mild sunshine and cooling breezes.

Jack Greenwood, 51, a Medicine Lodge, Kansas Savings and Loan executive, set two world records to highlight the Fourth of July weekend.

Nearly 400 entrants from throughout the United States competed in five-year age divisions at North Central College.

Greenwood's marks came in the 400 and 100-meter hurdles. His 53.5 400 eclipsed his own mark of 53.6 in the 50-54 division, set at the 1976 national meet. In the 110-meter barriers (33"), he clipped .4 off his 1976 mark with a 15.1 effort.

In addition, Greenwood won the 200 in 23.8 and 400-hurdles in 59.5, and was upset in the 100 by Los Angelessurgeon Bob Watanabe in 11.7.

Ted Cain, 40, of Novato, California won 5 events in the 40-44 age group, setting a new American over-40 mark of 50.6 in the 400. He won the 100 in 11.2, the 200 in 22.6, the 110-hurdles (36") in 15.1 and 400-hurdles in 57.4.

Claude Hills of Flourtown, Pennsylvania, established a new standard in the 65-69 110-hurdles (30") in 18.7, breaking the old mark of 19.3 set by Pelham New York's Dick Lacey on May 15, 1977. Venerable Bud Deacon, 65, of Honolulu ran the 400-hurdles in 73.7 to break another of Lacey's world marks (77.3).

Other top performances included Australia's Bernie Hogan's 11.7 in the 55-59 100, and 24.2 in the 200; Hal Higdon, Michigan City, Indiana writer ran the 45-49 10,000 in 32:57; Alabama's Tom Chilton leaped 22'7½" in the 40-44 long jump and had several "foul" over 23 feet. Ocie Trimble of Iowa City, Iowa turned the 45-49 800 in a sparkling 2:01.4; Ole Oleson of the San Fernando Valley Track Club in California won 3 events in the 55-59 division, the 1500 in 5:04.4; the 10,000 in 38:42 and the 5000

SHOWDOWN AT GOTEBOURG—PART II

By Al Sheehan

All seemed to be peace, harmony, brotherhood and love at the 1977 U.S. Masters National meeting, just outside Chicago, Illinois on July 2nd.

Two weeks earlier, at the Western Regional Track and Field Championships in Santa Ana, California, the competitors unanimously voted that:

"Masters competition shall be open to all individuals over 40 and over. No competitor shall be barred from competition due to race, religion, ethnic background, occupation, or national origin."

In Chicago, the sentiment was the same. There was not a single dissenting voice to the concept of open competition. A motion to pass the above resolution was ruled "unnecessary and academic" by National AAU Masters Chairman Bob Fine, since "the AAU has already gone that far and further in trying to promote open competition among U.S. Masters and in international competition."

Indeed, the above wording is taken directly from the proposed World Masters Constitution submitted by Fine. That exact wording also appears in Helen Pain's proposed Constitution.

So it seems that, among Americans, there is total and unanimous agreement that Masters competition should be open to all—South Africans, professionals, teachers, men, women—everybody over 40.

Fine was asked why, if he believes in open competition, did he vote in effect, AGAINST open competition in Coventry last August. Fine replied that he felt the Swedes needed the sanction of the International Amateur Athletic Federation to conduct a top quality meet. (And it is the IAAF rules which ban professionals, South Africans and others from competing.)

Fine said it is his goal to persuade the IAAF to change its rules where Masters are concerned.

David Pain and the USMITT have felt that the Masters movement does not need the IAAF; that we can run our own meets satisfactorily without the assistance and control of this international body. Indeed, Bill Adler and the Southern California Muster Striders are sponsoring the Pan-American Masters Games in Los Angeles on September 3-4 WITHOUT the sanction of even the AAU. It is shaping up as one of the best and most prestigious Masters meets in the United States this year. The Senior Olympics, a Los Angeles fixture, has never had AAU sanction, yet attracted more competitors this year (over 500) than did the U.S. National AAU Championships in Chicago (about 350).

Outstanding Family awards go to the TOM CLAYTON crew, Far Western AAU Regionals, and WENDY MILLER’s milieu, National Track & Field Championships, for dedication and participation in husband-father’s commitment over and beyond the call of duty. Please send in your suggestions for August/September awards.

Good to see: COL. DAVID FOWLER enjoying his friends and the sunshine at the Far Western Regionals; MRS. PAUL SPANGLER, also at Santa Ana, cheering for the good doctor; BILL FITZPATRICK, back on the track; beautiful ROSE helping HAL HIGDON pass out T-shirts advertising his new book, “Fitness After Forty” at the Nationals banquet; JIM O’NEIL leading his pack in the 10,000 on Sunday afternoon after he had run so well in the 20,000 that morning in downtown Chicago; PETE MUNDEL and AL SHEAHEN teaming up again to announce both the Western Regionals and the Nationals; SENATOR ALAN CRANSTON entertaining and illuminating at Santa Ana post-meet party even though his earlier injury prevented him from competing; PAYTON JORDAN captivating the crowds with his spectacular performances; BOB FINE reporting his support of a “no restrictions” policy for the Masters Program.

Did you know that: Hawaiian Master SCOTT HAMILTON, who is signed up for the USMTT/LAX charter to Sweden, wanted to stop off in Warsaw, Poland, but had heard how difficult it was to get a visa ... so when he wrote to the Polish Consulate in Chicago requesting a visa, he included six of the most scenic postcards of Wawicki as a gift to the consulate staff. He received his visa just six days after his request arrived in Chicago. In Dr. GEORGE SHEEAN’s article in the July 1977 issue of the American Way (American Airlines in-flight magazine) he tells us “Play ... is also a quality, a virtue, a way of living. Without play, work is labor, sex is lust, religion is rules. Play itself becomes exercise. With play, work becomes craft, sex becomes love. Religion becomes the freedom to be a child in the Kingdom. And play is the way we do it.”

“Play is the answer to the puzzle of our existence, a stage for our excesses and exuberances. Violence and dissent are part of its joys. Territory is defended with every ounce of our strength and determination. Then minutes later we are embracing our opponents and delighting in the game that took place.”

Rumors are that: the next Masters Track and Field National Championships will be in Atlanta; the 1978 Western Regionals will be hosted by the NorCal Seniors Track Club; that initial work is underway to set up a USA/Canada International Cross-country Meet in November of this year and that Canadian Master DON FARQUHARSON has offered the 10,000 1975 World Masters Cross-country course in Toronto with officials from the Ontario Track and Field Association; the doctor currently most quoted in newsletters across the country is DR. THOMAS BASSLER, of the American Medical Joggers Association, who places emphasis on beer consumption for athletes undergoing endurance training ... i.e. marathon runners who maintain adequate mileage—3,000 to 6,000 miles per year. DR. BASSLER claims to have run the slowest 100 km on record at the Primo Fun Run on the island of Oahu ... 19 hours, 58 minutes, 57 seconds.

Sweden: OTTO ESSIG’s surgery ... Cheer up, all, 1978 will be even better!

Sorry to hear about: BILL MORALES not having accredited his world-record javelin toss of 177; KEN CARRINE’s injury which is preventing his and KAY’s trip to Sweden’ OTTO ESSIG’s surgery ... Cheer up, all, 1978 will be better!

OUR AUSTRALIAN BRETHREN ARE BRIEFED

Goteborg Tour Report by Wal Sheppard

"The team will be of 76 men and 5 women. Our outstanding "girl" should be KATHY HOLLAND of W.A., with times of 12.5/26.6/2m38s. Clare McKerr will also run well in the 3 km, there is also a 10 km for veteran women (over 35).

Our men are in great form. It does not seem possible that JOHN GILMOUR, now aged 58, is running better than when winning titles in 1975. NOEL CLOUGH, former commonwealth champion, has joined the 1A and if TOM ROBERTS and TONY BLUE can get away from their surgeries and join with GRAEME WISE, we shall have an unbeatable 4 x 800 relay. They have all recently broken 2 minutes. Graeme has regained the form he lost by illness, when he was favorite at Toronto. ALBY THOMAS should join Tom to attempt that ½ in the 1,500 again. GEORGE McGrath has given up waiting for his foot trouble to clear up and has recently run two marathons under 3 hours, and will back up John in the 2B division. JACK STEVENS, the 2B victor in Toronto, is now 3A and should again win a title at 800 (former Aussie champ).

"Our sprinters are up against those fabulous Yanks, but LLOYD SNELLING, 1B, could gain a placing, RUDI HOCHREITER is likely to win the 2A Pentathlon. RON AUST is our best bet for 2A 400m. JOHN FRAZER, our 3A Worlds top Hammer man, will get pressed by Germans and Norwegians.

"3,000 competitors have entered from 38 nations, this is the largest track and field gathering ever to be assembled (including the Olympics). It will have BIGGER POLITICAL PROBLEMS than the Olympics and, unless Japan or Germany take the next Games, it may go to America and bog down there.

"Toronto was a great experience, I think Goteborg will be magnificent—if we survive the arguments."

"The Veteran Athlete," #30 July/August, Jack Pennington

CONTINUATION OF GOTEBOG SHOWDOWN

Officiating for non-AAU sanctioned meets does not seem to be the problem which many fear. I spoke with three officials at this year’s AAU Western Regional. All said they’d be glad to work another Masters meet, AAU-sanctioned or not. They love the sport and work for nothing, and so are beholden to no one.

Even at the AAU National Championships in Chicago, non-AAU member Hal Higdon competed (brilliantly winning the 10,000 in 32:57) to the delight and acceptance of nearly everyone.

So the general sentiment in Chicago seemed to be that if we could persuade the IAAF to change its rules to permit open Masters competition, the Masters movement could flourish on an international scale with cooperation and friendship among everyone. But that if the IAAF would NOT change its policies, then we should go our own way.

Fine admitted this change might not come overnight, but, when pressed as to how long we should wait, said: “If open competition is not a reality within two years, then we should move in a new direction.”

Most competitors said they would compete in Sweden in 1977 under the existing restrictions and try to persuade other nations to adopt American philosophy. But: if similar restrictions are imposed on the 1979 championships, many said they would simply stay home. Indeed, many are already staying home in 1977. Age-record-holder Ed Lowell says: “Inasmuch as members of the IAAF appear to wish to use the Masters Track Program to advance their own political preferences, I suggest that American athletes silently express our point of view by refraining from participation in the 1977 Sweden meet.”

Otto Essig says: “Why do we even consider going to Sweden and throw away our initial victory?”

So the handwriting is, unfortunately, already on the wall. We have lost participants for the 1977 Games ... who knows how many? If the same restrictions are imposed by the 1979 sponsors—assuming there ARE any sponsors—a lot of runners will stay home, and the international Masters running movement will, at best, cease to become truly international and will, at worst, be quietly led to rest.

Chairman Fine said privately that “eighty percent of runners in other nations agree with our concept of open competition, but most of the foreign leadership opposes it.”

Wal Sheppard of Australia, respected member of the eight-person International Masters advisory committee, does not seem to be one of those who oppose open participation. Wal writes: “I know very few people who disagree with this concept (of open competition). I know many people who would prefer this was achieved by persuading the IAAF to change their rules ... It is my view that if our movement is to become truly world-wide and thus develop to the fullest extent, then the best chance is through the IAAF. I say this because I doubt whether we will penetrate far behind the iron curtain without the backing of a well-established body.”

So it’s the classic conflict of whether to work from within to change the rules of an organization—albeit a corporation, or a government or the IAAF—or to decide that reform is impossible and go outside to form a whole new organization.

Unless some people are speaking with forked tongue, it would seem the chances for achieving open competition for the 1979 Championships are reasonably good.

Meanwhile, in 1977, Fine urged everyone to get travel permits, “just in case.” It is an onerous suggestion, since it runs counter to the beliefs of everyone at the Chicago meeting, including Fine. It smacks of surrender and hypocrisy. But Fine says it’s a “necessary evil” this trip. It has been and still is the policy of the USMITT that neither the AAU nor the IAAF has any jurisdiction to require travel permits of U.S. Masters or to bar any athlete over 40 from competition.

If we all cop to the travel permit issue, perhaps we should pay heed to the other IAAF rules which might be enforced against. According to IAAF Rule 53, “the following persons are ineligible to take part in competitions under IAAF rules:

Any person who:
— “takes part in any athletic meeting which is not sanctioned, recognized or certified by the Member in the country in which the event is held” (The “Member” in the U.S. is the AAU, so that means that anyone who competed in the Grandfather Games, Senior Olympics, USSTFF championships, or almost any all-comers meet is ineligible to compete in Sweden.)
— “has competed in any sport or has taught, trained or coached in any sport for any pecuniary reward.” (That eliminates all of our coaches and ex-coaches who compete.)
— “has at any time been financially interested in any athletic meeting in which he was entered.” (If you sold any ERG or T-shirts and also competed, you’re ineligible.)
— “has taken part in any athletic meeting in which ANY of the competitors in ANY of the events, were, to his knowledge, ineligible to compete under IAAF Rules.” (Anyone who competed in Chicago who knew Hal Higdon had competed is ineligible.)
— “while competing displays on his person any advertising material other than the accepted name of his club or organization, or takes on to any arena or course any form of advertising material. This rule shall apply to the competitor’s numbers, clothing and traveling bags, but does not apply to articles not clearly visible.” (In other words, if you have a travel bag which says “Nike” or “Puma” or wear an “Adidas” T-shirt, you are ineligible to compete in Sweden.)

The whole thing is so ludicrous you want to laugh. One U.S. Master, who, on the basis of principle, has no intention of getting a travel permit, says: “If they won’t let me run, then I’ll demand that all sections of rule 53 be enforced. I figure that’ll eliminate about two-thirds of the entrants. Then we’ll find another track and have our own meet.”

Not only is it all ludicrous, it’s also probably illegal. The IAAF rule which bars South Africans from competition clearly violates Article 2 of the United Nations Declaration of Human Rights:

“Everyone is entitled to all the rights and freedoms set forth in this Declaration, without distinction of any kind, such as race, color, sex, language, religion, political or other opinion, national or social origin, property, birth or other status.”

The rule requiring travel permits from a local association would appear to violate Article 20 of the U.N. Declaration:

“No one may be compelled to belong to an association.”

The IAAF rules seem to violate Article 16 of the Swedish Instrument of Government of 1809, which is still in force: “The King shall ... forbid iniquity and injustice; he shall not deprive anyone ... of personal liberty or well-being.”

TO ALL MASTERS. SHOULD THE MASTERS HAVE SEPERATE COMMITTEES FOR TRACK & FIELD & LONG DISTANCE RUNNING: SHOULD THERE BE JUST ONE MASTERS ATHLETIC COMMITTEE: OR, SHOULD THE MASTERS LONG DISTANCE RUNNING COMMITTEE BE PLACED UNDER THE JURISDICTION OF THE OPEN LONG DISTANCE RUNNING COMMITTEE?

Background: The Masters originally were only sub-committees of the four standing committees in athletics (Track & Field Men; T&F Women; LDR, Race Walking). In 1975 Masters T&F became a seperate standing committee. Thereafter the AAU Law Chairman interpreted the change to give Masters T&F jurisdiction over all of Masters athletics. This was challanged by the Chairman of the LDR Committee in 1976. A compromise was reached in which all parties agreed to the creation of a seperate Masters LDR Committee with the understanding that Masters T&F and Masters LDR could, if they wished to do so, merge in the future.

The purpose of this inquiry is to determine what the Masters would prefer.
1. Against merger: The integrity of the LDR movement can be better maintained. The majority of the Masters compete in LDR and their dues (50c) should stay in the LDR program. The program is so extensive that a seperate committee is justified.
2. Returning the Masters to the Open LDR Committee: The Masters is really an age group program, and, as such, belongs under LDR. There is no need for a seperate committee.
3. For merger: Separate committees serve to split the movement, besides many Masters compete in both T&F & LDR and it would be difficult to seperate their interests. The dues check off system will be easier to maintain and potential national sponsors would more readily deal with one than with two committees. A unified committee is needed to deal with the IAAF. Since most of the active individuals and clubs are involved in both LDR & T&F seperate committees would inhibit the development of the overall movement.

South Africa Highlights

Barry Heymann describes their 3rd Masters Marathon Championships run on May 7: “Our up-country visitors were really treated to the Cape weather in all its aspects—bitter cold, sunshine, rain, wind, in fact, at one stage between Constantia Nek and Hout Bay, the sun was shining, the wind swirling and freezing rain was pelting down, all at the same time.”

... “Harry Andrews, ageless ‘Uncle Harry’ to everyone in the athletic world, won the trophy for the ‘Oldest competitor to finish.’ Just contemplating the idea of negotiating a mountainous 42,195 km run at the age of 75 years is commendable. Actually completing the course is admirable beyond words. Harry, once again, we all salute you—the three cheers given you by the soccer teams at the finish was an echo of all our thoughts for your effort. Three cheers, also to organizer Leo Benning, and everyone else who had anything to do with making our Masters Marathon the success it was. The only suggestion I can think of for improvement next year is better weather.”

Savage as follows: “Marie-Jean Duvejoneck, a 34-year-old Belgian, who runs for Celtic Harriers, completed the grueling Comrades Marathon between Durban and Maritzburg, within the 11-hour limit and qualified for a bronze medal...”

“As far as can be ascertained, Miss Duvejoneck is the first woman athlete from Cape Town to complete this race.”

“Of 1966 runners who started, she finished in 1076th, and covered the distance of 90 km in 9 hours 51 minutes.

“Fifty-five runners from the Western Cape completed this race, and the first home was Don Hartley, of Celtic Harriers, who finished 25th in 6 hours, 32 minutes. Second was Bruce Matthews from Varsity Old Boys, 47th in 6 hours, 46 minutes.

Valley Runners Set World Mark

The age 40-49 Masters runners representing the San Fernando Valley Track Club set a world four-mile relay mark and won all three relays they entered to win team honors in the Don Palmer Memorial Track Relays at UC Irvine.

The seven-relay carnival featured over-age-30 runners from throughout the Southland.

The Laszlo Tabori-coached foursome of Hank Norton, Van Nuyse (5:05.8), Pete Mundle (5:33.4), Canoga Park's Ernie Portillo (5:02.0), and Westlake Village's Gaylord Kalchschmied (4:53.2) beat the Southern California Master Striders by 3.9 seconds (19:52.4) to establish a world record for over-40 runners in the seldom-run event.

The quartet of Valencia's Ed Bell (57:4-440), Van Nuyse's Al Sheahan (2:12.9-880), Kalchschmied (3:35-1320), and Portillo (5:02.1-mile) won the women medley relay in 11:47.4 and capped a busy afternoon with a 100-meter win in the two-mile relay.

The club's age 50-59 tandem was edged by the Seniors Track Club in the distance medley relay with Pacing's Wilbur Buchanan (62:0), Turzana's Earl Rippee (2:38), Lu Dosti (3:47.5), and Ole Oleson (5:27.3), carrying the baton to a 12:53.4 silver trophy.

SHOWDOWN  from page 3

Adriaan Paulen, the President of the IAAF, will be in Goeteborg. Even he admitted, when asked about reinstating ex-professional and still-world-record-holder John Smith, "there's a lot of hypocrisy in this amateur-professional question and it's rotten. There are some amateurs today making more money than the pros did. The whole issue is being re-examined now by the IAAF, and the possible reinstatement of the ITA people may be voted on by our council again at our September Dusseldorf meeting."

The IAAF council voted on a similar reinstatement question last March and it was defeated "by a narrow margin," Paulen said.

"Personally, I think Smith should be allowed to compete."

So perhaps the chances are favorable that reason and clear thinking will prevail over pettiness and small-mindedness, and that the Masters running movement will go forward into an era of growth, tolerance, cooperation, friendship, and understanding.

CANBERRA WILL HOST PACIFIC GAMES

The third two-day mini-Olympics with a full track and field program (except for 20 and 50 km walks, the pentathlon, decathlon, and marathon) is scheduled for December 3-4 of this year. (We have no report as to inclusion of Masters events; so we shall assume that they are not part of the program.)

18,000 or more spectators are expected to enjoy the new multi-million dollar Bruce Stadium, with games to begin each day at 2 p.m. Ticket prices for reserved seats in the covered grandstand will run $1 to $9, with unreserved standing room going for $3.30.

The 1969 opener of this series was held in Tokyo, while Toronto was the site in 1973.

Canberra, the capital city of Australia, is located about midway between Sydney and Melbourne in the gentle foothills of the Australian Alps. The totally-planned city, designed by American architect Walter Burley Griffin, was seventeen years in the building, and now has a people population of about 200,000 plus 8,000,000 trees.

If you should decide to visit Canberra for the Games in December, you will find lots of sunshine with weather in the low 80's in addition to many sights of interest.

With as few as ten persons travelling together we could come up with a neat package to the South Pacific which would be considerably less than individual fares ... so let us know if you might be interested.

You could return in time for the Hawaiian Marathon in Honolulu on December 11.
INTERESTED IN A MARDI GRAS MEET IN FEBRUARY?

The newly-formed Masters Division of the Baton Rouge Track Club is contemplating hosting an outdoor meet in Mardi Gras country next February and is soliciting response. The following is a letter from Dr. M.H. Williams outlining the idea. Please fill in the questionnaire and return to USMTT. We will compile results and forward same.

Word has come from Trinidad-Tobago from Dr. Al Bobb that their Masters Program is also interested in promoting a Mardi Gras Meet. So you might like to include comments on one or the other meet plus information as to the length of time you would be able to allow for the excursion plus how many people would be involved.

Baton Rouge Track Club
Masters Division

"We notice that most of the outdoor meets are held between the May to August season and during the Winter, track meets are driven indoors. We are in a near-tropical climate where we train outdoors the year round.

"We would like to make our contribution to the track schedule with an outdoor track meet during the Mardi Gras Festivities in February. This would give you an opportunity to compete on one of the nation's fastest tartan tracks—the Bernie Moore Track Stadium at Louisiana State University plus dormitory housing a few steps from the stadium at a nominal fee.

"You will be able to see the world-famous Mardi Gras and dance in the streets of New Orleans ... The cajun and creole dishes may help you run a little faster.

"Let us know how you feel about an outdoor winter track meet in the balmy breezes of Louisiana. Please return the questionnaire below."
