U.S. MASTERS INTERNATIONAL TRACK TEAM
AUGUST 1977

SHOWDOWN AT GOTEBERG—PART II

By Al Sheehan

All seemed to be peace, harmony, brotherhood and love at the 1977 U.S. Masters National meet, just outside Chicago, Illinois on July 2nd.

Two weeks earlier, at the Western Regional Track and Field Championships in Santa Ana, California, the competitors unanimously voted that:

"Masters competition shall be open to all individuals 40 and over. No competitor shall be barred from competition due to race, religion, ethnic background, profession, or national origin."

In Chicago, the sentiment was the same. There was not a single dissenting voice to the concept of open competition.

A motion to pass the above resolution was raised "necessory and academic" by National AAU Masters Chairman Bob Sine, "since the AAU has already gone that far and further in trying to promote open competition among U.S. Masters and in international competition."

"Indeed, the above wording is taken directly from the proposed World Masters Constitution submitted by Fire. That exact wording also appears in Helen Pain's proposed Constitution."

So it seems that, among Americans, there is total and unanimous agreement that Masters competition should be open to all—South Africans, professionals, teachers, men, women—everybody over 40.

Fink was asked why, if he believes in open competition, did he vote in effect, AGAINST open competition in Coventry last August. Fink replied that he felt the Swedes needed the sanction of the International Amateur Athletic Federation to conduct a top quality meet. (And it is the IAAF rules which ban professionals, South Africans and others from competing.)

Fink said it is his goal to persuade the IAAF to change its rules where Masters are concerned.

David Pain and the USMITT have felt that the Masters movement does need the IAAF. That we can run our own meets satisfactorily without the assistance and control of this international body. Indeed, Bill Adler and the Southern California Master Striders are sponsoring the Pure American Masters Games in Los Angeles on September 3-4 WITHOUT the sanction of even the AAU. It is shaping up as one of the best and most prestigious Masters meets in the United States this year. The Senior Olympics, a Los Angeles fixture, has never had AAU sanction, yet attracted more competitors this year (over 500) than did the U.S. National AAU Championships in Chicago (about 350).

OUR AUSTRALIAN BROTHERS ARE BRIEFED

Goteborg Tour Report

by Wal Sheppard

The team will be of 76 men and 5 women. Our outdoor "girl" should be KATHY HOLLAND of WA, with times of 12.5/26.2/33.5. Clare McKerr will also run well in the 3 km, there is also a 10 km for veteran women (50). Our team is small but compact.

Our men are in great form. It does not seem possible that JOHN GILMOUR, now aged 58, is running better than he ever did. The club distance of 800 metres for the commonwealth champion, has joined the 1A and if TOM ROBERTS and TONY BLUE can get away from their surge, we shall have an unbeatable 4 x 800 relay. They have all recently broken 2 minutes. Grameen has regained the form he lost by illness, when he was favored at Toronto. ALBY THOMAS should join Tom to attempt that in the 1500 again. GEORGE Mccraith has got away from his fear to tour and has recently run two marathons under 3 hours, and will back up John in the 2B division. JACK STEVENS, the 2B victor in Toronto, is now 3A and should again win a title 800,000.

Our sprinters are up against those fabulous Yukans, but I am talking about "OSSA", 1B, could gain a placing, RUDI HOFFER is likely to win the 2A Pentathlon. RON AUGUST is our best bet for 2A 400m. JOHN FRAZER, our French top Hamner man, will get pressured by Germans and Norwegians.

1000 competitors have entered from 38 nations, this is the largest track and field gathering ever to be assembled (including the Olympics). It will have BIGGER POLITICAL PROBLEMS than the Olympics and, unless John or Grahame win in Class Games, it may go to America and bag down there.

"Toronto was a great experience, I think Goteborg will be magnificent—so we survive the agonies of the "Veteran Athlete," July/August, Jack Pennington

Meanwhile, in 1977, Fine urged everyone to get travel permits, "just in case." It was an ominous suggestion, since it runs counter to the beliefs of everyone at the Chicago meeting, including Fine. It struck many as hypocritical. But Fine sense was that although the IAAF has been and still is the policy of the USMITH that neither the AAF nor the NCAA permit travel permits of U.S. Masters or to bar any athlete over 40 from competition.

If we are to travel the permit issue, perhaps we should pay heed to the other IAAF rules which might be enforced against. According to IAAF Rule 53, "the following penalties are liable to take place in contests under IAAF rules:"

- "Any person who—"
  - "is at any time in any athletic meeting which is not sanctioned, recognized or certified by the Member in the country in which the event is held" (The "Member" in the United States is the USMAA/American Masters Association, which competes in the Grandfather Games, Senior Olympics, USSTF championships, or almost any all-comers meet is ineligible to compete in Sweden.)
- "has competed in any sport or has taught, trained or coached in any sport for any pecuniary reward." (That disqualifies all of our coaches and co-coaches who compete.)
- "has at any time been financially interested in any athletic meet wherein he was or will be a competitor, as in any ERG or T-shirts and also competed, you're ineligible.
- "has taken part in any athletic meeting in which ANY of the competitors in ANY of the events, were, to his knowledge, ineligible to compete under IAAF Rules. (Anyone who knows who knew Hal Higdon had competed is ineligible.)
- "while competing displays on his person any advertising for a product, organization, or organization, or takes on to any arenas or course any form of advertising material. This rule shall apply to the act of distributing literature, handbags, but does not apply to articles not clearly visible. In other words, you have a t-shirt bag which says "Nike" or "Puma" or wear an "Adidas" T-shirt, you are ineligible to compete in Sweden.

The whole thing is so ludicrous you want to laugh. One U.S. Master, who, on the basis of principle, has no intention of getting a travel permit, says: "If they won't let me run, the IAAF should eat their council of rope: I am not going to be forced... I'll figure that I'll eliminate about two-thirds of the entrants. Then we'll find another track and have our own meet."

Not only is it all ludicrous, it's also probably illegal. The IAAF rule which bars South Africans from competition clearly violates Article 2 of the United Nations Declaration of Human Rights:

"Everyone is entitled to all the rights and freedoms set forth in this Declaration, without any discrimination as to race, color, sex, language, religion, political or other opinion, national or social origin, property, birth or other status."

The rule requiring travel permits from a local association would appear to violate Article 20 of the U.N. Declaration: "All citizens shall have the right to choose their political and social affiliation." The IAAF rules seem to violate Article 16 of the Swedish Constitution of Government of 1809, which is still in force: "The king shall not be liable to either, judicial or administrative actions. He shall not deprive anyone ... of personal liberty or well-being."
TO ALL MASTERS. SHOULD THE MASTERS HAVE SEPARATE COMMITTEES FOR TRACK & FIELD & LONG DISTANCE? SHOULD THERE BE JUST ONE MASTERS ATHLETIC COMMITTEE: OR, SHOULD THE MASTERS LONG DISTANCE COMMITTEE BE PLACED UNDER THE JURISDICTION OF THE OPEN LONG DISTANCE RUNNING COMMITTEE?

Background: The Masters originally were only sub-committees of the four standing committees in athletics (Track & Field; Men & Women; LD; Race Walking). In 1975 Masters T&P became a separate standing committee. Thereafter the AAU Law Chairman interpreted the change to give Masters T&P jurisdiction over all of Masters athletics. This was challenged by the Chairman of the LD Committee in 1976. A compromise was reached in which all parties agreed to the creation of a separate Masters LD Committee with the understanding that Masters T&P and Masters LD could, if they wished to do so, merge in the future.

The purpose of this inquiry is to determine what the Masters would prefer. 1. Against merger: The integrity of the LD movement can be better maintained. The majority of the Masters compete in LD and its dues ($50) should stay the LD program. The program is so extensive that a separate committee is justified. 2. Returning the Masters to the Open LD Committee; The Masters is really an age group program and, as such, belongs under LD. There is no need for a separate committee. 3. For merger: Separate committees serve to split the movement, besides many Masters compete in both T&P & LD and it would be difficult to separate their interests. The dues off staff system is easier to maintain and potential national sponsors would more readily deal with one than with two committees. A unified committee is needed to deal with the IAAF. Since most of the active individuals and clubs are involved in both LD & T&P separate committees would be difficult to approve the development of the overhaul movement.

South Africa Highlights

Barry Heymann describes their 3rd Masters Marathon Championships on May 7th: "Our up-country visitors were really treated to the Cape weather in all its aspects—bitter cold, sunshine, rain, wind, in fact, at one stage between Kom9antia Nek and Hout Bay, the sun was shining, the wind swirling and freezing rain was pelting down, all at the same time."

"Harry Andrews, ageless 'Uncle Harry' to everyone in the athletic world, won the trophy for the 'Oldest competitor to finish.' Just contemplating the idea of negotiating a mountainous 42.195 km run at the age of 75 years is commendable. Actually completing the course is admirable beyond words. Harry, once again, we all salute you—the three cheers given you by the soccer teams at the finish was an echo of all our thoughts for your effort. Three cheers to you, 'Uncle Harry,' organizer Leo Benning, and everyone else who had anything to do with making our Masters Marathon the success it was. The only suggestion I can think of for next year's event is better weather."

CANBERRA WILL HOST PACIFIC GAMES

The third-day two-day mini-Olympics with a full track and field program (except for 20 and 50 km walks, the pentathlon, decathlon, and marathon) is scheduled for December 3-4 of this year. We have no report on the

Adrian Paulen, the President of the IAFF, will be in Goteborg. Even though he asked for information on the reopening of the Israel Airlines flight to Tel Aviv, he was unable to get any information from the airline. The whole issue is being re-examined by the IAFF, and the possible reinstatement of the IAAF may be delayed.

The IAFF council voted on a similar reinstatement question last March and it was defeated by a narrow margin,” Paulen said. "Personally, I favor Smith should be allowed to compete."

So perhaps the chances are that reason and clear thinking will prevail over pettiness and self-centeredness, and that the Masters running movement will go forward into an era of growth, tolerance, cooperation, friendship, and understanding.
INTERESTED IN A MARDI GRAS MEET IN FEBRUARY?

The newly-formed Masters Division of the Baton Rouge Track Club is contemplating hosting an outdoor meet in Mardi Gras country next February and is soliciting responses. The following is a letter from Dr. M.H. Williams outlining the idea. Please fill in the questionnaire and return to USMITT. We will compile results and forward same.

Word has come from Trinidad/Tobago from Dr. Al Bobb that their Masters Program is also interested in promoting a Mardi Gras Meet. So you might like to include comments on one or the other meet plus information as to the length of time you would be able to allow for the excursion plus how many people would be involved.

Baton Rouge Track Club
Masters Division

"We notice that most of the outdoor meets are held between the May to August season and during the Winter, track meets are driven indoors. We are in a near-tropical climate where we train outdoors the year round.

"We would like to make our contribution to the track schedule with an outdoor track meet during the Mardi Gras festivities in February. This would give you an opportunity to compete on one of the nation's fastest tartan tracks—the Bernie Moore Track Stadium at Louisiana State University plus dormitory housing a few steps from the stadium at a nominal fee.

"You will be able to see the world-famous Mardi Gras and dance in the streets of New Orleans... The cajun and creole dishes may help you run a little faster.

"Let us know how you feel about an outdoor winter track meet in the balmy breezes of Louisiana. Please return the questionnaire below."

SHOWDOWN AT GOTEBERG—PART II
By Al Sheahan

All seemed to be peace, harmony, brotherhood and love at the 1977 U.S. Masters National meeting, just outside Chicago, Illinois on July 2nd.

Two weeks earlier, at the Western Regional Track and Field Championships in Santa Ana, California, the competitors unanimously voted that: "Masters competition shall be open to all individuals 40 and over. No competitor shall be barred from competition due to race, religion, ethnic background, profession, or national origin."

In Chicago, the sentiment was the same. There was not a single dissenting voice to the concept of open competition. A motion to pass the above resolution was ruled "unnecessary and academic" by National AAU Masters Chairman Bob Fime, since "the AAU has already gone that far and further in trying to promote open competition among U.S. Masters and in international competition."

Indeed, the above wording is taken directly from the proposed World Masters Constitution submitted by Fime. That exact wording also appears in Helen Pain's proposed Constitution.

So it seems that, among Americans, there is total and unanimous agreement that Masters competition should be open to all—South Africans, professionals, teachers, men, women—everybody over 40.

Fime was asked why, if he believes in open competition, did he vote in effect, AGAINST open competition in Coventry last August. Fime replied that he felt the Swedes needed the sanction of the International Amateur Athletic Federation to conduct a top quality meet. (And it is the IAAF rules which ban professionals, South Africans and others from competing.)

Fime said it is his goal to persuade the IAAF to change its rules where Masters are concerned.

David Pain and the USMITT have felt that the Masters movement does not need the IAAF; that we can run our own meets satisfactorily without the assistance and control of this international body. Indeed, Bill Adler and the Southern California Master Striders are sponsoring the Pan-American Masters Games in Los Angeles on September 3-4 WITHOUT the sanction of even the AAU. It is shaping up as one of the best and most prestigious Masters meets in the United States this year. The Senior Olympics, a Los Angeles fixture, has never had AAU sanction, yet attracted more competitors this year (over 500) than did the U.S. National AAU Championships in Chicago (about 350).
