Official Travel Agent for the U.S. Masters V WAVA 1983 San Juan, Puerto Rico Sept. 23 to Oct. 1

U.S. MASTERS, you just cannot afford to miss V WAVA in San Juan, Puerto Rico - September '83!

For those of you who have the time; we have packaged your Caribbean Experience with 10 days at the Caribe Hilton (the 17-acre resort just a block away from Escobar Stadium,) the 7-day Nostalgia Cruise of the Caribbean on Cunard's Countess, with roundtrip airfare for \$1,983.00 per person (double occupancy.)

CARIBBEAN EXPERIENCE

In addition to the 1-week cruise option, we offer the option of charter yachts available from October 1 to 8 with crew and provisions to sail the British Virgin Islands out of Tortola with your own party of four to eight persons. This could run as low as \$750.00 per person for the week, when you make up your own group of six or eight. Then you must add your airfare and San Juan costs.

PRIVATE YACHT CHARTER

Those of you who are short of time, we have found beautiful accommodations at the fine Palace Hotel and adjoining ESJ Towers. The moderate rates for this quality facility make it a prime choice for the U.S. Masters... because there will be regular, express service available to the meet sites. Rooms at the ESJ Towers are equipped with modern, full-service kitchenettes. Restaurants, nightclubs, lounges, and the casino are located in The Palace and also available to Towers' tenants. Swimming pools, beautiful beaches, tennis, even a health club, a mini-market, and nursery can be found in this complex. Children under 12 sharing a room with two adults are free. 10 days here are \$265.00 triple occupancy, \$305.00 double, and \$540.00 single, per person, plus airfare and registration fee. Please select your own roommate(s).

HOTEL

There are now a few rooms at the Caribe Hilton available for those who are not taking the cruise. 10 days here are \$420.00 per person/triple, \$450.00 per person/double, and \$775.00 single.

For all of us, regardless of where we are staying, we strongly recommend the purchase of the \$10.00 transportation pass provided by the Games Organizers. They are planning continuous shuttle bus service throughout the time of the games. This is the best buy of the trip, unless you prefer to rent a car - which we can provide for you. While the car is more expensive, you have the flexibility with convenience, and you could share the costs with others.

LAND TRANSPORTATION

If you are not taking advantage of the free airfare with the cruise, then you must let us know what days you wish to travel and from where so that we may obtain for you the lowest airfare available. Tell us if you wish to include Houston and the Nationals. Send that information now so that we may book your reservations and write your ticket to guarantee against forthcoming rise in prices. Should there be a reduction in fare, you will be refunded the difference.

AIR TRANSPORTATION

And don't forget the Fiesta del Masters - the traditional get-acquainted party/dinner to which you are invited when you travel with Sports Travel International, Ltd.! Thursday evening, September 22nd, is that special date with all your friends - both old and new.
