U.S. MASTERS TRACK & FIELD RANKINGS

For 1999

\$3.00

The information for the rankings in this 11th edition of the U.S. Masters T&F Rankings Book was taken primarily from outdoor meets published in the National Masters News in 1999. Marks from unpublished results and documented submissions by individuals are also included.

The compilers of the rankings are volunteers who donate their time and materials. The 1999 rankers were Larry Patz, New Hampshire; William Benson, New York; David Ortman, Washington; Alexander Johnson, New Jersey; James Gerhardt, Texas; Clay Hull, Arizona; Rex Harvey, Ohio; and Phil Howell, Georgia, who did the 1999 Racewalking Ladders. Some of these volunteers also compile the indoor rankings to be published in the NMN in July.

Funds to help compile and publish these rankings and the 2000 indoor rankings were provided by the USA Track & Field Masters Committee.

A question mark after a name indicates a problem with the correctness of the athlete's name or age division; a question mark after the time or distance indicates uncertainty about its accuracy.

Decathlon marks are indicated with a "d." When not noted with an "h," times without 10th-and/or-100th-of-a-second digits are assumed to be hand times, except for the 800, 1500, and mile.

Athletes are urged to send corrections and additions to me at P.O. Box 50098, Eugene, OR 97405, or e-mail: JerryWojcik@aol.com
